Explanatory Note

We are the sole general partner of Restaurant Brands International Limited Partnership ("Partnership"), which is the indirect parent of The TDL Group Corp. ("Tim Hortons"), Burger King Corporation ("Burger King") and Popeyes Louisiana Kitchen, Inc. ("Popeyes"). As a result of our controlling interest, we consolidate the financial results of Partnership and record a noncontrolling interest for the portion of Partnership we do not own in our consolidated financial statements. Net income (loss) attributable to noncontrolling interests on the consolidated statements of operations presents the portion of earnings or loss attributable to the economic interest in Partnership owned by the holders of the noncontrolling interests. As sole general partner, we manage all of Partnership's operations and activities in accordance with the partnership agreement of Partnership (the "partnership agreement"). We have established a conflicts committee composed entirely of "independent directors" (as such term is defined in the partnership agreement) in order to consent to, approve or direct various enumerated actions on behalf of the Company (in its capacity as the general partner of Partnership) in accordance with the terms of the partnership agreement.

Pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we are a successor issuer to Burger King Worldwide, Inc. Our common shares trade on the New York Stock Exchange and the Toronto Stock Exchange under the ticker symbol "QSR". In addition, the Class B exchangeable limited partnership units of Partnership (the "Partnership exchangeable units") are deemed to be registered under Section 12(b) of the Exchange Act, and Partnership is subject to the informational requirements of the Exchange Act and the rules and regulations promulgated thereunder. The Partnership exchangeable units trade on the Toronto Stock Exchange under the ticker symbol "QSP".

Each of the Company and Partnership is a reporting issuer in each of the provinces and territories of Canada and, as a result, is subject to Canadian continuous disclosure and other reporting obligations under applicable Canadian securities laws. This Annual Report on Form 10-K constitutes the Company's Annual Information Form for purposes of its Canadian continuous disclosure obligations under National Instrument 51-102 – Continuous Disclosure Obligations ("NI 51-102"). Pursuant to an application for exemptive relief made in accordance with National Policy 11-203 – Process for Exemptive Relief Applications in Multiple Jurisdictions, Partnership has received exemptive relief dated October 31, 2014 from the Canadian securities regulators. This exemptive relief exempts Partnership from the continuous disclosure requirements of NI 51-102, effectively allowing Partnership to satisfy its Canadian continuous disclosure obligations by relying on the Canadian continuous disclosure documents filed by the Company, for so long as certain conditions are satisfied. Among these conditions is a requirement that Partnership concurrently send to all holders of the Partnership exchangeable units all disclosure materials that the Company sends to its shareholders and a requirement that Partnership separately report all material changes in respect of Partnership that are not also material changes in respect of the Company.

Item 1. *Business*

Company Overview

We are a Canadian corporation that serves as the indirect holding company for Tim Hortons, Burger King and Popeyes and their consolidated subsidiaries. We are one of the world's largest quick service restaurant ("QSR") companies with approximately $31 billion in system-wide sales and approximately 27,000 restaurants in more than 100 countries as of December 31, 2020. Our *Tim Hortons*®, *Burger King*® and *Popeyes*® brands have similar franchise business models with complementary daypart mixes and product platforms. Our three iconic brands are managed independently while benefiting from global scale and sharing of best practices. As of December 31, 2020, approximately 100% of total restaurants for each of our brands was franchised and references to "our restaurants" or "system-wide restaurants" include franchised restaurants and those owned by us ("Company restaurants").

Our business generates revenue from the following sources: (i) franchise revenues, consisting primarily of royalties based on a percentage of sales reported by franchise restaurants and franchise fees paid by franchisees; (ii) property revenues from properties we lease or sublease to franchisees; and (iii) sales at Company restaurants. In addition, our Tim Hortons business generates revenue from sales to franchisees related to our supply chain operations, including manufacturing, procurement, warehousing and distribution, as well as sales to retailers.

Our *Tim Hortons*® Brand

Founded in 1964, Tim Hortons ("TH") is one of the largest donut/coffee/tea restaurant chains in North America and the largest in Canada as measured by total number of restaurants. As of December 31, 2020, we owned or franchised a total of 4,949 TH restaurants. TH restaurants are quick service restaurants with a menu that includes premium blend coffee, tea, espresso-based hot and cold specialty drinks, fresh baked goods, including donuts, *Timbits*®, bagels, muffins, cookies and pastries, grilled paninis, classic sandwiches, wraps, soups and more.

Our *Burger King*® Brand

Founded in 1954, Burger King ("BK") is the world's second largest fast food hamburger restaurant ("FFHR") chain as measured by total number of restaurants. As of December 31, 2020, we owned or franchised a total of 18,625 BK restaurants in more than 100 countries. BK restaurants are quick service restaurants that feature flame-grilled hamburgers, chicken and other specialty sandwiches, french fries, soft drinks and other food items.

Our *Popeyes*® Brand

Founded in 1972, Popeyes ("PLK") is the world's second largest quick service chicken concept as measured by total number of restaurants. As of December 31, 2020, we owned or franchised a total of 3,451 PLK restaurants. PLK restaurants are quick service restaurants that distinguish themselves with a unique "Louisiana" style menu featuring fried chicken, chicken tenders, fried shrimp and other seafood, red beans and rice and other regional items.

COVID-19 Response

The global crisis resulting from the spread of coronavirus ("COVID-19") has had a substantial impact on our global restaurant operations for 2020. During 2020, some TH, BK and PLK restaurants were temporarily closed in certain countries and many of the restaurants that remained open had limited operations, such as drive-thru, takeout and delivery (where applicable). As a result of the COVID-19 pandemic, we have enhanced our standards regarding hand washing, sanitization, health and hygiene, and contact-less procedures. Additionally, changes in consumer behavior due to the pandemic increased our focus on the use of technology to meet our guests' rapidly-evolving needs through the expansion of the number of restaurants offering delivery, the improvement of our mobile app guest experience, and the evolution of the Tims Rewards program to increase digital registration and begin extending personalized offers. Our operating results substantially depend upon our franchisees' sales volumes, restaurant profitability, and financial stability. The financial impact of COVID-19 has had an adverse effect on many of our franchisees' liquidity and we have worked closely with our franchisees to monitor and assist them with access to appropriate sources of liquidity in order to sustain their businesses throughout this crisis, such as offering rent relief programs for eligible franchisees who lease property from us. We also provided cash flow support in 2020 by extending loans to eligible BK franchisees in the U.S. and by advancing certain cash payments to eligible TH franchisees in Canada.

Our Business Strategy

We believe that we have created a financially strong company built upon a foundation of three thriving, independent brands with significant global growth potential and the opportunity to be one of the most efficient franchised QSR operators in the world through our focus on the following strategies:

- accelerating net restaurant growth;
- enhancing guest service and experience at our restaurants through comprehensive training, improved restaurant operations, reimaged restaurants and appealing menu options;
- increasing restaurant sales and profitability which are critical to the success of our franchise partners and our ability to grow our brands around the world;
- strengthening drive thru and delivery channels to provide guests convenient access to our product offerings;
- utilizing technological and digital initiatives, including loyalty programs, to interact with our guests and modernize the operations of our restaurants;
- efficiently managing costs and sharing best practices; and
- preserving the rich heritage of each of our brands by managing them and their respective franchisee relationships independently and continuing to play a prominent role in local communities.

Operating Segments

Our business consists of three operating segments, which are also our reportable segments: (1) TH; (2) BK; and (3) PLK. Additional financial information about our reportable segments can be found in "Management's Discussion and Analysis of Financial Condition and Results of Operations."

Restaurant Development

As part of our development approach for our brands in the U.S., we have granted limited development rights in specific areas to franchisees in connection with area development agreements. We expect to enter into similar arrangements in 2021 and beyond. In Canada, we have not granted exclusive or protected areas to BK or TH franchisees, with limited exceptions.

As part of our international growth strategy for all of our brands, we have established master franchise and development agreements in a number of markets. We have also created strategic master franchise joint ventures in which we received a meaningful minority equity stake in each joint venture. We will continue to evaluate opportunities to accelerate international development of all three of our brands, including through the establishment of master franchises with exclusive development rights and joint ventures with new and existing franchisees.

Advertising and Promotions

In general, franchisees fund substantially all of the marketing programs for each of our brands by making contributions ranging from 2.0% to 5.0% of gross sales to advertising funds managed by us or by the franchisees. Advertising contributions are used to pay for expenses relating to marketing, advertising and promotion, including market research, production, advertising costs, sales promotions, social media campaigns, technology initiatives and other support functions for the respective brands.

We manage the advertising funds for each of our brands in the U.S. and Canada, as well as in certain other markets for BK. However, in many international markets, including the markets managed by master franchisees, franchisees make contributions into franchisee-managed advertising funds. As part of our global marketing strategy, we provide franchisees with advertising support and guidance in order to deliver a consistent global brand message.

Product Development

New product development is a key driver of the long-term success of our brands. We believe the development of new products can drive traffic by expanding our customer base, allowing restaurants to expand into new dayparts, and continuing to build brand leadership in food quality and taste. Based on guest feedback, we drive product innovation in order to satisfy the needs of our guests around the world. This strategy will continue to be a focus in 2021 and beyond.

Operations Support

Our operations strategy is designed to deliver best-in-class restaurant operations by our franchisees and to improve friendliness, cleanliness, speed of service and overall guest satisfaction. Each of our brands has uniform operating standards and specifications relating to product quality, cleanliness and maintenance of the premises. In addition, our restaurants are required to be operated in accordance with quality assurance and health standards that each brand has established, as well as standards set by applicable governmental laws and regulations, including new local, provincial and state laws regarding COVID-19 and Center for Disease

Control and similar health authority guidelines. Each franchisee typically participates in initial and ongoing training programs to learn all aspects of operating a restaurant in accordance with each brand's operating standards.

Manufacturing, Supply and Distribution

In general, we approve the manufacturers of the food, packaging, equipment and other products used in restaurants for each of our brands. We have a comprehensive supplier approval process, which requires all food and packaging products to pass our quality standards and the suppliers' manufacturing process and facilities to pass on-site food safety inspections. Our franchisees are required to purchase substantially all food and other products from approved suppliers and distributors.

TH products are sourced from a combination of third-party suppliers and our own manufacturing facilities. To protect our proprietary blends, we operate two coffee roasting facilities in Ancaster, Ontario and Rochester, New York, where we blend all of the coffee for our TH restaurants and, where practical, for our take home, packaged coffee. Our fondant and fills manufacturing facility in Oakville, Ontario produces, and is the primary supplier of, the ready-to-use glaze, fondants, fills and syrups which are used in a number of TH products. As of December 31, 2020, we have only one or a few suppliers to service each category of products sold at our restaurants.

We sell most raw materials and supplies, including coffee, sugar, paper goods and other restaurant supplies, to TH restaurants in Canada and the U.S. We purchase those raw materials from multiple suppliers and generally have alternative sources of supply for each. While we have multiple suppliers for coffee from various coffee-producing regions, the available supply and price for high-quality coffee beans can fluctuate dramatically. Accordingly, we monitor world market conditions for green (unroasted) coffee and contract for future supply volumes to obtain expected requirements of high-quality coffee beans at acceptable prices.

Our TH business has significant supply chain operations, including procurement, warehousing and distribution, to supply paper, dry goods, frozen goods and refrigerated products to a substantial majority of our Canadian restaurants. We act as a distributor to TH restaurants in Canada through nine distribution centers located in Canada, of which five are company-owned, including three warehouses that were newly built or renovated and opened in 2020, and cover approximately 90% of the volume. We own or lease a significant number of trucks and trailers that regularly deliver to most of our Canadian restaurants. In the U.S., we supply similar products to restaurants through third-party distributors.

All of the products used in our BK and PLK restaurants are sourced from third-party suppliers. In the U.S. and Canada, there is a purchasing cooperative for each brand that negotiates the purchase terms for most equipment, food, beverages (other than branded soft drinks which we negotiate separately under long-term agreements) and other products used in BK and PLK restaurants. The purchasing agent is also authorized to purchase and manage distribution services on behalf of most of the BK and PLK restaurants in the U.S. and Canada. PLK also utilizes exclusive suppliers for certain of its proprietary products. As of December 31, 2020, four distributors serviced approximately 92% of BK restaurants in the U.S. and five distributors serviced approximately 92% of PLK restaurants in the U.S.

In 2000, Burger King Corporation entered into long-term exclusive contracts with The Coca-Cola Company and Dr Pepper/Snapple, Inc. to supply BK restaurants with their products and which obligate restaurants in the U.S. to purchase a specified number of gallons of soft drink syrup. These volume commitments are not subject to any time limit. As of December 31, 2020, we estimate that it will take approximately 6.6 years to complete the Coca-Cola purchase commitment and approximately 9.9 years to complete the Dr Pepper/Snapple, Inc. purchase commitment. If these agreements were terminated, we would be obligated to pay an aggregate amount equal to approximately $343 million as of December 31, 2020 based on an amount per gallon for each gallon of soft drink syrup remaining in the purchase commitments, interest and certain other costs. We have also entered into long-term beverage supply arrangements with certain major beverage vendors for the TH and PLK brands in the U.S. and Canada.

Franchise Agreements and Other Arrangements

General. We grant franchisees the right to operate restaurants using our trademarks, trade dress and other intellectual property, uniform operating procedures, consistent quality of products and services and standard procedures for inventory control and management. For each franchise restaurant, we generally enter into a franchise agreement covering a standard set of terms and conditions. Recurring fees consist of periodic royalty and advertising payments. Franchisees report gross sales on a monthly or weekly basis and pay royalties based on gross sales.

Franchise agreements are generally not assignable without our consent. In Canada and the U.S., our TH franchise agreements grant us the right to reacquire a restaurant under certain circumstances, and our BK and PLK franchise agreements generally provide us a right of first refusal if a franchisee proposes to sell a restaurant. Defaults (including non-payment of royalties or advertising contributions, or failure to operate in compliance with our standards) can lead to termination of the franchise agreement.

U.S. and Canada. TH franchisees in the U.S. and Canada operate under several types of license agreements, with a typical term for a standard restaurant of 10 years plus renewal period(s) of 10 years in the aggregate for Canada and a typical term of 20 years for

the U.S. TH franchisees who lease land and/or buildings from us typically pay a royalty of 3.0% to 4.5% of weekly restaurant gross sales. Our license agreements contemplate a one-time franchise fee which must be paid in full before the restaurant opens for business and upon the grant of an additional term. Under a separate lease or sublease, TH franchisees typically pay monthly rent based on the greater of a fixed monthly payment and contingent rental payments based on a percentage (usually 8.5% to 10.0%) of monthly gross sales or flow through monthly rent based on the terms of an underlying lease. Where the franchisee owns the premises, leases it from a third party or enters into a flow through lease with TH, the royalty is typically increased. In addition, the royalty rates under license agreements entered into in connection with non-standard restaurants, including self-serve kiosks and strategic alliances with third parties, may vary from those described above and are negotiated on a case-by-case basis.

The typical BK and PLK franchise agreement in the U.S. and Canada has a 20-year term and contemplates a one-time franchise fee plus an additional fee upon renewal. Subject to the incentive programs described below, most new BK franchise restaurants in the U.S. and Canada pay a royalty on gross sales of 4.5% and most PLK restaurants in the U.S. and Canada pay a royalty on gross sales of 5.0%. BK franchise agreements typically provide for a 20-year renewal term, and PLK franchise agreements typically provide for two 10-year renewal terms. In addition, PLK franchisees pay a technology fee on all digital sales through our proprietary technology.

In an effort to improve the image of our BK restaurants in the U.S., we offered U.S. franchisees reduced up-front franchise fees and limited-term royalty and advertising fund rate reductions to remodel restaurants to our modern image during the past several years and we plan to continue to offer remodel incentives to U.S. franchisees during 2021. These limited-term incentive programs are expected to negatively impact our effective royalty rate until 2027. However, we expect this impact to be partially mitigated as incentive programs granted in prior years will expire and we will also be entering into new franchise agreements for BK restaurants in the U.S. with a 4.5% royalty rate. For PLK, we offer development incentive programs pursuant to which we encourage veterans, women or minorities to become PLK franchisees and develop and open new restaurants.

International. As part of the international growth strategy for each of our brands, we have entered into master franchise agreements or development agreements that grant franchisees exclusive or non-exclusive development rights and, in some cases, allow them to sub-franchise or require them to provide support services to other franchisees in their markets. In 2020, we entered into master franchise agreements for the TH brand in the Middle East, including United Arab Emirates, Qatar, Kuwait, Bahrain, Oman and Saudi Arabia, and for the BK brand in Switzerland and in Scandinavia, including Norway, Sweden and Denmark. The franchise fees, royalty rate and advertising contributions, if applicable, paid by master franchisees or developers vary from country to country, depending on the facts and circumstances of each market. We expect to continue implementing similar arrangements for our brands in 2021 and beyond.

Franchise Restaurant Leases. We leased or subleased 3,586 properties to TH franchisees, 1,449 properties to BK franchisees, and 81 properties to PLK franchisees as of December 31, 2020 pursuant to separate lease agreements with these franchisees. For properties that we lease from third-party landlords and sublease to franchisees, our leases generally provide for fixed rental payments and may provide for contingent rental payments based on a restaurant's annual gross sales. Franchisees who lease land only or land and building from us do so on a "triple net" basis. Under these triple net leases, the franchisee is obligated to pay all costs and expenses, including all real property taxes and assessments, repairs and maintenance and insurance.

Intellectual Property

We own valuable intellectual property relating to our brands, including trademarks, service marks, patents, industrial designs, copyrights, trade secrets and other proprietary information, some of which are of material importance to our TH, BK and PLK businesses. The duration of trademarks and service marks varies by country, however, trademarks and service marks generally are valid and may be renewed as long as they are in use and/or properly registered. We have established the standards and specifications for most of the goods and services used in the development, improvement and operation of our restaurants. These proprietary standards, specifications and restaurant operating procedures are our trade secrets. Additionally, we own certain patents and industrial designs of varying duration relating to equipment and packaging used in BK and TH restaurants.

Information Systems and Digital Technology

Our corporate financial, human resources and similar systems are fully integrated across our brands and provide a solid foundation for our business. Our restaurant information systems are provided by a set of approved third-party vendors that provide point of sale software. Depending on the region, these vendors may also provide labor scheduling, inventory, production management, and cash control services. We have an architecture that enables us to build custom customer-facing applications and integrate them with our third-party providers, to support mobile ordering, web ordering, and kiosks. As of the end of 2020, we have deployed this architecture in the U.S., Canada and the U.K., and we plan to deploy it to additional markets in the future.

During 2020, the use of our mobile apps and digital technologies expanded significantly and we were able to provide our guests added convenience by increasing the number of home market restaurants offering third party and white label delivery. Further, we are modernizing the drive-thru experience with the rollout of outdoor digital menu boards for all three brands in their home markets. We plan to leverage our technology capabilities to continue to expand the choices for how customers order, pay and receive their food.

Although many of our systems are provided through third parties, we have the ability to obtain transaction-level data from most of our franchised restaurants and from Company restaurants. This allows us to assess how our new and existing products are performing around the world. Additionally, we have been investing to upgrade our supply chain systems and improve efficiency. We expect to continue to invest in technology capabilities to support and drive our business.

Competition

Each of our brands competes in the U.S., Canada and internationally with many well-established food service companies on the basis of product choice, quality, affordability, service and location. With few barriers to entry to the restaurant industry, our competitors include a variety of independent local operators, in addition to well-capitalized regional, national and international restaurant chains and franchises, and new competitors may emerge at any time. We also compete for consumer dining dollars with national, regional and local (i) quick service restaurants that offer alternative menus, (ii) casual and "fast casual" restaurant chains (iii) convenience stores and grocery stores, and (iv) new concepts, such as virtual brands and dark kitchens. Furthermore, delivery aggregators and other food delivery services provide consumers with convenient access to a broad range of competing restaurant chains and food retailers, particularly in urban areas.

Government Regulations and Affairs

General. We and our franchisees are subject to various laws and regulations including (i) licensing and regulation relating to health, food preparation, sanitation and safety standards and, for our distribution business, traffic and transportation regulations; (ii) information security, privacy and consumer protection laws; and (iii) other laws regulating the design, accessibility and operation of facilities, such as the *Americans with Disabilities Act* of 1990, the *Accessibility for Ontarians with Disabilities Act* and similar Canadian federal and provincial legislation that can have a significant impact on our franchisees and our performance. These regulations include food safety regulations, including supervision by the U.S. Food and Drug Administration and its international equivalents, which govern the manufacture, labeling, packaging and safety of food. In addition, we are or may become subject to legislation or regulation seeking to tax and/or regulate high-fat, high-calorie and high-sodium foods, particularly in Canada, the U.S., the United Kingdom and Spain. Certain countries, provinces, states and municipalities have approved menu labeling legislation that requires restaurant chains to provide caloric information on menu boards, and menu labeling legislation has also been adopted on the U.S. federal level as well as in Ontario.

U.S. and Canada. Our restaurants must comply with licensing requirements and regulations by a number of governmental authorities, which include zoning, health, safety, sanitation, building and fire agencies in the jurisdiction in which the restaurant is located. We and our franchisees are also subject to various employment laws, including laws governing union organizing, working conditions, work authorization requirements, health insurance, overtime and wages. In addition, we and our U.S. franchisees are subject to the *Patient Protection and Affordable Care Act*.

We are subject to federal franchising laws adopted by the U.S. Federal Trade Commission (the "FTC") and state and provincial franchising laws. Much of the legislation and rules adopted have been aimed at providing detailed disclosure to a prospective franchisee, duties of good faith as between the franchisor and the franchisee, and/or periodic registration by the franchisor with applicable regulatory agencies. Additionally, some U.S. states have enacted or are considering enacting legislation that governs the termination or non-renewal of a franchise agreement and other aspects of the franchise relationship.

International. Internationally, we and our franchisees are subject to national and local laws and regulations that often are similar in nature to those affecting us and our franchisees in the U.S. and Canada. We and our franchisees are also subject to a variety of tariffs and regulations on imported commodities and equipment, and laws regulating foreign investment.

Environmental. Various laws concerning the handling, storage and disposal of hazardous materials and restaurant waste and the operation of restaurants in environmentally sensitive locations may impact aspects of our operations and the operations of our franchisees; however, we do not believe that compliance with applicable environmental regulations will have a material effect on our capital expenditures, financial condition, results of operations, or competitive position. Increased focus by U.S., Canadian and international governmental authorities on environmental matters is likely to lead to new governmental initiatives, particularly in the area of climate change. While we cannot predict the precise nature of these initiatives, we expect that they may impact our business both directly and indirectly. There is a possibility that government initiatives, or actual or perceived effect of changes in weather patterns, climate or water resources could have a direct impact on the operations of our brands in ways that we cannot predict at this time.

Sustainability

We are committed to the simple principle of doing what's right. Our "Restaurant Brands for Good" plan provides a framework for serving our guests the food and drinks they love while contributing to a sustainable future and having a positive social impact in the communities we serve. Our ongoing efforts will focus on three key pillars:

- Food - serving high quality and great tasting food every day with a focus on food safety, improving choice, nutrition, transparency, and ingredients;
- Planet - continuing to reduce our environmental footprint, with a focus on packaging and recycling, green buildings, and responsible sourcing; and
- People & Communities - supporting communities and enhancing livelihoods, with a focus on supporting communities, talent development, diversity and inclusion, ethics and human rights, and improving supplier livelihoods.

The sustainability section of our corporate website sets forth our initiatives with respect to these pillars and will be updated periodically.

Seasonal Operations

Our restaurant sales are typically higher in the spring and summer months when the weather is warmer and typically lowest during the winter months. Furthermore, adverse weather conditions can have material adverse effects on restaurant sales. The timing of holidays may also impact restaurant sales. Because our businesses are moderately seasonal, results for any one quarter are not necessarily indicative of the results that may be achieved for any other quarter or for the full fiscal year.

Human Capital

As of December 31, 2020, we had approximately 5,200 employees, including approximately 1,400 corporate employees in our restaurant support centers and serving our franchisees from the field, approximately 1,100 employees in our distribution centers and manufacturing facilities, and approximately 2,700 employees in Company restaurants. Our franchisees are independent business owners that separately employ more than 500,000 team members in their restaurants.

At RBI, we strive to create a workplace environment where our employees love coming to work each day; a place that is committed to inclusion, respect, accountability and doing what is right. While our board regularly receives updates from our People team, the compensation committee has oversight of our compensation program and the audit committee has been tasked with oversight of workforce management risks. Our People team is organized into four pillars that focus on attracting, retaining, developing and rewarding top talent.

The cycle starts with attracting talent from campus and professional sources, leveraging technology to identify and assess candidates who best fit our roles. As part of our hiring process, we committed in June 2020 that at least half of all final-round candidates interviewing for roles with our four RBI restaurant support centers will be from groups that are demonstrably diverse, including gender, race and sexual orientation, based on the composition and requirements of the applicable jurisdiction. Since our commitment, we have meaningfully exceeded that target, leading to an increase in diverse hires. In 2020, RBI hired approximately 330 new corporate employees, 3,600 new restaurant employees, and 380 new distribution and manufacturing employees. Our distribution team worked diligently to open three new or renovated facilities to serve Tim Hortons restaurants in 2020, contributing to the hiring increase amongst that population. Each population segment has a dedicated onboarding program designed to get employees up to speed quickly, and foster a smooth transition into the workplace.

The retention efforts focus on the work environment, employee engagement and our diversity and inclusion initiatives. We regularly conduct anonymous surveys to seek feedback from our restaurant support center employees on a variety of topics, including our sustainability and diversity initiatives, implicit bias training globally, how they are coping working from home during the COVID-19 pandemic, the support they receive from their managers, and what types of learning and development opportunities they would like to have offered. In 2019, we created a diversity and inclusion steering committee that is creating strategies for promoting diversity and inclusion. To ensure that the work of the Steering Committee is fully integrated, we have dedicated team members within the people and legal teams to implement initiatives in this space.

Developing talent includes evaluation, training, career planning and leadership development. We have a rigorous talent assessment process for restaurant support center employees built on specific competencies that we assess at both the employee and job level. This data allows us to more easily identify potential successors and illuminate potential opportunities for our employees in a more objective and unbiased way. Additionally, to help our employees and franchisee's team members succeed in their roles, we emphasize continuous training and development opportunities. These include, but are not limited to, safety and security protocols, updates on new products and service offerings and deployment of technologies. In 2020, we piloted a new coaching program for women in our restaurant support centers to be paired with senior leaders to work on goal setting and building paths to achieve those goals and we expect to continue these initiatives.

Our approach to rewarding talent is through a combination of compensation, recognition, wellness and benefits. We are committed to providing market-competitive pay and benefits, affirming our pay for performance philosophy while balancing retention risk. Restaurant support center and distribution employees are eligible for performance-based cash incentive programs. Each incentive

plan reinforces and rewards individuals for achievement of specific business goals. All employees are also able to access telemedicine with no copay, as well as a 24/7 Employee Assistance Program. For corporate office and field-based employees, we offer a leading parental leave policy.

Underpinning all of these initiatives is a strong reliance on data. We leverage a people analytics team and a newly implemented human capital management system to assess our achievements in each of our four pillars to identify areas for improvement. A team of experienced People Business Partners work closely with their client groups to provide counsel on people issues and help roll out people initiatives directly to employees.

While much of the work mentioned above relates to our corporate workforce, we also have adopted employee guidelines and policies applicable to our restaurant employees and encourage our franchisees to adopt similar guidelines and policies.

Item 1A. ***Risk Factors***

Risks Related to Our Business Operations

We face intense competition in our markets, which could negatively impact our business.

The restaurant industry is intensely competitive and we compete with many well-established food service companies on the basis of product choice, quality, affordability, service and location. With few barriers to entry, our competitors include a variety of independent local operators, in addition to well-capitalized regional, national and international restaurant chains and franchises, and new competitors, such as virtual brands and dark kitchens, may emerge at any time. Furthermore, delivery aggregators and food delivery services provide consumers with convenient access to a broad range of competing restaurant chains and food retailers, particularly in urbanized areas, and may form a closer relationship with our customers and increase costs. Each of our brands also competes for qualified franchisees, suitable restaurant locations and management and personnel.

Our ability to compete will depend on the success of our plans to effectively respond to consumer preferences, improve existing products, develop and roll-out new products, and manage the complexity of restaurant operations as well as the impact of our competitors' actions. In addition, our long-term success will depend on our ability to strengthen our customers' digital experience through mobile ordering, delivery, loyalty programs, and social interaction. Some of our competitors have substantially greater financial resources, higher revenues and greater economies of scale than we do. These advantages may allow them to implement their operational strategies more quickly or effectively than we can or benefit from changes in technologies, which could harm our competitive position. These competitive advantages may be exacerbated in a difficult economy, thereby permitting our competitors to gain market share. We may be unable to successfully respond to changing consumer preferences, including with respect to new technologies and alternative methods of delivery. In addition, online platforms and aggregators may direct potential customers to other options based on paid placements, online reviews or other factors. If we are unable to maintain our competitive position, we could experience lower demand for products, downward pressure on prices, reduced margins, an inability to take advantage of new business opportunities, a loss of market share, reduced franchisee profitability and an inability to attract qualified franchisees in the future.

Failure to preserve the value and relevance of our brands could negatively impact our financial results.

We depend in large part on the value of the TH, BK and PLK brands. To be successful in the future, we must preserve, enhance and leverage the value of our brands. Brand value is based in part on consumer tastes, preferences and perceptions on a variety of factors, including the nutritional content, methods of production and preparation of our products and our business practices, including with respect to animal welfare, sustainability and other environmental or social concerns. Consumer acceptance of our products may be influenced by or subject to change for a variety of reasons. For example, adverse publicity associated with nutritional, health and other scientific studies and conclusions, which constantly evolve and often have contradictory implications, may drive popular opinion against quick service restaurants in general, which may impact the demand for our products. Moreover, health campaigns against products we offer in favor of foods that are perceived as healthier may affect consumer perception of our product offerings and impact the value of our brands.

In addition, adverse publicity related to litigation, regulation (including initiatives intended to drive consumer behavior) or incidents involving us, our franchisees, competitors or suppliers may impact the value of our brands by discouraging customers from buying our products. Perceptions may also be affected by activist campaigns to promote adverse perceptions of the quick service restaurant industry or our brands and/or our operations, suppliers, franchisees or other partners such as campaigns aimed at sustainability or living-wage opinions. Consumer demand for our products and our brand equity could diminish if we, our employees or our franchisees or other business partners fail to preserve the quality of our products, act or are perceived to act as unethical, illegal, racially-biased or in a socially irresponsible manner, including with respect to the sourcing, content or sale of our products or the use of consumer data for general or direct marketing or other purposes, fail to comply with laws and regulations, publicly take controversial positions or actions or fail to deliver a consistently positive consumer experience in each of our markets. If we are unsuccessful in addressing consumer adverse perceptions, our brands and our financial results may suffer.

Economic conditions have and may continue to adversely affect consumer discretionary spending which could negatively impact our business and operating results.

We believe that our restaurant sales, guest traffic and profitability are strongly correlated to consumer discretionary spending, which is influenced by general economic conditions, unemployment levels, the availability of discretionary income and, ultimately, consumer confidence. For example, the COVID-19 pandemic has resulted in significant increases in unemployment and a reduction in discretionary spending. A protracted economic slowdown, increased unemployment and underemployment of our customer base, decreased salaries and wage rates, inflation, rising interest rates or other industry-wide cost pressures adversely affect consumer behavior by weakening consumer confidence and decreasing consumer spending for restaurant dining occasions. Governmental or other responses to economic challenges may be unable to restore or maintain consumer confidence. As a result of these factors, during

recessionary periods we and our franchisees may experience reduced sales and profitability, which may cause our business and operating results to suffer.

Our results can be adversely affected by unforeseen events, such as adverse weather conditions, natural disasters, terrorist attacks or threats, pandemics, such as the COVID-19 pandemic, or other catastrophic events.

Unforeseen events, such as adverse weather conditions, natural disasters or catastrophic events, can adversely impact restaurant sales. Natural disasters such as earthquakes, hurricanes, and severe adverse weather conditions and health pandemics whether occurring in Canada, the United States or abroad, can keep customers in the affected area from dining out, cause damage to or closure of restaurants and result in lost opportunities for our restaurants.

For example, measures implemented to reduce the spread of COVID-19 have adversely affected workforces, customers, consumer sentiment, economies and financial markets, and, along with decreased consumer spending, have led to an economic downturn in many of our markets. As a result of COVID-19, we and our franchisees have experienced significant store closures and instances of reduced store-level operations, including reduced operating hours and dining-room closures. While many markets have reopened for dine-in guests, the capacity may be limited, and local conditions may lead again to closures or increased limitations. As a result of COVID-19, restaurant traffic and system-wide sales have been significantly negatively impacted.

We cannot predict the duration or scope of the COVID-19 pandemic or when operations will cease to be affected by it. Furthermore, we cannot predict the effects that actual or threatened armed conflicts, terrorist attacks, efforts to combat terrorism, or heightened security requirements will have on our future operations. Because a significant portion of our restaurant operating costs are fixed or semi-fixed in nature, the loss of sales during these periods hurts our and our franchisees' operating margins and can result in restaurant operating losses and our loss of royalties. We expect the COVID-19 pandemic to continue to negatively impact our financial results and based on the duration and scope, such impact could be material.

Our results depend on effective marketing and advertising and the successful development and launch of new products.

Our revenues are heavily influenced by brand marketing and advertising and by our ability to develop and launch new and innovative products. Our marketing and advertising programs may not be successful, or we may fail to develop commercially successful new products, which may adversely affect our ability to attract new guests and retain existing guests, and could materially and adversely affect our results of operations. Moreover, because franchisees contribute to advertising funds based on a percentage of gross sales at their franchise restaurants, advertising fund expenditures are dependent upon sales volumes at system-wide restaurants. If system-wide sales decline, the amount available for our marketing and advertising programs will be reduced. Also, to the extent that we use value offerings in our marketing and advertising programs to drive traffic, the low price offerings may condition our guests to resist higher prices in a more favorable economic environment.

In addition, we continue to focus on transforming the restaurant experience through technology and digital engagement to improve our service model and strengthen relationships with customers, digital channels, loyalty initiatives, mobile ordering and payment systems and delivery initiatives. These initiatives may not have the anticipated impact on our franchise sales and therefore we may not fully realize the intended benefits of these significant investments.

The global scope of our business subjects us to risks and costs and may cause our profitability to decline.

Our global operations expose us to risks in managing the differing cultural, regulatory, geopolitical and economic environments in the countries where our restaurants operate. These risks, which can vary substantially by market and may increase in importance as our franchisees expand operations in international markets, are described in many of the risk factors discussed in this section and include the following:

- governmental laws, regulations and policies adopted to manage national economic conditions, such as increases in taxes, austerity measures that impact consumer spending, monetary policies that may impact inflation rates and currency fluctuations;
- the imposition of import restrictions or controls;
- the effects of legal and regulatory changes and the burdens and costs of our compliance with a variety of foreign laws;
- changes in the laws and policies that govern foreign investment and trade in the countries in which we operate;
- compliance with U.S., Canadian and other anti-corruption and anti-bribery laws, including compliance by our employees, contractors, licensees or agents and those of our strategic partners and joint ventures;
- risks and costs associated with political and economic instability, corruption, anti-American or anti-Canadian sentiment and social and ethnic unrest in the countries in which we operate;

- the risks of operating in developing or emerging markets in which there are significant uncertainties regarding the interpretation, application and enforceability of laws and regulations and the enforceability of contract rights and intellectual property rights;
- risks arising from the significant and rapid fluctuations in currency exchange markets and the decisions and positions that we take to hedge such volatility;
- changing labor conditions and difficulties experienced by our franchisees in staffing their international operations;
- the impact of labor costs on our franchisees' margins given their labor-intensive business model and the long-term trend toward higher wages in both mature and developing markets and the potential impact of union organizing efforts on day-to-day operations of our franchisees' restaurants; and
- the effects of increases in the taxes we pay and other changes in applicable tax laws.

Our operations are subject to fluctuations in foreign currency exchange and interest rates.

We report our results in U.S. dollars, which is our reporting currency. The operations of TH, BK, and PLK that are denominated in currencies other than the U.S. dollar are translated to U.S. dollars for our financial reporting purposes and are therefore impacted by fluctuations in currency exchange rates and changes in currency regulations. In addition, fluctuations in interest rates may affect our business. Although we attempt to minimize these risks through geographic diversification and the utilization of derivative financial instruments, our risk management strategies may not be effective and our results of operations could be adversely affected.

Increases in food and commodity costs or shortages or interruptions in the supply or delivery of our food could harm our operating results and the results of our franchisees.

Our profitability and the profitability of our franchisees will depend in part on our ability to anticipate and react to changes in food and commodity and supply costs. With respect to our TH business, volatility in connection with certain key commodities that we purchase in the ordinary course of business can impact our revenues, costs and margins. If commodity prices rise, franchisees may experience reduced sales due to decreased consumer demand at retail prices that have been raised to offset increased commodity prices, which may reduce franchisee profitability. In addition, the markets for beef and chicken are subject to significant price fluctuations due to seasonal shifts, climate conditions, the cost of grain, disease, industry demand, international commodity markets, food safety concerns, product recalls, government regulation and other factors, all of which are beyond our control and, in many instances unpredictable. Such increases in commodity costs may materially and adversely affect our business and operating results.

We and our franchisees are dependent on frequent deliveries of fresh food products that meet our specifications. Shortages or interruptions in the supply of fresh food products caused by unanticipated demand, natural disasters or unforeseen events, such as the COVID-19 pandemic, problems in production or distribution, inclement weather, delays or restrictions on shipping and/or manufacturing, closures of supplier or distributor facilities or financial distress or insolvency of suppliers or distributors or other conditions could adversely affect the availability, quality and cost of ingredients, which would adversely affect our operating results. As of December 31, 2020, we have only a few distributors that service the most of our BK and PLK operations in the U.S., and our operations could be adversely affected if any of these distributors were unable to fulfill their responsibilities and we were unable to locate a substitute distributor in a timely manner.

Our supply chain operations subject us to additional risks and may cause our profitability to decline.

We operate a vertically integrated supply chain for our TH business in which we manufacture, warehouse, and distribute certain food and restaurant supplies to TH restaurants. Risks associated with this vertical integration growth strategy include:

- delays and/or difficulties associated with, or liabilities arising from, owning a manufacturing, warehouse and distribution business;
- maintenance, operations and/or management of the facilities, equipment, employees and inventories;
- limitations on the flexibility of controlling capital expenditures and overhead;
- the need for skills and techniques that are outside our traditional core expertise;
- increased transportation, shipping, food and other supply costs;
- inclement weather or extreme weather events;
- shortages or interruptions in the availability or supply of high-quality coffee beans, perishable food products and/or their ingredients;
- variations in the quality of food and beverage products and/or their ingredients; and
- political, physical, environmental, labor, or technological disruptions in our or our suppliers' manufacturing and/or warehousing plants, facilities, or equipment.

If we do not adequately address the challenges related to these vertically integrated operations or the overall level of utilization or production decreases for any reason, our results of operations and financial condition may be adversely impacted. Decreased sales from the COVID-19 pandemic may continue to affect supply chain revenue and profitability. Moreover, interruptions in the availability and delivery of food, beverages and other supplies to our restaurants arising from shortages or greater than expected demand, may increase costs or reduce revenues. As of December 31, 2020, we have only one or a few suppliers to service each category of products sold at our TH restaurants, and the loss of any one of these suppliers would likely adversely affect our business.

We and our franchisees may be unable to secure desirable restaurant locations to maintain and effectively grow our restaurant portfolios.

The success of any restaurant depends in substantial part on its location. The current locations of our restaurants may not continue to be attractive as demographic patterns change. Neighborhood or economic conditions where restaurants are located could decline in the future, thus resulting in potentially reduced sales in those locations. Competition for restaurant locations can also be intense and there may be delay or cancellation of new site developments by developers and landlords, which may be exacerbated by factors related to the commercial real estate or credit markets. If franchisees cannot obtain desirable locations for their restaurants at reasonable prices due to, among other things, higher than anticipated acquisition, construction and/or development costs of new restaurants, difficulty negotiating leases with acceptable terms, onerous land use or zoning restrictions, or challenges in securing required governmental permits, then their ability to execute their respective growth strategies may be adversely affected.

The market for retail real estate is highly competitive. Based on their size advantage and/or their greater financial resources, some of our competitors may have the ability to negotiate more favorable lease terms than we can and some landlords and developers may offer priority or grant exclusivity to some of our competitors for desirable locations. As a result, we or our franchisees may not be able to obtain new leases or renew existing leases on acceptable terms, if at all, which could adversely affect our sales and brand-building initiatives.

Our ownership and leasing of significant amounts of real estate exposes us to possible liabilities, losses, and risks.

Many of our Company and franchised restaurants are located on leased premises. As leases underlying these restaurants expire, we or our franchisees may be unable to negotiate a new lease or lease extension, either on commercially acceptable terms or at all, which could cause us or our franchisees to close restaurants in desirable locations. As a result, our revenues and our brand-building initiatives could be adversely affected. In general, we cannot cancel existing leases; therefore, if an existing or future restaurant is not profitable, and we decide to close it, we may still be committed to perform under the applicable lease. In addition, the value of our owned real estate assets could decrease, and/or our costs could increase, because of changes in the investment climate for real estate, demographic trends, demand for restaurant sites and other retail properties, and exposure to or liability associated with environmental contamination and reclamation.

Typically, the costs of insurance, taxes, maintenance, utilities, and other property-related costs due under a prime lease with a third-party landlord are passed through to the franchisee under our sublease. If a franchisee fails to perform the obligations passed through under the sublease, we will be required to perform these obligations resulting in an increase in our leasing and operational costs and expenses. In addition, the rent a franchisee pays us under the sublease may be based on a percentage of gross sales. If gross sales at a certain restaurant are less than we project we may pay more rent to a third-party landlord under the prime lease than we receive from the franchisee under the sublease. These events could result in increased leasing and operational costs to us.

Food safety concerns and concerns about the health risk of fast food may have an adverse effect on our business.

Food safety is a top priority for us and we dedicate substantial resources to ensure that our customers enjoy safe, high-quality food products. However, food-borne illnesses and other food safety issues have occurred in the food industry in the past and could occur in the future. Also, our reliance on third-party food suppliers, distributors and food delivery aggregators increases the risk that food-borne illness incidents could be caused by factors outside of our control and that multiple locations would be affected rather than a single restaurant. Any report or publicity, including through social media, linking us or one of our franchisees or suppliers to instances of food-borne illness or other food safety issues, including food tampering, adulteration or contamination, could adversely affect our brands and reputation as well as our sales and profits. Such occurrence at restaurants of competitors could adversely affect sales as a result of negative publicity about the industry generally. The occurrence of food-borne illnesses or food safety issues could also adversely affect the price and availability of affected ingredients, which could result in disruptions in our supply chain, significantly increase costs and/or lower margins for us and our franchisees.

Some of our products contain caffeine, dairy products, fats, sugar and other compounds and allergens, the health effects of which are the subject of public scrutiny, including suggesting that excessive consumption of caffeine, beef, sugar and other compounds can lead to a variety of adverse health effects. An unfavorable report on the health effects of caffeine or other compounds present in our products, or negative publicity or litigation arising from other health risks such as obesity, could significantly reduce the

demand for our beverages and food products. A decrease in customer traffic as a result of these health concerns or negative publicity could materially and adversely affect our brands and our business.

If we are unable to adequately protect our intellectual property, the value of our brands and our business may be harmed.

Our brands, which represent approximately 45% of the total assets on our balance sheet as of December 31, 2020, are very important to our success and our competitive position. We rely on a combination of trademarks, copyrights, service marks, trade secrets, patents, industrial designs, and other intellectual property rights to protect our brands and the respective branded products. While we have registered certain trademarks in Canada, the U.S. and foreign jurisdictions, not all of the trademarks that our brands currently use have been registered in all of the countries in which we do business, and they may never be registered in all of these countries. We may not be able to adequately protect our trademarks, and our use of these trademarks may result in liability for trademark infringement, trademark dilution or unfair competition. The steps we have taken to protect our intellectual property in Canada, the U.S. and in foreign countries may not be adequate and we may, from time to time, be required to institute litigation to enforce our trademarks or other intellectual property rights or to protect our trade secrets. Further, third parties may assert or prosecute infringement claims against us. In these cases, our proprietary rights could be challenged, circumvented, infringed or invalidated. Any such litigation could result in substantial costs and diversion of resources and could negatively affect our revenue, profitability and prospects regardless of whether we are able to successfully enforce our rights. In addition, the laws of some foreign countries do not protect intellectual property rights to the same extent as the laws of Canada and the U.S.

Changes in regulations may adversely affect restaurant operations and our financial results.

Our restaurants are subject to licensing and regulation by health, sanitation, safety and other agencies in the state, province and/or municipality in which the restaurant is located. Federal, state, provincial and local government authorities have enacted and may enact laws, rules or regulations that impact restaurant operations and may increase the cost of doing business. In developing markets, we face the risks associated with new and untested laws and judicial systems. If we fail to comply with existing or future laws, we may be subject to governmental fines and sanctions.

We are subject to various provincial, state and foreign laws that govern the offer and sale of a franchise, including in the U.S., to an FTC rule. Various provincial, state and foreign laws regulate certain aspects of the franchise relationship, including terminations and the refusal to renew franchises. The failure to comply with these laws and regulations in any jurisdiction or to obtain required government approvals could result in a ban or temporary suspension on future franchise sales, fines and penalties or require us to make offers of rescission or restitution, any of which could adversely affect our business and operating results. We could also face lawsuits by franchisees based upon alleged violations of these laws.

Additionally, we, our franchisees and our supply chain are subject to risks and costs arising from the effects of climate change, greenhouse gases, and diminishing energy and water resources. These risks include the increased public focus, including by governmental and nongovernmental organizations, on these and other environmental sustainability matters, such as packaging and waste, animal health and welfare, deforestation and land use. Also, we face increased pressure to make commitments, set targets or establish additional goals and take actions to meet them which could expose us to market, operational and execution costs or risks. If we are unable to effectively manage the risks associated with our complex regulatory environment, it could have a material adverse effect on our business and financial condition.

We outsource certain aspects of our business to third-party vendors which subjects us to risks, including disruptions in our business and increased costs.

We have outsourced certain administrative functions for our business, certain information technology support services and benefit plan administration to third-party service providers. In the future, we may outsource other functions to achieve cost savings and efficiencies. If the service providers to which we outsource these functions do not perform effectively, we may not be able to achieve the expected cost savings and may have to incur additional costs in connection with such failure to perform. Depending on the function involved, such failures may also lead to business disruption, transaction errors, processing inefficiencies, the loss of sales and customers, the loss of or damage to intellectual property through security breach, and the loss of sensitive data through security breach or otherwise. Any such damage or interruption could have a material adverse effect on our business, cause us to face significant fines, customer notice obligations or costly litigation, harm our reputation with our customers or prevent us from paying our collective suppliers or employees or receiving payments on a timely basis.

Risks Related to Our Fully Franchised Business Model

Our fully franchised business model presents a number of disadvantages and risks.

Substantially all of our restaurants are owned and operated by franchisees. Under our fully franchised business model, our future prospects depend on (i) our ability to attract new franchisees for each of our brands that meet our criteria and (ii) the willingness and ability of franchisees to open restaurants in existing and new markets. We may be unable to identify franchisees who meet our criteria, or if we identify such franchisees, they may not successfully implement their expansion plans.

Our fully franchised business model presents a number of other drawbacks, such as limited influence over franchisees, limited ability to facilitate changes in restaurant ownership, limitations on enforcement of franchise obligations due to bankruptcy or insolvency proceedings and reliance on franchisees to participate in our strategic initiatives. While we can mandate certain strategic initiatives through enforcement of our franchise agreements, we will need the active support of our franchisees if the implementation of these initiatives is to be successful. The failure of these franchisees to support our marketing programs and strategic initiatives could adversely affect our ability to implement our business strategy and could materially harm our business, results of operations and financial condition. On occasion we have encountered, and may in the future encounter, challenges in receiving specific financial and operational results from our franchisees in a consistent and timely manner, which can negatively impact our business and operating results.

Our principal competitors that have a significantly higher percentage of company-operated restaurants than we do may have greater influence over their respective restaurant systems and greater ability to implement operational initiatives and business strategies, including their marketing and advertising programs.

The ability of our franchisees and prospective franchisees to obtain financing for development of new restaurants or reinvestment in existing restaurants depends in part upon financial and economic conditions which are beyond their control. If our franchisees are unable to obtain financing on acceptable terms to develop new restaurants or reinvest in existing restaurants, our business and financial results could be adversely affected.

Our franchisees are also dependent upon their ability to attract and retain qualified employees in an intensely competitive employee market. The inability of our franchisees to recruit and retain qualified individuals or increased costs to do so, including due to increases in legally required wages, may delay the planned openings of new restaurants by our franchisees and could adversely impact existing franchise restaurants and franchisee profitability, which could slow our growth. In addition, the risk or perceived risk of contracting COVID-19 could adversely affect the ability, or the cost, of staffing restaurants, which could be exacerbated to the extent that we or our franchisees have employees who test positive for the virus. Moreover, we may also face liability for employment-related claims of our franchisees' employees based on theories of joint employer liability with our franchisees or other theories of vicarious liability, which could materially harm our results of operations and financial condition.

Our results are closely tied to the success of independent franchisees, and we have limited influence over their operations.

We generate revenues in the form of royalties, fees and other amounts from our franchisees. As a result, our operating results are closely tied to the success of our franchisees. However, our franchisees are independent operators and we cannot control many factors that impact the profitability of their restaurants. The impact of COVID-19 has, and is expected to continue to have, an adverse effect on our franchisees' liquidity. As a result, we provided, where appropriate, cash flow support to franchisees in the U.S. and Canada by extending loans, advancing cash payments and providing rent relief where we have property control, some of which is continuing in 2021. These actions have and may continue to adversely affect our cash flow and financial results. In addition to these actions, we may decide to take additional steps to assist in the financial stabilization of our franchisees, which could impact our liquidity and our financial results. In addition, we delayed certain capital expenditure obligations of our franchisees relating to new restaurants, remodels and significant equipment deployments, which could adversely affect our growth once the COVID-19 pandemic has passed.

If sales trends or economic conditions worsen for franchisees, their financial results may deteriorate, which could result in, among other things, restaurant closures; delayed or reduced payments to us of royalties, advertising contributions, rents and, delayed or reduced payments for TH products and supplies; and an inability for such franchisees to obtain financing to fund development, restaurant remodels or equipment initiatives on acceptable terms or at all. Also, franchisees may not be willing or able to renew their franchise agreements with us due to low sales volumes, high real estate costs, or the failure to secure lease renewals. If our franchisees fail to renew their franchise agreements, our royalty revenues may decrease which in turn could materially and adversely affect our business and operating results.

Franchisees and sub-franchisees may not successfully operate restaurants in a manner consistent with our established procedures, standards and requirements or standards set by applicable law, including sanitation and pest control standards. Any operational shortcoming of a franchise or sub-franchise restaurant is likely to be attributed by guests to the entire brand and may be

shared widely through social media, thus damaging the brand's reputation and potentially affecting our revenues and profitability. We may not be able to identify problems and take effective action quickly enough and, as a result, our image and reputation may suffer, and our franchise revenues and results of operations could decline.

Our future growth and profitability will depend on our ability to successfully accelerate international development with strategic partners and joint ventures.

We believe that the future growth and profitability of each of our brands will depend on our ability to successfully accelerate international development with strategic partners and joint ventures in new and existing international markets. New markets may have different competitive conditions, consumer tastes and discretionary spending patterns than our existing markets. As a result, new restaurants in those markets may have lower average restaurant sales than restaurants in existing markets and may take longer than expected to reach target sales and profit levels (or may never do so). We will need to build brand awareness in those new markets we enter through advertising and promotional activity, and those activities may not promote our brands as effectively as intended, if at all.

We have adopted a master franchise development model for all of our brands, which in markets with strong growth potential may include participating in strategic joint ventures, to accelerate international growth. These new arrangements may give our joint venture and/or master franchise partners the exclusive right to develop and manage our restaurants in a specific country or countries, including, in some cases, the right to sub-franchise. A joint venture partnership involves special risks, including the following: our joint venture partners may have economic, business or legal interests or goals that are inconsistent with those of the joint venture or us, or our joint venture partners may be unable to meet their economic or other obligations and we may be required to fulfill those obligations alone. Our master franchise arrangements present similar risks and uncertainties. We cannot control the actions of our joint venture partners or master franchisees, including any nonperformance, default or bankruptcy of joint venture partners or master franchisees. While sub-franchisees are required to operate their restaurants in accordance with specified operations, safety and health standards, we are not party to the agreements with the sub-franchisees and are dependent upon our master franchisees to enforce these standards with respect to sub-franchised restaurants. As a result, the ultimate success and quality of any sub-franchised restaurant rests with the master franchisee and the sub-franchisee. In addition, the termination of an arrangement with a master franchisee or a lack of expansion by certain master franchisees has and may in the future result in the delay or discontinuation of the development of franchise restaurants, or an interruption in the operation of our brand in a particular market or markets. We may not be able to find another operator to resume development activities in such market or markets. Any such delay, discontinuation or interruption could materially and adversely affect our business and operating results.

Risks Related to our Indebtedness

Our substantial leverage and obligations to service our debt could adversely affect our business.

As of December 31, 2020, we had aggregate outstanding indebtedness of $12,631 million, including senior secured term loan facilities in an aggregate principal amount of $6,028 million, senior secured first lien notes in an aggregate principal amount of $2,775 million and senior secured second lien notes in an aggregate principal amount of $3,650 million. Subject to restrictions set forth in these instruments, we may also incur significant additional indebtedness in the future, some of which may be secured debt. This may have the effect of increasing our total leverage.

Our substantial leverage could have important potential consequences, including, but not limited to:

- increasing our vulnerability to, and reducing our flexibility to respond to, changes in our business and general adverse economic and industry conditions;
- requiring the dedication of a substantial portion of our cash flow from operations to our debt service, thereby reducing the availability of such cash flow to fund working capital, capital expenditures, acquisitions, joint ventures, product research, dividends, share repurchases or other corporate purposes;
- increasing our vulnerability to a downgrade of our credit rating, which could adversely affect our cost of funds, liquidity and access to capital markets;
- placing us at a competitive disadvantage as compared to certain of our competitors who are not as highly leveraged;
- restricting us from making strategic acquisitions or causing us to make non-strategic divestitures;
- exposing us to the risk of increased interest rates as borrowings under our credit facilities are subject to variable rates of interest;
- the discontinuation of the London Interbank Offered Rate ("LIBOR") after June 2023 and the replacement with an alternative reference rate may adversely impact interest rates and our interest rate hedging strategy;
- making it more difficult for us to repay, refinance or satisfy our obligations with respect to our debt;
- limiting our ability to borrow additional funds in the future and increasing the cost of any such borrowing; and

- exposing us to risks related to fluctuations in foreign currency as we earn profits in a variety of currencies around the world and substantially all of our debt is denominated in U.S. dollars.

If we are unable to generate sufficient cash flow to pay indebtedness and other funding needs or refinance our indebtedness on favorable terms, or at all, our financial condition may be materially adversely affected.

Our indebtedness limits our ability to take certain actions and could delay or prevent a future change of control.

The terms of our indebtedness include a number of restrictive covenants that, among other things, limit our ability to incur additional indebtedness or guarantee or prepay indebtedness; pay dividends on, repurchase or make distributions in respect of capital stock; make investments or acquisitions; create liens or use assets as security in other transactions; consolidate, merge, sell or otherwise dispose of substantially all of our or our subsidiaries' assets; make intercompany transactions; and enter into transactions with affiliates. These limitations may hinder our ability to finance future operations and capital needs and our ability to pursue business opportunities and activities that may be in our interest. In addition, our ability to comply with these covenants and restrictions may be affected by events beyond our control.

A breach of the covenants under our indebtedness could result in an event of default under the applicable agreement allowing the debt holders to accelerate repayment of such debt as well as any other debt to which a cross-acceleration or cross-default provision applies. In addition, default under our senior secured credit facilities would also permit the lenders thereunder to terminate all other commitments to extend additional credit thereunder, including under the revolver. Similarly, in the event of a change of control, pursuant to the terms of our indebtedness, we may be required to repay our credit facilities, or offer to repurchase the senior secured first lien and second lien notes as well as future indebtedness. Such current and future terms could have the effect of delaying or preventing a future change of control or may discourage a potential acquirer from proposing or completing a transaction that may otherwise have presented a premium to our shareholders.

Following the occurrence of either an event of default or change of control, we may not have sufficient resources to repurchase, repay or redeem our obligations, as applicable, and we may not be able to obtain additional financing to satisfy these obligations on terms favorable to us or at all. Also, if we were unable to repay the amounts due under our secured indebtedness, the holders of such indebtedness could proceed against the collateral that secures such indebtedness. In the event our creditors accelerate the repayment of our secured indebtedness, we and our subsidiaries may not have sufficient assets to repay that indebtedness.

Risks Related to Taxation

Unanticipated tax liabilities could adversely affect the taxes we pay and our profitability.

We are subject to income and other taxes in Canada, the United States, and numerous foreign jurisdictions. A taxation authority may disagree with certain of our views, including, for example, the allocation of profits by tax jurisdiction, and the deductibility of our interest expense, and may take the position that material income tax liabilities, interest, penalties, or other amounts are payable by us, in which case, we expect to contest such assessment. Contesting such an assessment may be lengthy and costly and if we were unsuccessful, the implications could be materially adverse to us and affect our effective income tax rate or operating income.

From time to time, we are subject to additional state and local income tax audits, international income tax audits and sales, franchise and value-added tax audits. Although we believe our tax estimates are reasonable, the final determination of tax audits and any related litigation could be materially different from our historical income tax provisions and accruals. There can be no assurance that the Canada Revenue Agency (the "CRA"), the U.S. Internal Revenue Service (the "IRS") and/or foreign tax authorities will agree with our interpretation of the tax aspects of reorganizations, initiatives, transactions, or any related matters associated therewith that we have undertaken.

The results of a tax audit or related litigation could result in us not being in a position to take advantage of the effective income tax rates and the level of benefits that we anticipated to achieve as a result of corporate reorganizations, initiatives and transactions, and the implications could have a material adverse effect on our effective income tax rate, income tax provision, net income (loss) or cash flows in the period or periods for which that determination is made.

The Company and Partnership may be treated as U.S. corporations for U.S. federal income tax purposes, which could subject us and Partnership to substantial additional U.S. taxes.

As Canadian entities, the Company and Partnership generally would be classified as foreign entities (and, therefore, non-U.S. tax residents) under general rules of U.S. federal income taxation. Section 7874 of the Code, however, contains rules that result in a non-U.S. corporation being taxed as a U.S. corporation for U.S. federal income tax purposes, unless certain tests, applied at the time of

the acquisition, regarding ownership of such entities (as relevant here, ownership by former Burger King shareholders) or level of business activities (as relevant here, business activities in Canada by us and our affiliates, including Partnership), were satisfied at such time. The U.S. Treasury Regulations apply these same rules to non-U.S. publicly traded partnerships, such as Partnership. These statutory and regulatory rules are relatively new, their application is complex and there is little guidance regarding their application.

If it were determined that we and/or Partnership should be taxed as U.S. corporations for U.S. federal income tax purposes, we and Partnership could be liable for substantial additional U.S. federal income tax. For Canadian tax purposes, we and Partnership are expected, regardless of any application of Section 7874 of the Code, to be treated as a Canadian resident company and partnership, respectively. Consequently, if we and/or Partnership did not satisfy either of the applicable tests, we might be liable for both Canadian and U.S. taxes, which could have a material adverse effect on our financial condition and results of operations.

Future changes to U.S. and non-U.S. tax laws including future regulations and other interpretive guidance of U.S. and Non-U.S. tax laws could materially affect RBI and/or Partnership, including their status as foreign entities for U.S. federal income tax purposes, and adversely affect their anticipated financial positions and results.

Changes to the rules in sections 385 and 7874 of the Code or the Treasury Regulations promulgated thereunder, or other changes in law, could adversely affect our and/or Partnership's status as a non-U.S. entity for U.S. federal income tax purposes, our effective income tax rate or future planning based on current law, and any such changes could have prospective or retroactive application to us and/or Partnership. It is presently uncertain whether any such legislative proposals will be enacted into law and, if so, what impact such legislation would have on us. The timing and substance of any such further action is presently uncertain. Any such change of law or regulatory action which could apply retroactively or prospectively, could adversely impact our tax position as well as our financial position and results in a material manner. The precise scope and application of any such regulatory proposals will not be clear until proposed Treasury Regulations are issued, and, accordingly, until such regulations are promulgated and fully understood, we cannot be certain that there will be no such impact. In addition, we would be impacted by any changes in tax law in response to corporate tax reforms and other policy initiatives in the U.S. and elsewhere.

Moreover, the U.S. Congress, the Organization for Economic Co-operation and Development ("OECD") and other government agencies in jurisdictions where the Company and its affiliates do business have had an extended focus on issues related to the taxation of multinational corporations. Specific attention has been paid to "base erosion and profit shifting" ("BEPS"), where payments are made between affiliates from a jurisdiction with high tax rates to a jurisdiction with lower tax rates. As a result, the tax laws in the countries in which we do business could change on a prospective or retroactive basis, and any such change could adversely affect us.

On December 22, 2017, the U.S. government enacted comprehensive tax legislation commonly referred to as the Tax Cuts and Jobs Act (the "Tax Act"). The provisions of the Tax Act are complex and continue to be the subject of further regulatory and administrative guidance, which may adversely affect our effective tax rate and results of operations. Additionally, other jurisdictions have and are considering various tax reform initiatives as well as initiatives related to COVID-19 that may adversely impact us if enacted.

Risks related to Information Technology

The personal information that we collect may be vulnerable to breach, theft, or loss that could adversely affect our reputation, results of operations, and financial condition.

In the ordinary course of our business, we collect, process, transmit, and retain personal information regarding our employees and their families, our franchisees, vendors, contractors, and consumers, which can include social security numbers, social insurance numbers, banking and tax identification information, health care information, and credit card information and our franchisees collect similar information. For example, in 2019 and 2020, we expanded our development and management of our brands' mobile apps, online ordering platforms, and in-restaurant kiosks. While our deployment of such technology facilitates our primary goals of generating both incremental sales at our franchisees' restaurants as well as additional customer awareness and interest in our brands, such deployment also means that we are collecting and responsible for additional personal information about our customers. Canadian privacy officials are investigating the use of certain geolocation data for TH mobile app users and we have been served with several purported class action lawsuits in Canada alleging we violated mobile app users' privacy rights. While we are fully cooperating with the investigation and vigorously defending the lawsuits, negative publicity regarding these matters could adversely affect our reputation and our brands. Some of this personal information is also held and managed by our franchisees and certain of our vendors. A third-party may be able to circumvent the security and business controls we and/or our vendors use to limit access and use of personal information, which could result in a breach of employee, consumer, or franchisee privacy.

A major breach, theft, or loss of the personal information described above that is held by us or our vendors could adversely affect our reputation and restaurant operations as well as result in substantial fines, penalties, indemnification claims, and potential litigation against us which could negatively impact our results of operations and financial condition. For example, under the European

Union's General Data Protection Regulation ("GDPR"), companies must meet certain requirements regarding the handling of personal data or face penalties of up to 4% of worldwide revenue. Furthermore, the collection and safeguarding of personal information has increasingly attracted enhanced scrutiny from the general public in the United States and Canada, which has resulted in additional actual and proposed legislative and regulatory rules at the federal, provincial and state levels (e.g., the California Consumer Privacy Act of 2018, California's Proposition 24 of 2020, and Canada's Bill C-11). These regulations have been subject to frequent change, and there may be other jurisdictions that propose or enact new or emerging data privacy requirements in the future. As a result of such legislative and regulatory rules, we may be required to notify the owners of the personal information of any data breaches, which could harm our reputation and financial results, as well as subject us to litigation or actions by regulatory authorities. Furthermore, media or other reports of existing or perceived security vulnerabilities in our systems or those of our franchisees or vendors, or misuse of personal data, even if no breach has been attempted or has occurred, has and in the future may lead to investigations and litigation and may adversely impact our brand, reputation, and business.

Significant capital investments and other expenditures could be required to remedy a breach and prevent future problems, including costs associated with additional security technologies, personnel, experts, and credit monitoring services for those whose data has been breached. These costs, which could be material, could adversely impact our results of operations during the period in which they are incurred. The techniques and sophistication used to conduct cyber-attacks and breaches, as well as the sources and targets of these attacks, change frequently and are often not recognized until such attacks are launched or have been in place for a period of time. Accordingly, our expenditures to prevent future cyber-attacks or breaches may not be successful.

Information technology system failures or interruptions or breaches of our network security may interrupt our operations, cause reputational harm, subject us to increased operating costs and expose us to litigation.

We rely heavily on our computer systems and network infrastructure across operations including, but not limited to, point-of-sale processing at our restaurants, as well as the systems of our third-party vendors to whom we outsource certain administrative functions. Despite our implementation of security measures, all of our technology systems are vulnerable to damage, disruption or failures due to physical theft, fire, power loss, telecommunications failure, or other catastrophic events, as well as from problems with transitioning to upgraded or replacement systems, internal and external security breaches, denial of service attacks, viruses, worms, and other disruptive problems caused by hackers. If any of our technology systems were to fail and we were unable to recover in a timely way, we could experience an interruption in our operations. Furthermore, if unauthorized access to or use of our systems were to occur, data related to our proprietary information could be compromised. The occurrence of any of these incidents could have a material adverse effect on our future financial condition and results of operations. To the extent that some of our worldwide reporting systems require or rely on manual processes, it could increase the risk of a breach due to human error.

Further, the standards for systems currently used for transmission and approval of electronic payment transactions, and the technology utilized in electronic payment themselves, all of which can put electronic payment data at risk, are determined and controlled by the payment card industry, not by us. If someone is able to circumvent our data security measures or those of third parties with whom we do business, including our franchisees, he or she could destroy or steal valuable information or disrupt our operations. Any security breach could expose us to risks of data loss, litigation, liability, and could seriously disrupt our operations. Any resulting negative publicity could significantly harm our reputation and could materially and adversely affect our business and operating results.

Finally, we have expended and may need to continue to expend substantial financial and managerial resources to enhance our existing restaurant management systems, financial and management controls, information systems and personnel to accurately capture and reflect the financial and operational activities at our franchise restaurants. On occasion we have encountered, and may in the future encounter, challenges in receiving these results from our franchisees in a consistent and timely manner as a number of our systems and processes are not fully integrated worldwide. To the extent that we are not able to obtain transparency into our operations from our systems and manual estimations and effectively manage the information demands associated with significant growth, it could impair the ability of our management to react quickly to changes in the business or economic environment and our business and operating results could be negatively impacted.

Risks Related to our Common Shares

3G RBH owns approximately 31% of the combined voting power in the Company, and its interests may conflict with or differ from the interests of the other shareholders.

3G Restaurant Brands Holdings LP ("3G RBH") currently owns approximately 31% of the combined voting power in the Company. So long as 3G RBH continues to directly or indirectly own a significant amount of the voting power, it will continue to be able to strongly influence or effectively control business decisions of the Company. 3G RBH and its principals may have interests that are different from those of the Company's other shareholders, and 3G RBH may exercise its voting and other rights in a manner that may be adverse to the interests of such shareholders. In addition, this concentration of ownership could have the effect of delaying or

preventing a change in control or otherwise discouraging a potential acquirer from attempting to obtain control of the Company, which could cause the market price of the Company's common shares to decline or prevent the Company's shareholders from realizing a premium over the market price for their common shares or Partnership exchangeable units.

3G RBH is affiliated with 3G Capital Partners, Ltd. a global investment firm ("3G Capital"). 3G Capital is in the business of making investments in companies and may from time to time in the future pursue opportunities, acquire or develop controlling interests in businesses engaged in the QSR industry that complement or directly or indirectly compete with certain portions of our business. As a result, those acquisition opportunities may not be available to us.

Canadian laws may have the effect of delaying or preventing a change in control.

We are a Canadian entity. *The Investment Canada Act* requires that a "non-Canadian," as defined therein, file an application for review with the Minister responsible for the *Investment Canada Act* and obtain approval of the Minister prior to acquiring control of a Canadian business, where prescribed financial thresholds are exceeded. This may discourage a potential acquirer from proposing or completing a transaction that may otherwise present a premium to shareholders.

General Risks

The loss of key management personnel or our inability to attract and retain new qualified personnel could hurt our business.

We are dependent on the efforts and abilities of our senior management, including the executives managing each of our brands, and our success will also depend on our ability to attract and retain additional qualified employees. Failure to attract personnel sufficiently qualified to execute our strategy, or to retain existing key personnel, could have a material adverse effect on our business.

We have been, and in the future may be, subject to litigation that could have an adverse effect on our business.

We may from time to time, in the ordinary course of business, be subject to litigation relating to matters including, but not limited to, disputes with franchisees, suppliers, employees, team members, and customers, as well as disputes over our advertising claims about our food and over our intellectual property. For example, there have been multiple purported class action lawsuits filed against us regarding the no-poaching provision our franchise agreements for BK in the U.S. and TH in Canada, regarding certain purported privacy-related concerns with respect to geo-location data and our mobile application in Canada and regarding certain disclosures to the market, including in connection with secondary offerings of our shares. Active and potential disputes with franchisees could damage our brand reputation and our relationships with our broader franchise base. Such litigation may be expensive to defend, harm our reputation and divert resources away from our operations and negatively impact our reported earnings. Also, legal proceedings against a franchisee or its affiliates by third parties, whether in the ordinary course of business or otherwise, may include claims against us by virtue of our relationship with the franchisee. We, or our business partners, may become subject to claims for infringement of intellectual property rights and we may be required to indemnify or defend our business partners from such claims. Should management's evaluation of our current exposure to legal matters pending against us prove incorrect and such claims are successful, our exposure could exceed expectations and have a material adverse effect on our business, financial condition and results of operations. Although some losses may be covered by insurance, if there are significant losses that are not covered, or there is a delay in receiving insurance proceeds, or the proceeds are insufficient to offset our losses fully, our financial condition or results of operations may be adversely affected.

Although our board of directors declared a cash dividend on our common shares for each quarter of 2020 and for the first quarter of 2021, any future dividends on our common shares will be determined at the discretion of our board of directors and will depend upon results of operations, financial condition, contractual restrictions, including the terms of the agreements governing our debt and any future indebtedness we may incur, restrictions imposed by applicable law and other factors that our board of directors deems relevant. Although we are targeting a total of $2.12 in declared dividends per common share and Partnership exchangeable unit for 2021, there is no assurance that we will achieve our target total dividend for 2021 and satisfy our debt service and other obligations.

Operating Metrics

We evaluate our restaurants and assess our business based on the following operating metrics:

- System-wide sales growth refers to the percentage change in sales at all franchise restaurants and Company restaurants (referred to as system-wide sales) in one period from the same period in the prior year.
- Comparable sales refers to the percentage change in restaurant sales in one period from the same prior year period for restaurants that have been open for 13 months or longer for TH and BK and 17 months or longer for PLK. Additionally, if a restaurant is closed for a significant portion of a month, the restaurant is excluded from the monthly comparable sales calculation.
- System-wide sales growth and comparable sales are measured on a constant currency basis, which means the results exclude the effect of foreign currency translation (“FX Impact”). For system-wide sales growth and comparable sales, we calculate the FX Impact by translating prior year results at current year monthly average exchange rates.
- Unless otherwise stated, system-wide sales growth, system-wide sales and comparable sales are presented on a system-wide basis, which means they include franchise restaurants and Company restaurants. System-wide results are driven by our franchise restaurants, as approximately 100% of system-wide restaurants are franchised. Franchise sales represent sales at all franchise restaurants and are revenues to our franchisees. We do not record franchise sales as revenues; however, our royalty revenues are calculated based on a percentage of franchise sales.
- Net restaurant growth refers to the net increase/(decrease) in restaurant count (openings, net of permanent closures) over a trailing twelve month period, divided by the restaurant count at the beginning of the trailing twelve month period.

These metrics are important indicators of the overall direction of our business, including trends in sales and the effectiveness of each brand’s marketing, operations and growth initiatives.

The following table presents our operating metrics for each of the periods indicated, which have been derived from our internal records. We evaluate our restaurants and assess our business based on these operating metrics. These metrics may differ from those used by other companies in our industry who may define these metrics differently.

Overview

We are a Canadian corporation that serves as the indirect holding company for Tim Hortons, Burger King and Popeyes and their consolidated subsidiaries. We are one of the world's largest quick service restaurant ("QSR") companies with approximately $31 billion in system-wide sales and approximately 27,000 restaurants in more than 100 countries as of December 31, 2020. Our *Tim Hortons*®, *Burger King*®, and *Popeyes*® brands have similar franchise business models with complementary daypart mixes and product platforms. Our three iconic brands are managed independently while benefiting from global scale and sharing of best practices.

Tim Hortons restaurants are quick service restaurants with a menu that includes premium blend coffee, tea, espresso-based hot and cold specialty drinks, fresh baked goods, including donuts, *Timbits*®, bagels, muffins, cookies and pastries, grilled paninis, classic sandwiches, wraps, soups and more. Burger King restaurants are quick service restaurants that feature flame-grilled hamburgers, chicken and other specialty sandwiches, french fries, soft drinks and other affordably-priced food items. Popeyes restaurants are quick service restaurants featuring a unique "Louisiana" style menu that includes fried chicken, chicken tenders, fried shrimp and other seafood, red beans and rice, and other regional items.

We have three operating and reportable segments: (1) Tim Hortons ("TH"); (2) Burger King ("BK"); and (3) Popeyes Louisiana Kitchen ("PLK"). Our business generates revenue from the following sources: (i) franchise revenues, consisting primarily of royalties based on a percentage of sales reported by franchise restaurants and franchise fees paid by franchisees; (ii) property revenues from properties we lease or sublease to franchisees; and (iii) sales at restaurants owned by us ("Company restaurants"). In addition, our Tim Hortons business generates revenue from sales to franchisees related to our supply chain operations, including manufacturing, procurement, warehousing and distribution, as well as sales to retailers.

COVID-19

The global crisis resulting from the spread of coronavirus ("COVID-19") had a substantial impact on our global restaurant operations in 2020. System-wide sales growth, system-wide sales, comparable sales and net restaurant growth were also negatively impacted for 2020 as a result of the impact of COVID-19. During 2020, substantially all TH, BK and PLK restaurants remained open in North America with limited operations, such as drive-thru, takeout and delivery (where applicable) and that currently remains the case. While certain markets have opened for dine-in guests, the capacity may be limited, and local conditions may lead to closures or increased limitations. Some international markets temporarily closed most

or all restaurants and the restaurants that remained open or have reopened may have limited operations. As of the end of December 2020, over 96% of our restaurants were open worldwide, including substantially all of our restaurants in North America and Asia Pacific and approximately 94% of our restaurants were open in Europe, Middle East and Africa.

Our operating results substantially depend upon our franchisees' sales volumes, restaurant profitability, and financial stability. The financial impact of COVID-19 has had, and is expected to continue to have, an adverse effect on many of our franchisees' liquidity and we have worked closely with our franchisees around the world to monitor and assist them with access to appropriate sources of liquidity in order to sustain their businesses throughout this crisis. During 2020, we offered rent relief programs to eligible TH franchisees in Canada and eligible BK franchisees in the U.S. and Canada who lease property from us. The rent relief program offered to eligible BK franchisees concluded during the third quarter of 2020 and the rent relief program offered to eligible TH franchisees was extended through the end of 2021. While in effect, these programs provided working capital support to franchisees and resulted in a reduction in our property revenues. See Note 9, *Leases*, to the accompanying audited consolidated financial statements.

We also provided cash flow support by extending loans to eligible BK franchisees in the U.S. during the second and third quarters of 2020, and by advancing certain cash payments to eligible TH franchisees in Canada during the second quarter of 2020. Additionally, we temporarily deferred franchisee capital investment commitments for restaurant renovations and new restaurant development globally, based on the individual circumstances of relevant markets and restaurant owners.

During 2020, we recorded higher bad debt expense than 2019 and 2018. While these receivables remain contractually due and payable to us, the certainty of the amount and timing of payments has been impacted by the COVID-19 pandemic. Therefore, our bad debt expense during 2020 reflects an adjustment to our historical collections experience to incorporate an estimate of the impact of current economic conditions resulting from the COVID-19 pandemic. Actual collections may be materially higher or lower than this estimate reflects since it is reasonably possible the duration and future impact of the COVID-19 pandemic on our business or our franchisees may differ from our assumptions.

With the pandemic affecting consumer behavior, the importance of digital sales, including delivery, has grown. We expect to continue to support enhancements of our digital and marketing capabilities. While we do not know the full future impact COVID-19 will have on our business, we expect to see a continued impact from COVID-19 on our results in 2021.

Recent Events and Factors Affecting Comparability

Transition to New Lease Accounting Standard

We transitioned to Accounting Standards Codification Topic 842, *Leases* ("ASC 842"), effective January 1, 2019 on a modified retrospective basis using the effective date transition method. Our consolidated financial statements reflect the application of ASC 842 guidance beginning in 2019, while our consolidated financial statements for prior periods were prepared under the guidance of a previously applicable accounting standard.

The most significant effect of this transition that affects comparability of our results of operations between 2019 and 2018 includes the recognition of lease income and lease cost on a gross basis for lessee reimbursements of costs such as property taxes and maintenance when we are the lessor in the lease. Although there was no net impact to our consolidated statement of operations from this change, the presentation resulted in total increases to both franchise and property revenues and franchise and property expenses of $130 million ($85 million related to our TH segment, $43 million related to our BK segment and $2 million related to our PLK segment) during 2019 compared to 2018, when such amounts were recorded on a net basis.

Corporate Restructuring and Tax Advisory Costs

We recorded $16 million, $31 million and $25 million of costs during 2020, 2019 and 2018, respectively, which are classified as selling, general and administrative expenses in our consolidated statements of operations, arising primarily from professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movement within our structure, including consulting services related to the interpretation of final and proposed regulations and guidance issued by the U.S. Treasury, the IRS and state tax authorities in their ongoing efforts to interpret and implement comprehensive tax legislation, commonly referred to as the Tax Cuts and Jobs Act (the "Tax Act") and related state and local tax implications ("Corporate restructuring and tax advisory fees").

Popeyes Acquisition and PLK Transaction Costs

On March 27, 2017, we completed the acquisition of Popeyes Louisiana Kitchen, Inc. (the "Popeyes Acquisition"). In connection with the Popeyes Acquisition, we incurred certain non-recurring fees and expenses ("PLK Transaction costs")

totaling $10 million during 2018 consisting primarily of professional fees and compensation related expenses, all of which are classified as selling, general and administrative expenses in the consolidated statements of operations. We did not incur any PLK Transaction costs during 2020 and 2019.

Office Centralization and Relocation Costs

In connection with the centralization and relocation of our Canadian and U.S. restaurant support centers to new offices in Toronto, Ontario, and Miami, Florida, respectively, we incurred certain non-operational expenses ("Office centralization and relocation costs") totaling $6 million during 2019 and $20 million during 2018 consisting primarily of moving costs, relocation-driven compensation expenses, and duplicate rent expenses during 2018, which are classified as selling, general and administrative expenses in the consolidated statement of operations. We did not incur any Office centralization and relocation costs during 2020.

Comparable Sales

TH comparable sales were (15.7)% during 2020, including Canada comparable sales of (16.5)%.

BK comparable sales were (7.9)% during 2020, including U.S. comparable sales of (5.6)%.

PLK comparable sales were 13.8% during 2020, including U.S. comparable sales of 15.7%.

Sales and Cost of Sales

Sales include TH supply chain sales and sales from Company restaurants. TH supply chain sales represent sales of products, supplies and restaurant equipment, as well as sales to retailers. Sales from Company restaurants, including sales by our consolidated TH Restaurant VIEs, represent restaurant-level sales to our guests.

Cost of sales includes costs associated with the management of our TH supply chain, including cost of goods, direct labor and depreciation, as well as the cost of products sold to retailers. Cost of sales also includes food, paper and labor costs of Company restaurants.

During 2020, the decrease in sales was driven primarily by a decrease of $308 million in our TH segment, a decrease of $12 million in our BK segment, a decrease of $9 million in our PLK segment, and an unfavorable FX impact of $20 million. The decrease in our TH segment was driven by a $312 million decrease in supply chain sales due to the decrease in system-wide sales, net of an increase in sales to retailers. The decrease in supply chain sales was partially offset by an increase of $4 million in Company restaurant revenue due to an increase in the number of Company restaurants.

During 2019, the increase in sales was driven by an increase of $47 million in our TH segment, primarily as a result of an increase in supply chain sales, an increase of $3 million in our PLK segment and an increase of $1 million in our BK segment, partially offset by an unfavorable FX Impact of $44 million.

During 2020, the decrease in cost of sales was driven primarily by a decrease of $178 million in our TH segment, a decrease of $6 million in our BK segment, a decrease of $4 million in our PLK segment and a $15 million favorable FX Impact. The decrease in our TH segment was driven primarily by a decrease of $185 million in supply chain cost of sales due to the decrease in system-wide sales, net of an increase in sales to retailers. The decrease in supply chain cost of sales was partially offset by a $7 million increase in Company restaurant cost of sales due to an increase in the number of Company restaurants.

During 2019, the decrease in cost of sales was driven primarily by a $34 million favorable FX Impact, partially offset by an increase of $23 million in our TH segment, an increase of $4 million in our BK segment and an increase of $2 million in our PLK segment. The increase in our TH segment was driven primarily by an increase in supply chain cost of sales due to the increase in supply chain sales.

Franchise and Property

Franchise and property revenues consist primarily of royalties earned on franchise sales, rents from real estate leased or subleased to franchisees, franchise fees, and other revenue. Franchise and property expenses consist primarily of depreciation of properties leased to franchisees, rental expense associated with properties subleased to franchisees, amortization of franchise agreements, and bad debt expense (recoveries).

During 2020, the decrease in franchise and property revenues was driven by a decrease of $196 million in our TH segment, a decrease of $145 million in our BK segment, and a $29 million unfavorable FX Impact, partially offset by an increase of $84 million in our PLK segment. The decrease in our TH segment was primarily driven by decreases in royalties and rent from decreases in system-wide sales and rent relief provided to eligible franchisees during the current period. The decrease in our BK segment was primarily driven by a decrease in royalties as a result of a decrease in system-wide sales. The increase in our PLK segment was primarily driven by an increase in royalties as a result of an increase in system-wide sales.

During 2019, the increase in franchise and property revenues was driven by an increase of $155 million in our BK segment, an increase of $71 million in our TH segment, and an increase of $66 million in our PLK segment, partially offset by a $52 million unfavorable FX Impact. The increases in our BK and PLK segments were primarily driven by increases in royalties as a result of system-wide sales growth. Additionally, the increase in franchise and property revenues in all of our segments during 2019 reflected the gross recognition of property income from lessee reimbursements of costs such as property taxes and maintenance when we are the lessor in the lease as a result of the application of ASC 842 beginning January 1, 2019.

During 2020, the decrease in franchise and property expenses was driven by a decrease of $14 million in our TH segment, a decrease of $3 million in our PLK segment and a $3 million favorable FX Impact, partially offset by an increase of $8 million in our BK segment. Overall, the decrease was driven by a decrease in property expenses partially offset by an increase in bad debt expense.

During 2019, the increase in franchise and property expenses was driven by an increase of $85 million in our TH segment, an increase of $38 million in our BK segment, and an increase of $2 million in our PLK segment, partially offset by a

$7 million favorable FX Impact. The increase in all of our segments during 2019 was driven by the gross recognition of property expenses for costs such as property taxes and maintenance paid by us and reimbursed by lessees when we are the lessor in the lease as a result of the application of ASC 842 beginning January 1, 2019.

Segment selling, general and administrative expenses ("Segment SG&A") include segment selling expenses, which consist primarily of advertising fund expenses, and segment general and administrative expenses, which are comprised primarily of salary and employee-related costs for non-restaurant employees, professional fees, information technology systems, and general overhead for our corporate offices. Segment SG&A excludes share-based compensation and non-cash incentive compensation expense, depreciation and amortization, PLK Transaction costs, Corporate restructuring and tax advisory fees, and Office centralization and relocation costs.

During 2020, the decrease in Segment SG&A in our TH and BK segments was primarily due to a decrease in advertising fund expenses. During 2020, the increase in Segment SG&A in our PLK segment was primarily due to an increase in advertising fund expenses resulting from an increase in advertising fund revenue.

During 2019, the increase in Segment SG&A in our BK and PLK segments is primarily due to an increase in advertising fund expenses.

During 2020 and 2019, the increases in share-based compensation and non-cash incentive compensation expense was primarily due to increases in the number of equity awards granted during 2020 and 2019, respectively.

(Income) Loss from Equity Method Investments

(Income) loss from equity method investments reflects our share of investee net income or loss, non-cash dilution gains or losses from changes in our ownership interests in equity method investees, and basis difference amortization.

The change in (income) loss from equity method investments during 2020 was primarily driven by an increase in equity method investment net losses that we recognized during the current year, driven by the negative impact of the COVID-19 pandemic, and the non-recurrence of an $11 million non-cash dilution gain during 2019 from the issuance of additional shares in connection with a merger by one of our equity method investees.

The change in (income) loss from equity method investments during 2019 was primarily driven by the recognition of a $20 million non-cash dilution gain during 2018 on the initial public offering by one of our equity method investees, partially offset by an $11 million non-cash dilution gain during 2019 from the issuance of additional shares in connection with a merger by one of our equity method investees.

Other Operating Expenses (Income), net

Our other operating expenses (income), net were comprised of the following:

	2020	2019	2018
Net losses (gains) on disposal of assets, restaurant closures and refranchisings	$ 6	$ 7	$ 19
Litigation settlements and reserves, net	7	2	11
Net losses (gains) on foreign exchange	100	(15)	(33)
Other, net	(8)	(4)	11
Other operating expenses (income), net	$ 105	$ (10)	$ 8

Net losses (gains) on disposal of assets, restaurant closures, and refranchisings represent sales of properties and other costs related to restaurant closures and refranchisings. Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods.

Litigation settlements and reserves, net primarily reflects accruals and proceeds received in connection with litigation matters.

Net losses (gains) on foreign exchange is primarily related to revaluation of foreign denominated assets and liabilities.

Interest Expense, net

	2020	2019	2018
Interest expense, net	$ 508	$ 532	$ 535
Weighted average interest rate on long-term debt	4.4 %	5.0 %	5.0 %

During 2020, interest expense, net decreased primarily due to a decrease in the weighted average interest rate in the current year driven by the decrease in interest rates, the 2019 refinancing of our senior secured debt and the 2020 refinancing of a portion of our senior notes, partially offset by an increase in long-term debt.

Interest expense, net for 2019 was consistent with 2018.

Loss on Early Extinguishment of Debt

During 2020, we recorded a $98 million loss on early extinguishment of debt that primarily reflects the payment of premiums and the write-off of unamortized debt issuance costs in connection with the redemption of the entire outstanding principal balance of $2,800 million of 5.00% second lien secured notes due October 15, 2025 and the redemption of $725 million of the original outstanding principal balance of $1,500 million of 4.25% first lien notes due May 15, 2024.

During 2019, we recorded a $23 million loss on early extinguishment of debt that primarily reflects the write-off of unamortized debt issuance costs and discounts and fees incurred in connection with the redemption of the entire outstanding principal balance of $1,250 million of 4.625% first lien secured notes due January 15, 2022, the partial principal amount prepayments of our existing senior secured term loan and the refinancing of our existing senior secured term loan.

Income Tax Expense

Our effective tax rate was 8.0% in 2020 and 23.5% in 2019. The effective tax rate for the twelve months ended December 31, 2020 reflects a $105 million increase in deferred tax assets, consisting of $64 million related to the analysis of final guidance regarding a tax attribute carryfoward affected by the Tax Act received during 2020 and $41 million related to Swiss tax reform. This increase in deferred tax assets reduced the effective tax rate by 12.9% during 2020. The effective tax rate for 2019 reflects a $37 million income tax expense provision adjustment related to a prior restructuring transaction not applicable to ongoing operations which increased the effective tax rate by 2.5% during 2019.

Our effective tax rate was 23.5% in 2019 and 17.2% in 2018. The effective tax rate was reduced by 2.2% and 5.0% for 2019 and 2018, respectively, as a result of benefits from stock option exercises. The comparison between 2019 and 2018 was also unfavorably impacted by 2018 reserve releases and settlements, which reduced the 2018 effective tax rate by a net 2.8%. Additionally, the effective tax rate for 2019 increased by 1.1% due to the impact of an increase in our tax provision related to revaluing our Swiss net deferred tax liability due to Swiss tax reform. In 2019, the beneficial impact of internal financing

arrangements in various jurisdictions was offset by an increase in the provision for unrecognized tax benefits related to a financing arrangement that is not applicable to ongoing operations.

Net Income

We reported net income of $750 million for 2020 compared to net income of $1,111 million for 2019. The decrease in net income is primarily due to a $299 million decrease in TH segment income, a $171 million decrease in BK segment income, a $115 million unfavorable change in the results from other operating expenses (income), net, a $75 million increase in the loss on early extinguishment of debt, a $37 million unfavorable change from the impact of equity method investments, a $10 million increase in share-based compensation and non-cash incentive compensation expense, and a $4 million increase in depreciation and amortization. These factors were partially offset by a $275 million decrease in income tax expense, a $30 million increase in PLK segment income, a $24 million decrease in interest expense, net, a $15 million decrease in Corporate restructuring and tax advisory fees, and the non-recurrence of $6 million of Office centralization and relocation costs. Amounts above include a total unfavorable FX Impact to net income of $32 million.

We reported net income of $1,111 million for 2019 compared to net income of $1,144 million for 2018. The decrease in net income is primarily due to a $103 million increase in income tax expense, a $23 million loss on early extinguishment of debt in 2019, a $19 million increase in share-based compensation and non-cash incentive compensation expense, a $14 million unfavorable change from the impact of equity method investments, a $6 million increase in Corporate restructuring and tax advisory fees, and a $5 million decrease in TH segment income. These factors were partially offset by a $66 million increase in BK segment income, a $31 million increase in PLK segment income, an $18 million favorable change in the results from other operating expenses (income), net, a $14 million decrease in Office centralization and relocation costs and the non-recurrence of $10 million of PLK Transaction costs incurred in the prior period. Amounts above include a total unfavorable FX Impact to net income of $39 million.

Non-GAAP Reconciliations

The table below contains information regarding EBITDA and Adjusted EBITDA, which are non-GAAP measures. These non-GAAP measures do not have a standardized meaning under U.S. GAAP and may differ from similar captioned measures of other companies in our industry. We believe that these non-GAAP measures are useful to investors in assessing our operating performance, as they provide them with the same tools that management uses to evaluate our performance and are responsive to questions we receive from both investors and analysts. By disclosing these non-GAAP measures, we intend to provide investors with a consistent comparison of our operating results and trends for the periods presented. EBITDA is defined as earnings (net income or loss) before interest expense, net, loss on early extinguishment of debt, income tax expense, and depreciation and amortization and is used by management to measure operating performance of the business. Adjusted EBITDA is defined as EBITDA excluding (i) the non-cash impact of share-based compensation and non-cash incentive compensation expense, (ii) (income) loss from equity method investments, net of cash distributions received from equity method investments, (iii) other operating expenses (income), net and, (iv) income/expenses from non-recurring projects and non-operating activities. For the periods referenced, this included costs incurred in connection with the centralization and relocation of our Canadian and U.S. restaurant support centers to new offices in Toronto, Ontario, and Miami, Florida, respectively, professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movements, including consulting services related to the interpretation of final and proposed regulations and guidance under the Tax Act and professional fees and compensation related expenses in connection with the Popeyes Acquisition. Management believes that these types of expenses are either not related to our underlying profitability drivers or not likely to re-occur in the foreseeable future and the varied timing, size and nature of these projects may cause volatility in our results unrelated to the performance of our core business that does not reflect trends of our core operations.

The decrease in Adjusted EBITDA for 2020 reflects the decreases in segment income in our TH and BK segments, partially offset by an increase in segment income in our PLK segment. Segment income in our TH and BK segments for 2020 includes a decrease of $24 million related to the timing of advertising fund revenue and expenses.

The increase in Adjusted EBITDA for 2019 reflects the increases in segment income in our BK and PLK segments, partially offset by decreases in our TH segment.

The decrease in EBITDA for 2020 is primarily due to decreases in segment income in our TH and BK segments and unfavorable results from other operating expenses (income), net, the impact of equity method investments, and an increase in share-based compensation and non-cash incentive compensation expense, partially offset by an increase in segment income in our PLK segment, a decrease in Corporate restructuring and tax advisory fees, and the non-recurrence of Office centralization and relocation costs.

The increase in EBITDA for 2019 is primarily due to an increase in segment income in our BK and PLK segments, favorable results from other operating expenses (income), net, a decrease in office centralization and relocation costs, and the non-recurrence of PLK Transaction costs, partially offset by an increase in share-based compensation and non-cash incentive compensation expense, unfavorable results from the impact of equity method investments, an increase in Corporate restructuring and tax advisory fees, and a decrease in segment income in our TH segment.

Liquidity and Capital Resources

Our primary sources of liquidity are cash on hand, cash generated by operations and borrowings available under our Revolving Credit Facility (as defined below). We have used, and may in the future use, our liquidity to make required interest and/or principal payments, to repurchase our common shares, to repurchase Class B exchangeable limited partnership units ("Partnership exchangeable units"), to voluntarily prepay and repurchase our or one of our affiliate's outstanding debt, to fund our investing activities and to pay dividends on our common shares and make distributions on the Partnership exchangeable units. As a result of our borrowings, we are highly leveraged. Our liquidity requirements are significant, primarily due to debt service requirements.

At December 31, 2020, we had cash and cash equivalents of $1,560 million and working capital of $663 million. In addition, at December 31, 2020, we had borrowing availability of $998 million under our Revolving Credit Facility (defined below).

During 2020, Partnership received exchange notices representing 10,393,861 Partnership exchangeable units, including 7,098,893 received during the fourth quarter of 2020. Pursuant to the terms of the partnership agreement, Partnership satisfied the exchange notices by repurchasing 6,757,692 Partnership exchangeable units on October 2, 2020 for approximately $380 million in cash and exchanging the remaining Partnership exchangeable units for the same number of our newly issued common shares.

On April 7, 2020, two of our subsidiaries (the “Borrowers”) entered into an indenture (the “2020 5.75% Senior Notes Indenture”) in connection with the issuance of $500 million of 5.75% first lien notes due April 15, 2025 (the “2020 5.75% Senior Notes”). No principal payments are due until maturity and interest is paid semi-annually. The net proceeds from the offering of the 2020 5.75% Senior Notes were used for general corporate purposes.

On October 5, 2020, the Borrowers entered into an indenture (the “2020 4.00% Senior Notes Indenture”) in connection with the issuance of $1,400 million of 4.00% second lien notes due October 15, 2030 (the “October 2020 4.00% Senior Notes”). No principal payments are due until maturity and interest is paid semi-annually. The net proceeds from the offering of the October 2020 4.00% Senior Notes were used to redeem $1,350 million of our existing $2,800 million 2017 5.00% Senior Notes (due October 15, 2025) and pay related redemption premiums, fees and expenses.

On November 2, 2020, the Borrowers issued $1,500 million in aggregate principal amount of 4.00% second lien notes due October 15, 2030 (the "November 2020 4.00% Senior Notes" and together with the October 2020 4.00% Senior Notes, the "2020 4.00% Senior Notes"), which were issued as additional notes under the 2020 4.00% Senior Notes Indenture. The November 2020 4.00% Senior Notes are treated as a single series with the October 2020 4.00% Senior Notes and have the same terms for all purposes under the 2020 4.00% Senior Notes Indenture, including waivers, amendments, redemptions and offers to purchase. The net proceeds from the offering of the November 2020 4.00% Senior Notes were used to redeem the remaining $1,450 million principal amount outstanding of the 2017 5.00% Senior Notes and pay related redemption premiums, fees and expenses.

On November 9, 2020, the Borrowers entered into an indenture (the “2020 3.50% Senior Notes Indenture”) in connection with the issuance of $750 million in aggregate principal amount of 3.50% first lien notes due February 15, 2029 (the “2020 3.50% Senior Notes”). No principal payments are due until maturity and interest is paid semi-annually. The net proceeds from the offering of the 2020 3.50% Senior Notes were used to redeem $725 million of our 4.25% first lien notes due 2024 and pay related redemption premiums, fees and expenses.

Based on our current level of operations and available cash, we believe our cash flow from operations, combined with our availability under our Revolving Credit Facility, will provide sufficient liquidity to fund our current obligations, debt service requirements and capital spending over the next twelve months.

Our operating results substantially depend upon our franchisees’ sales volumes, restaurant profitability, and financial stability. The financial impact of COVID-19 has had, and is expected to continue for an uncertain period to have, an adverse effect on our franchisees’ liquidity and we have worked closely with our franchisees around the world to monitor and assist them with access to appropriate sources of liquidity in order to sustain their businesses throughout this crisis. We provided cash flow support by extending loans to eligible BK franchisees in the U.S. during the second and third quarters of 2020 and by advancing certain cash payments to eligible TH franchisees in Canada during the second quarter of 2020. Also, during 2020, we offered a rent relief program for eligible TH franchisees in Canada and BK franchisees in the U.S. and Canada and temporarily extended payment terms for eligible TH and BK franchisees in Canada and the U.S. who lease property from us. The rent relief program offered to eligible BK franchisees concluded during the third quarter of 2020 and the rent relief program offered to eligible TH franchisees was extended through the end of 2021. We also temporarily deferred franchisee capital investment commitments for restaurant renovations and new restaurant development globally, based on individual circumstances of relevant markets and restaurant owners. These actions are expected to adversely affect our cash flow and financial results at least through the end of 2021. In addition to these actions, we may decide to take additional steps to assist in the financial stabilization of our franchisees, which could impact our liquidity and our financial results.

On August 2, 2016, our board of directors approved a share repurchase authorization that allows us to purchase up to $300 million of our common shares through July 2021. Repurchases under the Company’s authorization will be made in the open market or through privately negotiated transactions. On August 6, 2020, we announced that the Toronto Stock Exchange (the “TSX”) had accepted the notice of our intention to renew the normal course issuer bid. Under this normal course issuer bid,

we are permitted to repurchase up to 30,000,015 common shares for the one-year period commencing on August 8, 2020 and ending on August 7, 2021, or earlier if we complete the repurchases prior to such date. Share repurchases under the normal course issuer bid will be made through the facilities of the TSX, the New York Stock Exchange (the "NYSE") and/or other exchanges and alternative Canadian or foreign trading systems, if eligible, or by such other means as may be permitted by the TSX and/or the NYSE under applicable law. Shareholders may obtain a copy of the prior notice, free of charge, by contacting us.

We provide applicable deferred taxes based on the tax liability or withholding taxes that would be due upon repatriation of unremitted earnings. We will continue to monitor our plans for foreign earnings but our expectation is to continue to provide taxes on unremitted earnings.

Debt Instruments and Debt Service Requirements

As of December 31, 2020, our long-term debt consists primarily of borrowings under our Credit Facilities, amounts outstanding under our 2017 4.25% Senior Notes, 2019 3.875% Senior Notes, 2020 5.75% Senior Notes, 2020 3.50% Senior Notes, 2019 4.375% Senior Notes, 2020 4.00% Senior Notes and TH Facility (each as defined herein), and obligations under finance leases. For further information about our long-term debt, see Note 8 to the accompanying consolidated financial statements included in Part II, Item 8 "Financial Statements and Supplementary Data" of our Annual Report.

Credit Facilities

As of December 31, 2020, there was $6,028 million outstanding principal amount under our senior secured term loan facilities (the "Term Loan Facilities") with a weighted average interest rate of 1.84%. Based on the amounts outstanding under the Term Loan Facilities and LIBOR as of December 31, 2020, subject to a floor of 0.00%, required debt service for the next twelve months is estimated to be approximately $112 million in interest payments and $72 million in principal payments. In addition, based on LIBOR as of December 31, 2020, net cash settlements that we expect to pay on our $4,000 million interest rate swaps are estimated to be approximately $90 million for the next twelve months. The Term Loan A matures on October 7, 2024 and the Term Loan B matures on November 19, 2026, and we may prepay the Term Loan Facilities in whole or in part at any time. Additionally, subject to certain exceptions, the Term Loan Facilities may be subject to mandatory prepayments using (i) proceeds from non-ordinary course asset dispositions, (ii) proceeds from certain incurrences of debt or (iii) a portion of our annual excess cash flows based upon certain leverage ratios.

As of December 31, 2020, we had no amounts outstanding under our secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the "Revolving Credit Facility" and together with the Term Loan Facilities, the "Credit Facilities"), had $2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was $998 million. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or share repurchases, fund acquisitions or capital expenditures, and for other general corporate purposes. We have a $125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. We are also required to pay (i) letters of credit fees on the aggregate face amounts of outstanding letters of credit plus a fronting fee to the issuing bank and (ii) administration fees. The interest rate applicable to amounts drawn under each letter of credit ranges from 0.75% to 1.50%, depending on our net first lien leverage ratio.

On April 2, 2020, the Borrowers entered into a fifth amendment (the "Fifth Amendment") to the credit agreement (the "Credit Agreement") governing our Term Loan Facilities and Revolving Credit Facility. The Fifth Amendment provides the Borrowers with the option to comply with a $1,000 million minimum liquidity covenant in lieu of the 6.50:1.00 net first lien senior secured leverage ratio financial maintenance covenant for the period after June 30, 2020 and prior to September 30, 2021. Additionally, for the periods ending September 30, 2021 and December 31, 2021, to determine compliance with the net first lien senior secured leverage ratio, we are permitted to annualize the Adjusted EBITDA (as defined in the Credit Agreement) for the three months ending September 30, 2021 and six months ending December 31, 2021, respectively, in lieu of calculating the ratio based on Adjusted EBITDA for the prior four quarters. There were no other material changes to the terms of the Credit Agreement.

The interest rate applicable to borrowings under our Term Loan A and Revolving Credit Facility is, at our option, either (i) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (ii) a Eurocurrency rate, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% to 1.50%, in each case, determined by reference to a net first lien leverage based pricing grid. The interest rate applicable to borrowings under our Term Loan B is, at our

option, either (i) a base rate, subject to a floor of 1.00%, plus an applicable margin of 0.75% or (ii) a Eurocurrency rate, subject to a floor of 0.00%, plus an applicable margin of 1.75%.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the direct parent company of one of the Borrowers and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Corporation, Popeyes Louisiana Kitchen, Inc. and substantially all of their respective Canadian and U.S. subsidiaries (the "Credit Guarantors"). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and Credit Guarantor.

Senior Notes

In May 2017, the Borrowers entered into an indenture (the "2017 4.25% Senior Notes Indenture") in connection with the issuance of $1,500 million of 4.25% first lien senior secured notes due May 15, 2024 (the "2017 4.25% Senior Notes"). No principal payments are due until maturity and interest is paid semi-annually. The net proceeds from the offering of the 2020 3.50% Senior Notes were used to redeem $725 million of our 4.25% first lien notes due 2024 and pay related redemption premiums, fees and expenses.

On September 24, 2019, the Borrowers entered into an indenture (the "2019 3.875% Senior Notes Indenture") in connection with the issuance of $750 million of 3.875% first lien senior notes due January 15, 2028 (the "2019 3.875% Senior Notes"). No principal payments are due until maturity and interest is paid semi-annually.

On November 19, 2019, the Borrowers entered into an indenture (the "2019 4.375% Senior Notes Indenture" and together with the above indentures, including the indentures entered into during 2020, the "Senior Notes Indentures") in connection with the issuance of $750 million of 4.375% second lien senior notes due January 15, 2028 (the "2019 4.375% Senior Notes"). No principal payments are due until maturity and interest is paid semi-annually.

The Borrowers may redeem a series of senior notes, in whole or in part, at any time prior to May 15, 2020 for the 2017 4.25% Senior Notes, April 15, 2022 for the 2020 5.75% Senior Notes, September 15, 2022 for the 2019 3.875% Senior Notes, November 15, 2022 for the 2019 4.375% Senior Notes, February 15, 2024 for the 2020 3.50% Senior Notes, and October 15, 2025 for the 2020 4.00% Senior Notes at a price equal to 100% of the principal amount redeemed plus a "make-whole" premium, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, the Borrowers may redeem, in whole or in part, the 2017 4.25% Senior Notes, 2020 5.75% Senior Notes, 2019 3.875% Senior Notes, 2019 4.375% Senior Notes, 2020 3.50% Senior Notes and 2020 4.00% Senior Notes on or after the applicable date noted above, at the redemption prices set forth in the applicable Senior Notes Indenture. The Senior Notes Indentures also contain redemption provisions related to tender offers, change of control and equity offerings, among others.

Based on the amounts outstanding at December 31, 2020, required debt service for the next twelve months on all of the Senior Notes outstanding is approximately $266 million in interest payments.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C$225 million with a maturity date of October 4, 2025 (the "TH Facility"). The interest rate applicable to the TH Facility is the Canadian Bankers' Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. As of December 31, 2020, we had outstanding C$222 million under the TH Facility with a weighted average interest rate of 1.86%.

Based on the amounts outstanding under the TH Facility as of December 31, 2020, required debt service for the next twelve months is estimated to be approximately $3 million in interest payments and $7 million in principal payments.

Restrictions and Covenants

Our Credit Facilities and the Senior Notes Indentures contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities and subject to the

provisions of the Fifth Amendment described above, the Borrowers are not permitted to exceed a net first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first quarter of 2020, any amounts are outstanding under the Term Loan A and/or outstanding revolving loans, swingline loans and certain letters of credit exceed 30.0% of the commitments under the Revolving Credit Facility. As indicated above, the Fifth Amendment provides the Borrowers with the option to comply with a $1,000 million minimum liquidity covenant in lieu of the 6.50:1.00 net first lien senior secured leverage ratio financial maintenance covenant for the period after June 30, 2020 and prior to September 30, 2021.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2020, we were in compliance with all applicable financial debt covenants under the Credit Facilities, the TH Facility, and the Senior Notes Indentures, and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

Cash Dividends

On January 5, 2021, we paid a dividend of $0.52 per common share and Partnership made a distribution in respect of each Partnership exchangeable unit in the amount of $0.52 per Partnership exchangeable unit.

On February 11, 2021, we announced that the board of directors had declared a quarterly cash dividend of $0.53 per common share for the first quarter of 2020, payable on April 6, 2021 to common shareholders of record on March 23, 2021. Partnership will also make a distribution in respect of each Partnership exchangeable unit in the amount of $0.53 per Partnership exchangeable unit, and the record date and payment date for distributions on Partnership exchangeable units are the same as the record date and payment date set forth above.

We are targeting a total of $2.12 in declared dividends per common share and distributions in respect of each Partnership exchangeable unit for 2021.

Because we are a holding company, our ability to pay cash dividends on our common shares may be limited by restrictions under our debt agreements. Although we do not have a formal dividend policy, our board of directors may, subject to compliance with the covenants contained in our debt agreements and other considerations, determine to pay dividends in the future.

Outstanding Security Data

As of February 15, 2021, we had outstanding 305,144,809 common shares and one special voting share. The special voting share is held by a trustee, entitling the trustee to that number of votes on matters on which holders of common shares are entitled to vote equal to the number of Partnership exchangeable units outstanding. The trustee is required to cast such votes in accordance with voting instructions provided by holders of Partnership exchangeable units. At any shareholder meeting of the Company, holders of our common shares vote together as a single class with the special voting share except as otherwise provided by law. For information on our share-based compensation and our outstanding equity awards, see Note 13 to the accompanying consolidated financial statements included in Part II, Item 8 “Financial Statements and Supplementary Data” of our Annual Report.

There were 155,113,338 Partnership exchangeable units outstanding as of February 15, 2021. Since December 12, 2015, the holders of Partnership exchangeable units have had the right to require Partnership to exchange all or any portion of such holder’s Partnership exchangeable units for our common shares at a ratio of one share for each Partnership exchangeable unit, subject to our right as the general partner of Partnership to determine to settle any such exchange for a cash payment in lieu of our common shares.

Comparative Cash Flows

Operating Activities

Cash provided by operating activities was $921 million in 2020, compared to $1,476 million in 2019. The decrease in cash provided by operating activities was driven by a decrease in TH segment income, a decrease in BK segment income, an increase in cash used for working capital and an increase in income tax payments. These factors were partially offset by a decrease in interest payments, a decrease in tenant inducements paid to franchisees and an increase in PLK segment income.

Cash provided by operating activities was $1,476 million in 2019, compared to $1,165 million in 2018. The increase in cash provided by operating activities was driven by a decrease in income tax payments, primarily due to the 2018 payment of accrued income taxes related to the December 2017 redemption of preferred shares, an increase in BK and PLK segment income and a decrease in cash used for working capital. These factors were partially offset by an increase in interest payments and a decrease in TH segment income.

Investing Activities

Cash used for investing activities was $79 million in 2020, compared to $30 million in 2019. The change in investing activities was driven by an increase in capital expenditures during the current period.

Cash used for investing activities was $30 million in 2019, compared to $44 million in 2018. The change in investing activities was driven primarily by a decrease in capital expenditures.

Financing Activities

Cash used for financing activities was $821 million in 2020, compared to $842 million in 2019. The decrease in cash used for financing activities was driven primarily by an increase in proceeds from issuance of long-term debt, partially offset by an increase in repayments of long-term debt and finance leases, the repurchase of Partnership exchangeable units in 2020, payments from derivatives in 2020 compared to proceeds from derivatives in 2019, an increase in RBI common share dividends and distributions on Partnership exchangeable units, and a decrease in proceeds from stock option exercises.

Cash used for financing activities was $842 million in 2019, compared to $1,285 million in 2018. The change in financing activities was driven primarily by proceeds from the Term Loan A and the issuances of the 2019 3.875% Senior Notes and the 2019 4.375% Senior Notes during 2019, an increase in proceeds from stock option exercises, proceeds from derivatives and the non-recurrence of the 2018 payments in connection with the December 2017 redemption of preferred shares. These factors were partially offset by the redemption of the 2015 4.625% Senior Notes during 2019, Term Loan B prepayments and refinancing during 2019, an increase in RBI common share dividends and distributions on Partnership exchangeable units and payment of financing costs.

Contractual Obligations and Commitments

Our significant contractual obligations and commitments as of December 31, 2020 are shown in the following table.

Contractual Obligations	Payment Due by Period				
	Total	Less Than 1 Year	1-3 Years	3-5 Years	More Than 5 Years
			(In millions)		
Credit Facilities, including interest (a)	$ 6,654	$ 186	$ 390	$ 964	$ 5,114
Senior Notes, including interest	8,445	266	532	1,733	5,914
Other long-term debt	190	10	26	154	—
Operating lease obligations (b)	1,677	198	361	303	815
Purchase commitments (c)	539	507	30	2	—
Finance lease obligations	488	50	95	86	257
Total	$ 17,993	$ 1,217	$ 1,434	$ 3,242	$ 12,100

(a) We have estimated our interest payments through the maturity of our Credit Facilities based on LIBOR as of December 31, 2020.
(b) Operating lease payment obligations have not been reduced by the amount of payments due in the future under subleases.
(c) Includes open purchase orders, as well as commitments to purchase certain food ingredients and advertising expenditures, and obligations related to information technology and service agreements.

We have not included in the contractual obligations table approximately $620 million of gross liabilities for unrecognized tax benefits relating to various tax positions we have taken. These liabilities may increase or decrease over time primarily as a result of tax examinations, and given the status of the examinations, we cannot reliably estimate the period of any cash settlement with the respective taxing authorities. For additional information on unrecognized tax benefits, see Note 10 to the accompanying consolidated financial statements included in Part II, Item 8 “Financial Statements and Supplementary Data” of our Annual Report.

Other Commercial Commitments and Off-Balance Sheet Arrangements

From time to time, we enter into agreements under which we guarantee loans made by third parties to qualified franchisees. As of December 31, 2020, no material amounts are outstanding under these guarantees.

Critical Accounting Policies and Estimates

This discussion and analysis of financial condition and results of operations is based on our audited consolidated financial statements, which have been prepared in accordance with U.S. GAAP. The preparation of these financial statements requires our management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues, and expenses, as well as related disclosures of contingent assets and liabilities. We evaluate our estimates on an ongoing basis and we base our estimates on historical experience and various other assumptions we deem reasonable to the situation. These estimates and assumptions form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. As future events and their effects cannot be determined with precision, actual results could differ significantly from these estimates. Changes in our estimates could materially impact our results of operations and financial condition in any particular period.

We consider our critical accounting policies and estimates to be as follows based on the high degree of judgment or complexity in their application:

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in acquisitions. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, and the *Popeyes* brand (each a “Brand” and together, the “Brands”). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change, which indicate impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass

the qualitative assessment and proceed directly to a quantitative impairment test, for any reporting unit or Brand, in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting units, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit. We use an income approach and a market approach, when available, to estimate a reporting unit's fair value, which discounts the reporting unit's projected cash flows using a discount rate we determine from a market participant's perspective under the income approach or utilizing similar publicly traded companies as guidelines for determining fair value under the market approach. We make significant assumptions when estimating a reporting unit's projected cash flows, including revenue, driven primarily by net restaurant growth, comparable sales growth and average royalty rates, general and administrative expenses, capital expenditures and income tax rates.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any of our Brands, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess. We use an income approach to estimate a Brand's fair value, which discounts the projected Brand-related cash flows using a discount rate we determine from a market participant's perspective. We make significant assumptions when estimating Brand-related cash flows, including system-wide sales, driven by net restaurant growth and comparable sales growth, average royalty rates, brand maintenance costs and income tax rates.

We completed our impairment reviews for goodwill and the Brands as of October 1, 2020, 2019 and 2018 and no impairment resulted. The estimates and assumptions we use to estimate fair values when performing quantitative assessments are highly subjective judgments based on our experience and knowledge of our operations. Significant changes in the assumptions used in our analysis could result in an impairment charge related to goodwill or the Brands. Circumstances that could result in changes to future estimates and assumptions include, but are not limited to, expectations of lower system-wide sales growth, which can be caused by a variety of factors, increases in income tax rates and increases in discount rates. Based on the annual impairment tests performed in 2020, the fair values of all of our reporting units and Brands were substantially in excess of their carrying amounts.

Long-lived Assets

Long-lived assets (including intangible assets subject to amortization and lease right-of-use assets) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets.

The impairment test for long-lived assets requires us to assess the recoverability of our long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from our use and eventual disposition of the assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we would be required to record an impairment charge equal to the excess, if any, of net carrying value over fair value.

When assessing the recoverability of our long-lived assets, we make assumptions regarding estimated future cash flows and other factors. Some of these assumptions involve a high degree of judgment and also bear a significant impact on the assessment conclusions. Included among these assumptions are estimating undiscounted future cash flows, including the projection of rental income, capital requirements for maintaining property and residual values of asset groups. We formulate estimates from historical experience and assumptions of future performance, based on business plans and forecasts, recent economic and business trends, and competitive conditions. In the event that our estimates or related assumptions change in the future, we may be required to record an impairment charge.

Accounting for Income Taxes

We record income tax liabilities utilizing known obligations and estimates of potential obligations. A deferred tax asset or liability is recognized whenever there are future tax effects from existing temporary differences and operating loss and tax credit carry-forwards. When considered necessary, we record a valuation allowance to reduce deferred tax assets to the balance that is more-likely-than-not to be realized. We must make estimates and judgments on future taxable income, considering feasible tax planning strategies and taking into account existing facts and circumstances, to determine the proper valuation allowance. When we determine that deferred tax assets could be realized in greater or lesser amounts than recorded, the asset balance and income statement reflect the change in the period such determination is made. Due to changes in facts and circumstances and the estimates and judgments that are involved in determining the proper valuation allowance, differences between actual future events and prior estimates and judgments could result in adjustments to this valuation allowance.

We file income tax returns, including returns for our subsidiaries, with federal, provincial, state, local and foreign jurisdictions. We are subject to routine examination by taxing authorities in these jurisdictions. We apply a two-step approach to recognizing and measuring uncertain tax positions. The first step is to evaluate available evidence to determine if it appears more-likely-than-not that an uncertain tax position will be sustained on an audit by a taxing authority, based solely on the technical merits of the tax position. The second step is to measure the tax benefit as the largest amount that is more than 50% likely of being realized upon settling the uncertain tax position.

Although we believe we have adequately accounted for our uncertain tax positions, from time to time, audits result in proposed assessments where the ultimate resolution may result in us owing additional taxes. We adjust our uncertain tax positions in light of changing facts and circumstances, such as the completion of a tax audit, expiration of a statute of limitations, the refinement of an estimate, and interest accruals associated with uncertain tax positions until they are resolved. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters. However, to the extent that the final tax outcome of these matters is different than the amounts recorded, such differences will impact the provision for income taxes in the period in which such determination is made.

In prior periods, we provided deferred taxes on certain undistributed foreign earnings. Under our transition to a modified territorial tax system whereby all previously untaxed undistributed foreign earnings are subject to a transition tax charge at reduced rates and future repatriations of foreign earnings will generally be exempt from U.S. tax, we wrote off the existing deferred tax liability on undistributed foreign earnings and recorded the impact of the new transition tax charge on foreign earnings. We will continue to monitor available evidence and our plans for foreign earnings and expect to continue to provide any applicable deferred taxes based on the tax liability or withholding taxes that would be due upon repatriation of amounts not considered permanently reinvested.

We use an estimate of the annual effective income tax rate at each interim period based on the facts and circumstances available at that time, while the actual effective income tax rate is calculated at year-end.

See Note 10 to the accompanying consolidated financial statements included in Part II, Item 8 "Financial Statements and Supplementary Data" of our Annual Report for additional information about accounting for income taxes.

New Accounting Pronouncements

See Note 2, *"Significant Accounting Policies – New Accounting Pronouncements,"* to the accompanying consolidated financial statements included in Part II, Item 8 "Financial Statements and Supplementary Data" of our Annual Report for a discussion of new accounting pronouncements.

Item 7A. ***Quantitative and Qualitative Disclosures About Market Risk***

Market Risk

We are exposed to market risks associated with currency exchange rates, interest rates, commodity prices and inflation. In the normal course of business and in accordance with our policies, we manage these risks through a variety of strategies, which may include the use of derivative financial instruments to hedge our underlying exposures. Our policies prohibit the use of derivative instruments for speculative purposes, and we have procedures in place to monitor and control their use.

Currency Exchange Risk

We report our results in U.S. dollars, which is our reporting currency. The operations of each of TH, BK, and PLK that are denominated in currencies other than the U.S. dollar are impacted by fluctuations in currency exchange rates and changes in currency regulations. The majority of TH's operations, income, revenues, expenses and cash flows are denominated in Canadian dollars, which we translate to U.S. dollars for financial reporting purposes. Royalty payments from BK franchisees in our European markets and in certain other countries are denominated in currencies other than U.S. dollars. Furthermore, franchise royalties from each of TH's, BK's, and PLK's international franchisees are calculated based on local currency sales; consequently franchise revenues are still impacted by fluctuations in currency exchange rates. Each of their respective revenues and expenses are translated using the average rates during the period in which they are recognized and are impacted by changes in currency exchange rates.

We have numerous investments in our foreign subsidiaries, the net assets of which are exposed to volatility in foreign currency exchange rates. We have entered into cross-currency rate swaps to hedge a portion of our net investment in such foreign operations against adverse movements in foreign currency exchange rates. We designated cross-currency rate swaps with a notional value of $5,000 million between Canadian dollar and U.S. dollar and cross-currency rate swaps with a notional value of $2,100 million between the Euro and U.S. dollar, as net investment hedges of a portion of our equity in foreign operations in those currencies. The fair value of the cross-currency rate swaps is calculated each period with changes in the fair value of these instruments reported in accumulated other comprehensive income (loss) ("AOCI") to economically offset the change in the value of the net investment in these designated foreign operations driven by changes in foreign currency exchange rates. The net fair value of these derivative instruments was a liability of $434 million as of December 31, 2020. The net unrealized losses, net of tax, related to these derivative instruments included in AOCI totaled $365 million as of December 31, 2020. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

We use forward currency contracts to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee and certain intercompany purchases, made by our TH Canadian operations. However, for a variety of reasons, we do not hedge our revenue exposure in other currencies. Therefore, we are exposed to volatility in those other currencies, and this volatility may differ from period to period. As a result, the foreign currency impact on our operating results for one period may not be indicative of future results.

During 2020, income from operations would have decreased or increased approximately $73 million if all foreign currencies uniformly weakened or strengthened 10% relative to the U.S. dollar, holding other variables constant, including sales volumes. The effect of a uniform movement of all currencies by 10% is provided to illustrate a hypothetical scenario and related effect on operating income. Actual results will differ as foreign currencies may move in uniform or different directions and in different magnitudes.

Interest Rate Risk

We are exposed to changes in interest rates related to our Term Loan Facilities and Revolving Credit Facility, which bear interest at LIBOR plus a spread, subject to a LIBOR floor. Generally, interest rate changes could impact the amount of our interest paid and, therefore, our future earnings and cash flows, assuming other factors are held constant. To mitigate the impact of changes in LIBOR on interest expense for a portion of our variable rate debt, we have entered into interest rate swaps. We account for these derivatives as cash flow hedges, and as such, the unrealized changes in market value are recorded in AOCI and reclassified into earnings during the period in which the hedged forecasted transaction affects earnings. At December 31, 2020, we had a series of receive-variable, pay-fixed interest rate swaps to hedge the variability in the interest payments on $4,000 million of our Term Loan Facilities. The total notional value of these interest rate swaps is $4,000 million, of which $3,500 million expire on November 19, 2026 and $500 million expire on September 30, 2026.

Based on the portion of our variable rate debt balance in excess of the notional amount of the interest rate swaps and LIBOR as of December 31, 2020, a hypothetical 1.00% increase in LIBOR would increase our annual interest expense by approximately $20 million.

The discontinuation of LIBOR after June 2023 and the replacement with an alternative reference rate may adversely impact interest rates and our interest expense could increase.

Commodity Price Risk

We purchase certain products, which are subject to price volatility that is caused by weather, market conditions and other factors that are not considered predictable or within our control. However, in our TH business, we employ various purchasing and pricing contract techniques, such as setting fixed prices for periods of up to one year with suppliers, in an effort to minimize volatility of certain of these commodities. Given that we purchase a significant amount of green coffee, we typically have purchase commitments fixing the price for a minimum of six to twelve months depending upon prevailing market conditions. We also typically hedge against the risk of foreign exchange on green coffee prices.

We occasionally take forward pricing positions through our suppliers to manage commodity prices. As a result, we purchase commodities and other products at market prices, which fluctuate on a daily basis and may differ between different geographic regions, where local regulations may affect the volatility of commodity prices.

We do not make use of financial instruments to hedge commodity prices. As we make purchases beyond our current commitments, we may be subject to higher commodity prices depending upon prevailing market conditions at such time. Generally, increases and decreases in commodity costs are largely passed through to franchisee owners, resulting in higher or lower revenues and higher or lower costs of sales from our business. These changes may impact margins as many of these products are typically priced based on a fixed-dollar mark-up. We and our franchisees have some ability to increase product pricing to offset a rise in commodity prices, subject to acceptance by franchisees and guests.

Impact of Inflation

We believe that our results of operations are not materially impacted by moderate changes in the inflation rate. Inflation did not have a material impact on our operations in 2020, 2019 or 2018. However, severe increases in inflation could affect the global, Canadian and U.S. economies and could have an adverse impact on our business, financial condition and results of operations. If several of the various costs in our business experience inflation at the same time, such as commodity price increases beyond our ability to control and increased labor costs, we and our franchisees may not be able to adjust prices to sufficiently offset the effect of the various cost increases without negatively impacting consumer demand.

Disclosures Regarding Partnership Pursuant to Canadian Exemptive Relief

We are the sole general partner of Partnership. To address certain disclosure conditions to the exemptive relief that Partnership received from the Canadian securities regulatory authorities, we are providing a summary of certain terms of the Partnership exchangeable units. This summary is not complete and is qualified in its entirety by the complete text of the Amended and Restated Limited Partnership Agreement, dated December 11, 2014, between the Company, 8997896 Canada Inc. and each person who is admitted as a Limited Partner in accordance with the terms of the agreement (the "partnership agreement") and the Voting Trust Agreement, dated December 12, 2014, between the Company, Partnership and Computershare Trust Company of Canada (the "voting trust agreement"), copies of which are available on SEDAR at www.sedar.com and at www.sec.gov. For a description of our common shares, see Exhibit 4.1 to this Annual Report.

The Partnership Exchangeable Units

The capital of Partnership consists of three classes of units: the Partnership Class A common units, the Partnership preferred units and the Partnership exchangeable units. Our interest, as the sole general partner of Partnership, is represented by Class A common units and preferred units. The interests of the limited partners is represented by the Partnership exchangeable units.

Summary of Economic and Voting Rights

The Partnership exchangeable units are intended to provide economic rights that are substantially equivalent, and voting rights with respect to us that are equivalent, to the corresponding rights afforded to holders of our common shares. Under the terms of the partnership agreement, the rights, privileges, restrictions and conditions attaching to the Partnership exchangeable units include the following:

- The Partnership exchangeable units are exchangeable at any time, at the option of the holder (the "exchange right"), on a one-for-one basis for our common shares (the "exchanged shares"), subject to our right as the general partner (subject to the approval of the conflicts committee in certain circumstances) to determine to settle any such exchange for a cash payment in lieu of our common shares. If we elect to make a cash payment in lieu of issuing common shares, the amount of the cash payment will be the weighted average trading price of the common shares on the NYSE for the 20 consecutive trading days ending on the last business day prior to the exchange date (the "exchangeable units cash amount"). Written notice of the determination of the form of consideration shall be given to the holder of the Partnership exchangeable units exercising the exchange right no later than ten business days prior to the exchange date.
- If a dividend or distribution has been declared and is payable in respect of our common shares, Partnership will make a distribution in respect of each Partnership exchangeable unit in an amount equal to the dividend or distribution in respect of a common share. The record date and payment date for distributions on the Partnership exchangeable units will be the same as the relevant record date and payment date for the dividends or distributions on our common shares.
- If we issue any common shares in the form of a dividend or distribution on our common shares, Partnership will issue to each holder of Partnership exchangeable units, in respect of each exchangeable unit held by such holder, a number of Partnership exchangeable units equal to the number of common shares issued in respect of each common share.
- If we issue or distribute rights, options or warrants or other securities or assets to all or substantially all of the holders of our common shares, Partnership is required to make a corresponding distribution to holders of the Partnership exchangeable units.
- No subdivision or combination of our outstanding common shares is permitted unless a corresponding subdivision or combination of Partnership exchangeable units is made.
- We and our board of directors are prohibited from proposing or recommending an offer for our common shares or for the Partnership exchangeable units unless the holders of the Partnership exchangeable units and the holders of common shares are entitled to participate to the same extent and on an equitably equivalent basis.
- Upon a dissolution and liquidation of Partnership, if Partnership exchangeable units remain outstanding and have not been exchanged for our common shares, then the distribution of the assets of Partnership between holders of our common shares and holders of Partnership exchangeable units will be made on a pro rata basis based on the numbers of common shares and Partnership exchangeable units outstanding. Assets distributable to holders of Partnership exchangeable units will be distributed directly to such holders. Assets distributable in respect of our common shares will be distributed to us. Prior to this pro rata distribution, Partnership is required to pay to us sufficient amounts to fund our expenses or other obligations (to the extent related to our role as the general partner or our business and affairs that are conducted through Partnership or its subsidiaries) to ensure that any property

and cash distributed to us in respect of the common shares will be available for distribution to holders of common shares in an amount per share equal to distributions in respect of each Partnership exchangeable unit. The terms of the Partnership exchangeable units do not provide for an automatic exchange of Partnership exchangeable units into our common shares upon a dissolution or liquidation of Partnership or us.

- Approval of holders of the Partnership exchangeable units is required for an action (such as an amendment to the partnership agreement) that would affect the economic rights of a Partnership exchangeable unit relative to a common share.
- The holders of Partnership exchangeable units are indirectly entitled to vote in respect of matters on which holders of our common shares are entitled to vote, including in respect of the election of our directors, through a special voting share of the Company. The special voting share is held by a trustee, entitling the trustee to that number of votes on matters on which holders of common shares are entitled to vote equal to the number of Partnership exchangeable units outstanding. The trustee is required to cast such votes in accordance with voting instructions provided by holders of Partnership exchangeable units. The trustee will exercise each vote attached to the special voting share only as directed by the relevant holder of Partnership exchangeable units and, in the absence of instructions from a holder of an exchangeable unit as to voting, will not exercise those votes. Except as otherwise required by the partnership agreement, voting trust agreement or applicable law, the holders of the Partnership exchangeable units are not directly entitled to receive notice of or to attend any meeting of the unitholders of Partnership or to vote at any such meeting.

Exercise of Optional Exchange Right

In order to exercise the exchange right referred to above, a holder of Partnership exchangeable units must deliver to Partnership's transfer agent a duly executed exchange notice together with such additional documents and instruments as the transfer agent and Partnership may reasonably require. The exchange notice must (i) specify the number of Partnership exchangeable units in respect of which the holder is exercising the exchange right and (ii) state the business day on which the holder desires to have Partnership exchange the subject units, provided that the exchange date must not be less than 15 business days nor more than 30 business days after the date on which the exchange notice is received by Partnership. If no exchange date is specified in an exchange notice, the exchange date will be deemed to be the 15th business day after the date on which the exchange notice is received by Partnership. An exercise of the exchange right may be revoked by the exercising holder by notice in writing given to Partnership before the close of business on the fifth business day immediately preceding the exchange date. On the exchange date, Partnership will deliver or cause the transfer agent to deliver to the relevant holder, as applicable (i) the applicable number of exchanged shares, or (ii) a cheque representing the applicable exchangeable units cash amount, in each case, less any amounts withheld on account of tax.

Offers for Units or Shares

The partnership agreement contains provisions to the effect that if a take-over bid is made for all of the outstanding Partnership exchangeable units and not less than 90% of the Partnership exchangeable units (other than units of Partnership held at the date of the take-over bid by or on behalf of the offeror or its associates, affiliates or persons acting jointly or in concert with the offeror) are taken up and paid for by the offeror, the offeror will be entitled to acquire the Partnership exchangeable units held by unitholders who did not accept the offer on the terms offered by the offeror. The partnership agreement further provides that for so long as Partnership exchangeable units remain outstanding, (i) we will not propose or recommend a formal bid for our common shares, and no such bid will be effected with the consent or approval of our board of directors, unless holders of Partnership exchangeable units are entitled to participate in the bid to the same extent and on an equitably equivalent basis as the holders of our common shares, and (ii) we will not propose or recommend a formal bid for Partnership exchangeable units, and no such bid will be effected with the consent or approval of our board of directors, unless holders of the Company's common shares are entitled to participate in the bid to the same extent and on an equitably equivalent basis as the holders of Partnership exchangeable units. Canadian securities regulatory authorities may intervene in the public interest (either on application by an interested party or by staff of a Canadian securities regulatory authority) to prevent an offer to holders of our common shares, Preferred Shares or Partnership exchangeable units being made or completed where such offer is abusive of the holders of one of those security classes that are not subject to that offer.

Merger, Sale or Other Disposition of Assets

As long as any Partnership exchangeable units are outstanding, we cannot consummate a transaction in which all or substantially all of our assets would become the property of any other person or entity. This does not apply to a transaction if such other person or entity becomes bound by the partnership agreement and assumes our obligations, as long as the transaction does not impair in any material respect the rights, duties, powers and authorities of other parties to the partnership agreement.

Mandatory Exchange

Partnership may cause a mandatory exchange of the outstanding Partnership exchangeable units into our common shares in the event that (1) at any time there remain outstanding fewer than 5% of the number of Partnership exchangeable units outstanding as of the effective time of the Merger (other than Partnership exchangeable units held by us and our subsidiaries and as such number of Partnership exchangeable units may be adjusted in accordance with the partnership agreement); (2) any one of the following occurs: (i) any person, firm or corporation acquires directly or indirectly any voting security of the Company and immediately after such acquisition, the acquirer has voting securities representing more than 50% of the total voting power of all the then outstanding voting securities of the Company on a fully diluted basis, (ii) our shareholders shall approve a merger, consolidation, recapitalization or reorganization of the Company, other than any transaction which would result in the holders of outstanding voting securities of the Company immediately prior to such transaction having at least a majority of the total voting power represented by the voting securities of the surviving entity outstanding immediately after such transaction, with the voting power of each such continuing holder relative to other continuing holders not being altered substantially in the transaction; or (iii) our shareholders shall approve a plan of complete liquidation of the Company or an agreement for the sale or disposition of the Company of all or substantially all of our assets, provided that, in each case, we, in our capacity as the general partner of Partnership, determine, in good faith and in our sole discretion, that such transaction involves a bona fide third-party and is not for the primary purpose of causing the exchange of the Partnership exchangeable units in connection with such transaction; or (3) a matter arises in respect of which applicable law provides holders of Partnership exchangeable units with a vote as holders of units of Partnership in order to approve or disapprove, as applicable, any change to, or in the rights of the holders of, the Partnership exchangeable units, where the approval or disapproval, as applicable, of such change would be required to maintain the economic equivalence of the Partnership exchangeable units and our common shares, and the holders of the Partnership exchangeable units fail to take the necessary action at a meeting or other vote of holders of Partnership exchangeable units to approve or disapprove, as applicable, such matter in order to maintain economic equivalence of the Partnership exchangeable units and our common shares.

Management's Report on Internal Control Over Financial Reporting

Management is responsible for the preparation, integrity and fair presentation of the consolidated financial statements, related notes and other information included in this annual report. The consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and include certain amounts based on management's estimates and assumptions. Other financial information presented in the annual report is derived from the consolidated financial statements.

Management is also responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2020. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Management performed an assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2020 based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on our assessment and those criteria, management determined that the Company's internal control over financial reporting was effective as of December 31, 2020.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The effectiveness of the Company's internal control over financial reporting as of December 31, 2020 has been audited by KPMG LLP, the Company's independent registered public accounting firm, as stated in its report which is included herein.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Restaurant Brands International Inc. and subsidiaries (the "Company") as of December 31, 2020 and 2019, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2020, and the related notes (collectively, the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020 and 2019, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2020, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), the Company's internal control over financial reporting as of December 31, 2020, based on criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 23, 2021 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Changes in Accounting Principle

As discussed in Note 2 to the consolidated financial statements, the Company has changed its method of accounting for leases as of January 1, 2019, due to the adoption of Accounting Standards Codification Topic 842, *Leases*.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Gross unrecognized tax benefits

As discussed in Notes 2 and 10 to the consolidated financial statements, the Company records a liability for unrecognized tax benefits associated with uncertain tax positions. The Company recognizes tax benefits from tax positions only if there is more than a 50% likelihood that the tax positions will be sustained upon examination by the taxing authorities, based on the technical merits of the positions. As of December 31, 2020, the Company has recorded gross unrecognized tax benefits, excluding associated interest and penalties, of $497 million.

We identified the assessment of gross unrecognized tax benefits resulting from the implementation of certain tax planning strategies as a critical audit matter. Identifying and determining uncertain tax positions arising from implementing tax planning strategies involved a number of judgments and assumptions, which included complex considerations of tax law. As a result, subjective and complex auditor judgment, including the involvement of tax professionals with specialized skills and knowledge, was required to evaluate the Company's interpretation of tax law and its determination of which tax positions have more than a 50% likelihood of being sustained upon examination.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls over the Company's gross unrecognized tax benefit process, including controls related to 1) interpreting tax law, 2) identifying significant uncertain tax positions arising from tax planning strategies that were implemented during the year, 3) evaluating the tax consequences of the related strategies, and 4) evaluating which of the Company's tax positions may not be sustained upon examination. In addition, we involved tax professionals with specialized skills and knowledge, who assisted in:

- obtaining an understanding of the Company's tax planning strategies
- evaluating the Company's interpretation of the relevant tax laws by developing an independent assessment
- evaluating the Company's identification of uncertain tax positions to assess the tax consequences of these related tax positions
- performing an independent assessment of the Company's tax positions and comparing our assessment to the Company's assessment.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on Internal Control over Financial Reporting

We have audited Restaurant Brands International Inc. and subsidiaries' (the "Company") internal control over financial reporting as of December 31, 2020, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2020, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), the consolidated balance sheets of the Company as of December 31, 2020 and 2019, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2020, and the related notes (collectively, the "consolidated financial statements"), and our report dated February 23, 2021 expressed an unqualified opinion on those consolidated financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

RESTAURANT BRANDS INTERNATIONAL INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Note 1. Description of Business and Organization

Description of Business

Restaurant Brands International Inc. (the "Company," "RBI," "we," "us" or "our") is a Canadian corporation that serves as the sole general partner of Restaurant Brands International Limited Partnership (the "Partnership"). We franchise and operate quick service restaurants serving premium coffee and other beverage and food products under the *Tim Hortons*® brand ("Tim Hortons" or "TH"), fast food hamburgers principally under the *Burger King*® brand ("Burger King" or "BK"), and chicken under the *Popeyes*® brand ("Popeyes" or "PLK"). We are one of the world's largest quick service restaurant, or QSR, companies as measured by total number of restaurants. As of December 31, 2020, we franchised or owned 4,949 Tim Hortons restaurants, 18,625 Burger King restaurants, and 3,451 Popeyes restaurants, for a total of 27,025 restaurants, and operate in more than 100 countries. Approximately 100% of current system-wide restaurants are franchised.

All references to "$" or "dollars" are to the currency of the United States unless otherwise indicated. All references to "Canadian dollars" or "C$" are to the currency of Canada unless otherwise indicated.

COVID-19

The global crisis resulting from the spread of coronavirus ("COVID-19") has had a substantial impact on our global restaurant operations during 2020. During 2020, some TH, BK and PLK restaurants were temporarily closed in certain countries and many of the restaurants that remained open had limited operations, such as drive-thru, takeout and delivery (where applicable) and that currently remains the case.

Our operating results substantially depend upon our franchisees' sales volumes, restaurant profitability, and financial stability. The financial impact of COVID-19 has had, and is expected to continue for an uncertain period to have, an adverse effect on many of our franchisees' liquidity and we have worked closely with our franchisees to monitor and assist them with access to appropriate sources of liquidity in order to sustain their businesses throughout this crisis, such as offering rent relief programs for eligible franchisees who lease property from us. See Note 9, *Leases*, for further information about the rent relief programs. Additionally, we provided cash flow support by extending loans to eligible BK franchisees in the U.S. during the second and third quarters of 2020, and by advancing certain cash payments to eligible TH franchisees in Canada during the second quarter of 2020.

During 2020, we recorded bad debt expense of $33 million compared to insignificant bad debt expense during 2019 and 2018. While these receivables remain contractually due and payable to us, the certainty of the amount and timing of payments has been impacted by the COVID-19 pandemic. Therefore, our bad debt expense during 2020 reflects an adjustment to our historical collections experience to incorporate an estimate of the impact of current economic conditions resulting from the COVID-19 pandemic. Actual collections may be materially higher or lower than this estimate reflects since it is reasonably possible the duration and future impact of the COVID-19 pandemic on our business or our franchisees may differ from our assumptions. Ongoing material adverse effects of the COVID-19 pandemic on our franchisees for an extended period could negatively affect our operating results, including reductions in revenue and cash flow and could impact our impairment assessments of accounts receivable, long-lived assets, intangible assets or goodwill.

Note 2. Significant Accounting Policies

Basis of Presentation

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") and related rules and regulations of the U.S. Securities and Exchange Commission requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Principles of Consolidation

The consolidated financial statements (the "Financial Statements") include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest. All material intercompany balances and transactions have been eliminated in consolidation. Investments in other affiliates that are owned 50% or less where we have significant influence are accounted for by the equity method.

We are the sole general partner of Partnership and, as such we have the exclusive right, power and authority to manage, control, administer and operate the business and affairs and to make decisions regarding the undertaking and business of Partnership, subject to the terms of the partnership agreement of Partnership ("partnership agreement") and applicable laws. As a result, we consolidate the results of Partnership and record a noncontrolling interest in our consolidated balance sheets and statements of operations with respect to the remaining economic interest in Partnership we do not hold.

We also consider for consolidation entities in which we have certain interests, where the controlling financial interest may be achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity ("VIE"), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it. Our maximum exposure to loss resulting from involvement with VIEs is attributable to accounts and notes receivable balances, outstanding loan guarantees and future lease payments, where applicable.

As our franchise and master franchise arrangements provide the franchise and master franchise entities the power to direct the activities that most significantly impact their economic performance, we do not consider ourselves the primary beneficiary of any such entity that might be a VIE.

Tim Hortons has historically entered into certain arrangements in which an operator acquires the right to operate a restaurant, but Tim Hortons owns the restaurant's assets. In these arrangements, Tim Hortons has the ability to determine which operators manage the restaurants and for what duration. We perform an analysis to determine if the legal entity in which operations are conducted is a VIE and consolidate a VIE entity if we also determine Tim Hortons is the entity's primary beneficiary ("Restaurant VIEs"). As of December 31, 2020 and 2019, we determined that we are the primary beneficiary of 38 and 35 Restaurant VIEs, respectively, and accordingly, have consolidated the results of operations, assets and liabilities, and cash flows of these Restaurant VIEs in our Financial Statements.

Assets and liabilities related to consolidated VIEs are not significant to our total consolidated assets and liabilities. Liabilities recognized as a result of consolidating these VIEs do not necessarily represent additional claims on our general assets; rather, they represent claims against the specific assets of the consolidated VIEs. Conversely, assets recognized as a result of consolidating these VIEs do not represent additional assets that could be used to satisfy claims by our creditors as they are not legally included within our general assets.

Reclassifications

Certain prior year amounts in the accompanying consolidated financial statements and notes to the consolidated financial statements have been reclassified in order to be comparable with the current year classifications.

Foreign Currency Translation and Transaction Gains and Losses

Our functional currency is the U.S. dollar, since our term loans and senior secured notes are denominated in U.S. dollars, and the principal market for our common shares is the U.S. The functional currency of each of our operating subsidiaries is generally the currency of the economic environment in which the subsidiary primarily does business. Our foreign subsidiaries' financial statements are translated into U.S. dollars using the foreign exchange rates applicable to the dates of the financial statements. Assets and liabilities are translated using the end-of-period spot foreign exchange rates. Income, expenses and cash flows are translated at the average foreign exchange rates for each period. Equity accounts are translated at historical foreign exchange rates. The effects of these translation adjustments are reported as a component of accumulated other comprehensive income (loss) ("AOCI") in the consolidated statements of shareholders' equity.

For any transaction that is denominated in a currency different from the entity's functional currency, we record a gain or loss based on the difference between the foreign exchange rate at the transaction date and the foreign exchange rate at the transaction settlement date (or rate at period end, if unsettled) which is included within other operating expenses (income), net in the consolidated statements of operations.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less and credit card receivables are considered cash equivalents.

Inventories

Inventories are carried at the lower of cost or net realizable value and consist primarily of raw materials such as green coffee beans and finished goods such as new equipment, parts, paper supplies and restaurant food items. The moving average method is used to determine the cost of raw materials and finished goods inventories held for sale to Tim Hortons franchisees.

Property and Equipment, net

We record property and equipment at historical cost less accumulated depreciation and amortization, which is recognized using the straight-line method over the following estimated useful lives: (i) buildings and improvements – up to 40 years; (ii) restaurant equipment – up to 17 years; (iii) furniture, fixtures and other – up to 10 years; and (iv) manufacturing equipment – up to 25 years. Leasehold improvements to properties where we are the lessee are amortized over the lesser of the remaining term of the lease or the estimated useful life of the improvement.

Major improvements are capitalized, while maintenance and repairs are expensed when incurred.

Leases

We transitioned to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 842, *Leases* ("ASC 842"), from ASC Topic 840, *Leases* (the "Previous Standard") on January 1, 2019. Our Financial Statements reflect the application of ASC 842 guidance beginning in 2019, while our Financial Statements for prior periods were prepared under the guidance of the Previous Standard.

In all leases, whether we are the lessor or lessee, we define lease term as the noncancellable term of the lease plus any renewals covered by renewal options that are reasonably certain of exercise based on our assessment of the economic factors relevant to the lessee. The noncancellable term of the lease commences on the date the lessor makes the underlying property in the lease available to the lessee, irrespective of when lease payments begin under the contract.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term, and property revenue is presented net of any related sales tax. Lease incentive payments we make to lessees are amortized as a reduction in property revenue over the lease term. In accordance with ASC 842, we account for reimbursements of maintenance and property tax costs paid to us by lessees as property revenue. These expenses and reimbursements were presented on a net basis under the Previous Standard.

We also have net investments in properties leased to franchisees, which meet the criteria of sales-type leases under ASC 842 or met the criteria of direct financing leases under the Previous Standard. Investments in sales-type leases and direct financing leases are recorded on a net basis. Profit or loss on sales-type leases is recognized at lease commencement and recorded in other operating expenses (income), net. Unearned income on direct financing leases is deferred, included in the net investment in the lease, and recognized over the lease term yielding a constant periodic rate of return on the net investment in the lease.

We recognize variable lease payment income in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In accordance with ASC 842, in leases where we are the lessee, we recognize a right-of-use ("ROU") asset and lease liability at lease commencement, which are measured by discounting lease payments using our incremental borrowing rate as the discount rate. We determine the incremental borrowing rate applicable to each lease by reference to our outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease, as adjusted for the currency of the lease. Subsequent amortization of the ROU asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions of the ROU asset and the change in the lease liability are included in changes in Other long-term assets and liabilities in the Consolidated Statement of Cash Flows.

Under the Previous Standard, we did not recognize assets and liabilities for the rights and obligations created by operating leases and recorded rental expense for operating leases on a straight-line basis over the lease term, net of any applicable lease incentive amortization.

A finance lease ROU asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease ROU assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment in accordance with ASC 842. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease cost.

We recognize variable lease cost in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in connection with the acquisition of Popeyes in 2017, the acquisition of Tim Hortons in 2014 and the acquisition of Burger King Holdings, Inc. by 3G Capital Partners Ltd. in 2010. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, and the *Popeyes* brand (each a "Brand" and together, the "Brands"). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change which indicate impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass the qualitative assessment and proceed directly to a quantitative impairment test for any reporting unit or Brand in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting unit, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand's fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for a Brand, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess.

We completed our impairment tests for goodwill and the Brands as of October 1, 2020, 2019 and 2018 and no impairment resulted.

Long-Lived Assets

Long-lived assets, such as property and equipment, intangible assets subject to amortization and lease right-of-use assets, are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset or asset group may not be recoverable. Some of the events or changes in circumstances that would trigger an impairment review include, but are not limited to, bankruptcy proceedings or other significant financial distress of a lessee; significant negative industry or economic trends; knowledge of transactions involving the sale of similar property at amounts below the carrying value; or our expectation to dispose of long-lived assets before the end of their estimated useful lives. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from use and eventual disposition of the assets or asset group. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we record an impairment charge equal to the excess, if any, of the net carrying value over fair value.

Other Comprehensive Income (Loss)

Other comprehensive income (loss) ("OCI") refers to revenues, expenses, gains and losses that are included in comprehensive income (loss), but are excluded from net income (loss) as these amounts are recorded directly as an adjustment to shareholders' equity, net of tax. Our other comprehensive income (loss) is primarily comprised of unrealized gains and losses on foreign currency translation adjustments and unrealized gains and losses on hedging activity, net of tax.

Derivative Financial Instruments

We recognize and measure all derivative instruments as either assets or liabilities at fair value in the consolidated balance sheets. We may enter into derivatives that are not designated as hedging instruments for accounting purposes, but which largely offset the economic impact of certain transactions.

Gains or losses resulting from changes in the fair value of derivatives are recognized in earnings or recorded in other comprehensive income (loss) and recognized in the consolidated statements of operations when the hedged item affects earnings, depending on the purpose of the derivatives and whether they qualify for, and we have applied, hedge accounting treatment.

When applying hedge accounting, we designate at a derivative's inception, the specific assets, liabilities or future commitments being hedged, and assess the hedge's effectiveness at inception and on an ongoing basis. We discontinue hedge accounting when: (i) we determine that the cash flow derivative is no longer effective in offsetting changes in the cash flows of a hedged item; (ii) the derivative expires or is sold, terminated or exercised; (iii) it is no longer probable that the forecasted transaction will occur; or

(iv) management determines that designation of the derivatives as a hedge instrument is no longer appropriate. We do not enter into or hold derivatives for speculative purposes.

Disclosures about Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date (the exit price). The fair value is based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Level 1 Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The carrying amounts for cash and cash equivalents, accounts and notes receivable and accounts and drafts payable approximate fair value based on the short-term nature of these amounts.

We carry all of our derivatives at fair value and value them using various pricing models or discounted cash flow analysis that incorporate observable market parameters, such as interest rate yield curves and currency rates, which are Level 2 inputs. Derivative valuations incorporate credit risk adjustments that are necessary to reflect the probability of default by the counterparty or us. For disclosures about the fair value measurements of our derivative instruments, see Note 11, *Derivative Instruments*.

The following table presents the fair value of our variable rate term debt and senior notes, estimated using inputs based on bid and offer prices that are Level 2 inputs, and principal carrying amount (in millions):

	As of December 31,	
	2020	**2019**
Fair value of our variable term debt and senior notes	$ 12,477	$ 12,075
Principal carrying amount of our variable term debt and senior notes	12,453	11,900

The determination of fair values of our reporting units and the determination of the fair value of the Brands for impairment testing using a quantitative approach during 2020, 2019 and 2018 were based upon Level 3 inputs.

Revenue Recognition

Sales

Sales consist primarily of supply chain sales, which represent sales of products, supplies and restaurant equipment to franchisees, as well as sales to retailers and are presented net of any related sales tax. Orders placed by customers specify the goods to be delivered and transaction prices for supply chain sales. Revenue is recognized upon transfer of control over ordered items, generally upon delivery to the customer, which is when the customer obtains physical possession of the goods, legal title is transferred, the customer has all risks and rewards of ownership and an obligation to pay for the goods is created. Shipping and handling costs associated with outbound freight for supply chain sales are accounted for as fulfillment costs and classified as cost of sales.

To a much lesser extent, sales also include Company restaurant sales (including Restaurant VIEs), which consist of sales to restaurant guests. Revenue from Company restaurant sales is recognized at the point of sale. Taxes assessed by a governmental authority that we collect are excluded from revenue.

Franchise revenues

Franchise revenues consist primarily of royalties, advertising fund contributions, initial and renewal franchise fees and upfront fees from development agreements and master franchise and development agreements ("MFDAs"). Under franchise agreements, we provide franchisees with (i) a franchise license, which includes a license to use our intellectual property and, in those markets where our subsidiaries manage an advertising fund, advertising and promotion management, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials and menu items and restaurant monitoring and inspections. The services we provide under franchise agreements are highly interrelated and dependent upon the franchise license and we concluded the services do not represent individually distinct performance obligations. Consequently, we bundle the franchise

license performance obligation and promises to provide services into a single performance obligation, which we satisfy by providing a right to use our intellectual property over the term of each franchise agreement.

Royalties, including franchisee contributions to advertising funds managed by our subsidiaries, are calculated as a percentage of franchise restaurant sales over the term of the franchise agreement. Under our franchise agreements, advertising contributions paid by franchisees must be spent on advertising, product development, marketing and related activities. Initial and renewal franchise fees are payable by the franchisee upon a new restaurant opening or renewal of an existing franchise agreement. Our franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to our performance obligation under the franchise agreement and are recognized as franchise sales occur. Additionally, initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement. Our performance obligation under development agreements other than MFDAs generally consists of an obligation to grant exclusive development rights over a stated term. These development rights are not distinct from franchise agreements, so upfront fees paid by franchisees for exclusive development rights are deferred and apportioned to each franchise restaurant opened by the franchisee. The pro rata amount apportioned to each restaurant is accounted for as an initial franchise fee.

We have a distinct performance obligation under our MFDAs to grant subfranchising rights over a stated term. Under the terms of MFDAs, we typically either receive an upfront fee paid in cash and/or receive noncash consideration in the form of an equity interest in the master franchisee or an affiliate of the master franchisee. We account for noncash consideration as investments in the applicable equity method investee and recognize revenue in an amount equal to the fair value of the equity interest received. Upfront fees from master franchisees, including the fair value of noncash consideration, are deferred and amortized over the MFDA term on a straight-line basis. We may recognize unamortized upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract.

The portion of gift cards sold to customers which are never redeemed is commonly referred to as gift card breakage. We recognize gift card breakage income proportionately as each gift card is redeemed using an estimated breakage rate based on our historical experience.

Property revenues

Property revenues consists of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases and are excluded from the scope of revenue recognition guidance.

Advertising and Promotional Costs

Company restaurants and franchise restaurants contribute to advertising funds that our subsidiaries manage in the United States and Canada and certain other international markets. The advertising funds expense the production costs of advertising when the advertisements are first aired or displayed. All other advertising and promotional costs are expensed in the period incurred. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing and related activities. Advertising contributions received from franchisees are included in franchise and property revenues and advertising expenses are included as selling, general and administrative expenses. Advertising expenses included in selling, general and administrative expenses totaled $857 million for 2020, $858 million for 2019 and $793 million for 2018. The advertising contributions by Company restaurants (including Restaurant VIEs) are eliminated in consolidation.

Deferred Financing Costs

Deferred financing costs are amortized over the term of the related debt agreement into interest expense using the effective interest method.

Income Taxes

Amounts in the Financial Statements related to income taxes are calculated using the principles of ASC Topic 740, *Income Taxes*. Under these principles, deferred tax assets and liabilities reflect the impact of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and the amounts recognized for tax purposes, as well as tax credit carry-forwards and loss carry-forwards. These deferred taxes are measured by applying currently enacted tax rates. A deferred tax asset is recognized when it is considered more-likely-than-not to be realized. The effects of changes in tax rates on deferred tax assets and liabilities are recognized in income in the year in which the law is enacted. A valuation allowance reduces deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

We recognize positions taken or expected to be taken in a tax return in the Financial Statements when it is more-likely-than-not (i.e., a likelihood of more than 50%) that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit with greater than 50% likelihood of being realized upon ultimate settlement.

Translation gains and losses resulting from the remeasurement of foreign deferred tax assets or liabilities denominated in a currency other than the functional currency are classified as other operating expenses (income), net in the consolidated statements of operations.

Share-based Compensation

Compensation expense related to the issuance of share-based awards to our employees is measured at fair value on the grant date. We use the Black-Scholes option pricing model to value stock options. The compensation expense for awards that vest over a future service period is recognized over the requisite service period on a straight-line basis, adjusted for estimated forfeitures of awards that are not expected to vest. We use historical data to estimate forfeitures for share-based awards. Upon the end of the service period, compensation expense is adjusted to account for the actual forfeiture rate. The compensation expense for awards that contain performance conditions is recognized when it is probable that the performance conditions will be achieved.

New Accounting Pronouncements

Credit Losses – In June 2016, the FASB issued guidance that requires companies to measure and recognize lifetime expected credit losses for certain financial instruments, including trade accounts receivable and net investments in direct financing and sales-type leases. Expected credit losses are estimated using relevant information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amount. This amendment was effective commencing in 2020, using a modified retrospective approach. The adoption of this new guidance did not have a material impact on our Financial Statements.

Simplifying the Accounting for Income Taxes – In December 2019, the FASB issued guidance which simplifies the accounting for income taxes by removing certain exceptions and by clarifying and amending existing guidance applicable to accounting for income taxes. The amendment is effective commencing in 2021 with early adoption permitted. We do not anticipate the adoption of this new guidance will have a material impact on our Financial Statements.

Accounting Relief for the Transition Away from LIBOR and Certain other Reference Rates – In March 2020 and as clarified in January 2021, the FASB issued guidance which provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform. This amendment is effective as of March 12, 2020 through December 31, 2022. The expedients and exceptions provided by this new guidance do not apply to contract modifications made and hedging relationships entered into or evaluated after December 31, 2022, except for hedging relationships existing as of December 31, 2022, that an entity has elected certain optional expedients for and that are retained through the end of the hedging relationships. We are currently evaluating the impact that the adoption of this new guidance will have on our Financial Statements and have not adopted any of the transition relief available under the new guidance as of December 31, 2020.

Note 3. Earnings per Share

An economic interest in Partnership common equity is held by the holders of Class B exchangeable limited partnership units (the "Partnership exchangeable units"), which is reflected as a noncontrolling interest in our equity. See Note 12, *Shareholders' Equity*.

Basic and diluted earnings per share is computed using the weighted average number of shares outstanding for the period. We apply the treasury stock method to determine the dilutive weighted average common shares represented by outstanding equity awards, unless the effect of their inclusion is anti-dilutive. The diluted earnings per share calculation assumes conversion of 100% of the Partnership exchangeable units under the "if converted" method. Accordingly, the numerator is also adjusted to include the earnings allocated to the holders of noncontrolling interests.

The following table summarizes the basic and diluted earnings per share calculations (in millions, except per share amounts):

	2020	2019	2018
Numerator:			
Net income attributable to common shareholders - basic	$ 486	$ 643	$ 612

The aggregate carrying amount of our equity method investments was $205 million and $266 million as of December 31, 2020 and 2019, respectively, and is included as a component of Other assets, net in our consolidated balance sheets. TH and BK both have equity method investments. PLK did not have any equity method investments as of December 31, 2020 and 2019.

With respect to our TH business, the most significant equity method investment is our 50.0% joint venture interest with The Wendy's Company (the "TIMWEN Partnership"), which jointly holds real estate underlying Canadian combination restaurants. Distributions received from this joint venture were $8 million, $13 million and $13 million during 2020, 2019 and 2018, respectively.

Except for the following equity method investments, no quoted market prices are available for our other equity method investments. The aggregate market value of our 15.3% equity interest in Carrols Restaurant Group, Inc. ("Carrols") based on the quoted market price on December 31, 2020 is approximately $59 million. The aggregate market value of our 9.4% equity interest in BK Brasil Operação e Assessoria a Restaurantes S.A. based on the quoted market price on December 31, 2020 is approximately $47 million. As of December 31, 2020, the fair value of these equity method investments exceeds the carrying amount.

We recorded increases to the carrying value of our equity method investment balances and non-cash dilution gains in the amounts of $11 million and $20 million during 2019 and 2018, respectively. No non-cash dilution gains were recorded during 2020. The dilution gains resulted from the issuance of capital stock by our equity method investees, which reduced our ownership interests in these equity method investments. The dilution gains we recorded in connection with the issuance of capital stock reflect adjustments to the differences between the amount of underlying equity in the net assets of equity method investees before and after their issuance of capital stock.

Credit Facilities

On September 6, 2019, two of our subsidiaries (the "Borrowers") entered into a fourth incremental facility amendment (the "Fourth Incremental Amendment") to the credit agreement governing our senior secured term loan facilities (the "Term Loan Facilities") and our senior secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the "Revolving Credit Facility" and together with the Term Loan Facilities, the "Credit Facilities"). Under the Fourth Incremental Amendment, (i) we obtained a new term loan in the aggregate principal amount of $750 million (the "Term Loan A") with a maturity date of October 7, 2024 (subject to earlier maturity in specified circumstances), (ii) the interest rate applicable to the Term Loan A and Revolving Credit Facility is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (b) a Eurocurrency rate, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% and 1.50%, in each case, determined by reference to a net first lien leverage based pricing grid, (iii) the aggregate principal amount of the commitments under our Revolving Credit Facility was increased to $1,000 million, (iv) the maturity date of the Revolving Credit Facility was extended from October 13, 2022 to October 7, 2024 (subject to earlier maturity in specified circumstances), and (v) the commitment fee on the unused portion of the Revolving Credit Facility was decreased from 0.25% to 0.15%. At December 31, 2020, the interest rate on the Term Loan A was 1.40%. The principal amount of the Term Loan A amortizes in quarterly installments equal to $5 million until October 7, 2022 and thereafter in quarterly installments equal to $9 million until maturity, with the balance payable at maturity. The Term Loan A will require compliance with a net first lien leverage ratio (described below). Except as described herein, the Fourth Incremental Amendment did not materially change the terms of the Credit Facilities. In connection with the Fourth Incremental Amendment, we capitalized approximately $7 million in debt issuance costs.

Our Credit Facilities also include a senior secured term loan B facility (the "Term Loan B"). In September 2019, we voluntarily prepaid $235 million principal amount of our Term Loan B and, in connection with this prepayment, we recorded a loss on early extinguishment of debt of $4 million that primarily reflects the write-off of related unamortized debt issuance costs and discounts.

On November 19, 2019, the Borrowers entered into a fourth amendment (the "Fourth Amendment") to the credit agreement governing our Credit Facilities. Under the Fourth Amendment, (i) the outstanding aggregate principal amount under our Term Loan B was decreased to $5,350 million as a result of a repayment of $720 million from a portion of the net proceeds of the 2019 4.375% Senior Notes (defined below), (ii) the interest rate applicable to our Term Loan B was reduced to, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin of 0.75%, or (b) a Eurocurrency rate, subject to a floor of 0.00%, plus an applicable margin of 1.75%, and (iii) the maturity date of our Term Loan B was extended from February 17, 2024 to November 19, 2026. At December 31, 2020, the interest rate on the Term Loan B was 1.90%. The principal amount of the Term Loan B amortizes in quarterly installments equal to $13 million until maturity, with the balance payable at maturity. Except as described herein, the Fourth Amendment did not materially change the terms of the Credit Facilities.

In connection with the Fourth Amendment, we capitalized approximately $24 million in debt issuance costs and original issue discount and recorded a loss on early extinguishment of debt of $16 million that primarily reflects the write-off of related unamortized debt issuance costs and discounts and fees incurred.

On April 2, 2020, the Borrowers entered into a fifth amendment (the "Fifth Amendment") to the credit agreement governing our Credit Facilities. The Fifth Amendment provides the Borrowers with the option to comply with a $1,000 million minimum liquidity covenant in lieu of the 6.50:1.00 net first lien senior secured leverage ratio financial maintenance covenant for the period after June 30, 2020 and prior to September 30, 2021. Additionally, for the periods ending September 30, 2021 and December 31, 2021, to determine compliance with the net first lien senior secured leverage ratio, we are permitted to annualize the Adjusted EBITDA (as defined in the Credit Agreement) for the three months ending September 30, 2021 and six months ending December 31, 2021, respectively, in lieu of calculating the ratio based on Adjusted EBITDA for the prior four quarters. There were no other material changes to the terms of the Credit Agreement.

Revolving Credit Facility

As of December 31, 2020, we had no amounts outstanding under our Revolving Credit Facility. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or share repurchases, to fund acquisitions or capital expenditures and for other general corporate purposes. We have a $125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. Under the Fourth Incremental Amendment, the interest rate applicable to amounts drawn under each letter of credit decreased from a range of 1.25% to 2.00% to a range of 0.75% to 1.50%, depending on our net first lien leverage ratio. As of December 31, 2020, we had $2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was $998 million.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the direct parent company of one of the Borrowers and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Corporation, Popeyes Louisiana Kitchen, Inc. and substantially all of their respective Canadian and U.S. subsidiaries (the "Credit Guarantors"). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and Credit Guarantor.

The 2020 4.00% Senior Notes Indenture also contains optional redemption provisions related to tender offers, change of control and equity offerings, among others.

Restrictions and Covenants

Our Credit Facilities, as well as the 2017 4.25% Senior Notes Indenture, 2019 3.875% Senior Notes Indenture, 2020 5.75% Senior Notes Indenture, 2020 3.50% Senior Notes Indenture, 2019 4.375% Senior Notes Indenture and 2020 4.00% Senior Notes Indenture (all together the "Senior Notes Indentures") contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities, the Borrowers are not permitted to exceed a first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first fiscal quarter of 2020, (1) any amounts are outstanding under the Term Loan A and/or (2) the sum of (i) the amount of letters of credit outstanding exceeding $50 million (other than those that are cash collateralized); (ii) outstanding amounts under the Revolving Credit Facility and (iii) outstanding amounts of swing line loans, exceeds 30.0% of the commitments under the Revolving Credit Facility. As indicated above, the Fifth Amendment provides the Borrowers with the option to comply with a $1,000 million minimum liquidity covenant in lieu of the 6.50:1.00 net first lien senior secured leverage ratio financial maintenance covenant for the period after June 30, 2020 and prior to September 30, 2021.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2020, we were in compliance with applicable financial debt covenants under the Credit Facilities and the Senior Notes Indentures and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C$225 million with a maturity date of October 4, 2025 (the "TH Facility"). The interest rate applicable to the TH Facility is the Canadian Bankers' Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by four of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. During 2020, we drew down the remaining availability of C$125 million under the TH Facility and, as of December 31, 2020, we had outstanding C$222 million under the TH Facility with a weighted average interest rate of 1.86%.

Debt Issuance Costs

During 2020 and 2019, we incurred aggregate deferred financing costs of $43 million and $50 million, respectively. No significant deferred financing costs were incurred in 2018.

Loss on Early Extinguishment of Debt

During 2020, we recorded a $98 million loss on early extinguishment of debt that primarily reflects the payment of premiums and the write-off of unamortized debt issuance costs in connection with the full redemption of the 2017 5.00% Senior Notes and the partial redemption of the 2017 4.25% Senior Notes. During 2019, we recorded a $23 million loss on early extinguishment of debt, which primarily reflects the write-off of unamortized debt issuance costs and discounts in connection with the prepayment and refinancing of the Term Loan B and the redemption of our 2015 4.625% Senior Notes.

Note 9. Leases

As of December 31, 2020, we leased or subleased 5,116 restaurant properties to franchisees and 171 non-restaurant properties to third parties under operating leases, direct financing leases and sales-type leases where we are the lessor. Initial lease terms generally range from 10 to 20 years. Most leases to franchisees provide for fixed monthly payments and many provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent, determined as a percentage of sales, generally when annual sales exceed specific levels. Lessees typically bear the cost of maintenance, insurance and property taxes.

We lease land, buildings, equipment, office space and warehouse space from third parties. Land and building leases generally have an initial term of 10 to 20 years, while land-only lease terms can extend longer, and most leases provide for fixed monthly payments. Many of these leases provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent payments, determined as a percentage of sales, generally when annual sales exceed specified levels. Most leases also obligate us to pay, as lessee, variable lease cost related to maintenance, insurance and property taxes.

We transitioned to ASC 842 on January 1, 2019 on a modified retrospective basis using the effective date transition method. Our transition to ASC 842 represents a change in accounting principle. The $21 million cumulative effect of our transition to ASC 842 is reflected as an adjustment to January 1, 2019 Shareholders' equity.

During 2020, we offered rent relief programs for eligible TH and BK franchisees who lease property from us, under which we temporarily converted the rent structure from a combination of fixed plus variable rent to 100% variable rent (the “rent relief programs”). The rent relief program concluded for BK franchisees during the three months ended September 30, 2020 and the rent relief program was extended through the end of 2021 for eligible TH franchisees.

In April 2020, the FASB staff issued interpretive guidance that permits entities to make an election to account for lease concessions related to the effects of the COVID-19 pandemic consistent with how those concessions would be accounted for under ASC 842, as though enforceable rights and obligations for those concessions existed. We elected to apply this interpretive guidance to the rent relief programs while in effect. As such, reductions in rents arising from the rent relief programs are recognized as reductions in variable lease payments.

In December 2017, the U.S. government enacted comprehensive tax legislation commonly referred to as the Tax Cuts and Jobs Act (the "Tax Act") that significantly revised the U.S. tax code. During 2020, various guidance was issued by the U.S. tax authorities relating to the Tax Act and, after review of such guidance, we recorded a favorable adjustment to our deferred tax assets of $64 million related to a tax attribute carryforward, which decreased our 2020 effective tax rate by 7.8%. In 2018, favorable adjustments of $9 million as a result of the remeasurement of net deferred tax liabilities, $3 million related to certain deductions allowed to be carried forward before the Tax Act, and $15 million related to transitional repatriation tax on unremitted foreign earnings were recorded, which decreased our 2018 effective tax rate by 1.9%.

In a referendum held on May 19, 2019, Swiss voters adopted the Federal Act on Tax Reform and AVS Financing ("TRAF"), under which certain long-standing preferential cantonal tax regimes were abolished effective January 1, 2020, which the canton of Zug formally adopted in November 2019. Company subsidiaries in the canton of Zug were subjected to TRAF and therefore the TRAF impacted our consolidated results of operations during 2020 and 2019. In 2020, a deferred tax asset was recorded due to an election made under TRAF by one of our Swiss subsidiaries and, in 2019, our Swiss company subsidiaries remeasured their deferred tax assets and liabilities based on new future tax rates expected under TRAF. The amounts impacting income tax expense for the effects of the changes from the TRAF were approximately $41 million in 2020 which decreased our 2020 effective tax rate by approximately 5.1%, and approximately $16 million in 2019 which increased our 2019 effective tax rate by approximately 1.1%.

Companies subject to the Global Intangible Low-Taxed Income provision (GILTI) have the option to account for the GILTI tax as a period cost if and when incurred, or to recognize deferred taxes for outside basis temporary differences expected to reverse as GILTI. We have elected to account for GILTI as a period cost.

The valuation allowance had a net increase of $35 million during 2020 primarily due to the change in estimates related to derivatives and the utilization of foreign tax credits. This increase was partially offset by the utilization of capital losses that had been previously valued.

We are generally permanently reinvested on any potential outside basis differences except for unremitted earnings and profits. A determination of the deferred tax liability on this amount is not practicable due to the complexities, variables and assumptions inherent in the hypothetical calculations. Thus we have not provided taxes, including U.S. federal and state income, foreign income, or foreign withholding taxes, for any outside basis differences that we believe are permanently invested. We will continue to monitor available evidence and our plans for foreign earnings and expect to continue to provide any applicable deferred taxes based on the tax liability or withholding taxes that would be due upon repatriation of amounts not considered permanently reinvested.

We had $497 million and $506 million of unrecognized tax benefits at December 31, 2020 and December 31, 2019, respectively, which if recognized, would favorably affect the effective income tax rate. A reconciliation of the beginning and ending amounts of unrecognized tax benefits is as follows (in millions):

	2020	2019	2018
Beginning balance	$ 506	$ 441	$ 461
Additions for tax positions related to the current year	9	9	1
Additions for tax positions of prior years	7	56	18
Reductions for tax positions of prior year	(25)	—	(18)
Reductions for settlement	—	—	(18)
Reductions due to statute expiration	—	—	(3)
Ending balance	$ 497	$ 506	$ 441

During the twelve months beginning January 1, 2021, it is reasonably possible we will reduce unrecognized tax benefits by approximately $90 million, primarily as a result of the expiration of certain statutes of limitations and the resolution of audits in multiple taxing jurisdictions.

We recognize interest and penalties related to unrecognized tax benefits in income tax expense. The total amount of accrued interest and penalties was $123 million and $92 million at December 31, 2020 and 2019, respectively. Potential interest and penalties associated with uncertain tax positions in various jurisdictions recognized was $31 million during 2020, $41 million during 2019 and $14 million during 2018. To the extent interest and penalties are not assessed with respect to uncertain tax positions, amounts accrued will be reduced and reflected as a reduction of the overall income tax provision.

We file income tax returns with Canada and its provinces and territories. Generally, we are subject to routine examinations by the Canada Revenue Agency (“CRA”). The CRA is conducting examinations of the 2014 through 2016 taxation years. Additionally, income tax returns filed with various provincial jurisdictions are generally open to examination for periods up to six years subsequent to the filing of the respective return.

We also file income tax returns, including returns for our subsidiaries, with U.S. federal, U.S. state, and other foreign jurisdictions. We are subject to routine examination by taxing authorities in the U.S. jurisdictions, as well as other foreign tax jurisdictions. None of the other foreign jurisdictions have been individually material. We expect the taxable years 2014, 2015 and 2016 for our U.S. companies for U.S. federal income tax purposes to close in 2021 without material adjustments. Prior taxable years

of such U.S. companies are closed for U.S. federal income tax purposes. We have various U.S. state and other foreign income tax returns in the process of examination. From time to time, these audits result in proposed assessments where the ultimate resolution may result in owing additional taxes. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters.

Note 11. Derivative Instruments

Disclosures about Derivative Instruments and Hedging Activities

We enter into derivative instruments for risk management purposes, including derivatives designated as cash flow hedges, derivatives designated as net investment hedges and those utilized as economic hedges. We use derivatives to manage our exposure to fluctuations in interest rates and currency exchange rates.

Interest Rate Swaps

At December 31, 2020, we had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of $3,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities beginning October 31, 2019 through the termination date of November 19, 2026. Additionally, at December 31, 2020, we also had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of $500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities effective September 30, 2019 through the termination date of September 30, 2026. At inception, all of these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value are recorded in AOCI and reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

During 2019, we extended the term of our previous $3,500 million receive-variable, pay-fixed interest rate swaps to align the maturity date of the new interest rate swaps with the maturity date of our Term Loan B under the Fourth Amendment. The extension of the term resulted in a de-designation and re-designation of the interest rate swaps and the swaps continue to be accounted for as a cash flow hedge for hedge accounting. In connection with the de-designation, we recognized a net unrealized loss of $213 million in AOCI and this amount gets reclassified into Interest expense, net as the original hedged forecasted transaction affects earnings. The amount of pre-tax losses in AOCI as of December 31, 2020 that we expect to be reclassified into interest expense within the next 12 months is $50 million.

During 2015, we entered into a series of receive-variable, pay-fixed interest rate swaps with a notional value of $2,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities beginning May 28, 2015. All of these interest rate swaps were settled on April 26, 2018 for an insignificant cash receipt. At inception, these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value were recorded in AOCI and reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

During 2015, we settled certain interest rate swaps and recognized a net unrealized loss of $85 million in AOCI at the date of settlement. This amount gets reclassified into Interest expense, net as the original hedged forecasted transaction affects earnings. The amount of pre-tax losses in AOCI as of December 31, 2020 that we expect to be reclassified into interest expense within the next 12 months is $11 million.

Cross-Currency Rate Swaps

To protect the value of our investments in our foreign operations against adverse changes in foreign currency exchange rates, we hedge a portion of our net investment in one or more of our foreign subsidiaries by using cross-currency rate swaps. At December 31, 2020, we had outstanding cross-currency rate swap contracts between the Canadian dollar and U.S. dollar and the Euro and U.S. dollar that have been designated as net investment hedges of a portion of our equity in foreign operations in those currencies. The component of the gains and losses on our net investment in these designated foreign operations driven by changes in foreign exchange rates are economically partly offset by movements in the fair value of our cross-currency swap contracts. The fair value of the swaps is calculated each period with changes in fair value reported in AOCI, net of tax. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

At December 31, 2020, we had outstanding fixed-to-fixed cross-currency rate swaps to partially hedge the net investment in our Canadian subsidiaries. At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as net investment hedges. These swaps are contracts to exchange quarterly fixed-rate interest payments we make on the Canadian dollar notional amount of C$6,754 million for quarterly fixed-rate interest payments we receive on the U.S. dollar notional amount of $5,000 million through the maturity date of June 30, 2023.

At December 31, 2020, we had outstanding cross-currency rate swaps in which we pay quarterly fixed-rate interest payments on the Euro notional amount of €1,108 million and receive quarterly fixed-rate interest payments on the U.S. dollar notional amount of $1,200 million. At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as a net investment hedge. During 2018, we extended the term of the swaps from March 31, 2021 to the maturity date of February 17, 2024. The extension of the term resulted in a re-designation of the hedge and the swaps continue to be accounted for as a net investment hedge. Additionally, at December 31, 2020, we also had outstanding cross-currency rate swaps in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional value of $400 million, entered during 2018, and $500 million, entered during 2019, through the maturity date of February 17, 2024. At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as a net investment hedge.

The fixed to fixed cross-currency rate swaps hedging Canadian dollar and Euro net investments utilized the forward method of effectiveness assessment prior to March 15, 2018. On March 15, 2018, we de-designated and subsequently re-designated the outstanding fixed to fixed cross-currency rate swaps to prospectively use the spot method of hedge effectiveness assessment. Additionally, as a result of adopting new hedge accounting guidance during 2018, we elected to exclude the interest component (the "Excluded Component") from the accounting hedge without affecting net investment hedge accounting and elected to amortize the Excluded Component over the life of the derivative instrument. The amortization of the Excluded Component is recognized in Interest expense, net in the consolidated statement of operations. The change in fair value that is not related to the Excluded Component is recorded in AOCI and will be reclassified to earnings when the foreign subsidiaries are sold or substantially liquidated.

Foreign Currency Exchange Contracts

We use foreign exchange derivative instruments to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee purchases made by our Canadian Tim Hortons operations. At December 31, 2020, we had outstanding forward currency contracts to manage this risk in which we sell Canadian dollars and buy U.S. dollars with a notional value of $122 million with maturities to January 2022. We have designated these instruments as cash flow hedges, and as such, the unrealized changes in market value of effective hedges are recorded in AOCI and are reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

Credit Risk

By entering into derivative contracts, we are exposed to counterparty credit risk. Counterparty credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is in an asset position, the counterparty has a liability to us, which creates credit risk for us. We attempt to minimize this risk by selecting counterparties with investment grade credit ratings and regularly monitoring our market position with each counterparty.

Credit-Risk Related Contingent Features

Our derivative instruments do not contain any credit-risk related contingent features.

Note 12. Shareholders' Equity

Special Voting Share

The holders of the Partnership exchangeable units are indirectly entitled to vote in respect of matters on which holders of the common shares of the Company are entitled to vote, including in respect of the election of RBI directors, through a special voting share of the Company (the "Special Voting Share"). The Special Voting Share is held by a trustee, entitling the trustee to that number of votes on matters on which holders of common shares of the Company are entitled to vote equal to the number of Partnership exchangeable units outstanding. The trustee is required to cast such votes in accordance with voting instructions provided by holders of Partnership exchangeable units. At any shareholder meeting of the Company, holders of our common shares vote together as a single class with the Special Voting Share except as otherwise provided by law.

Noncontrolling Interests

We reflect a noncontrolling interest which primarily represents the interests of the holders of Partnership exchangeable units in Partnership that are not held by RBI. The holders of Partnership exchangeable units held an economic interest of approximately 33.7% and 35.7% in Partnership common equity through the ownership of 155,113,338 and 165,507,199 Partnership exchangeable units as of December 31, 2020 and 2019, respectively.

Pursuant to the terms of the partnership agreement, each holder of a Partnership exchangeable unit is entitled to distributions from Partnership in an amount equal to any dividends or distributions that we declare and pay with respect to our common shares. Additionally, each holder of a Partnership exchangeable unit is entitled to vote in respect of matters on which holders of RBI common shares are entitled to vote through our special voting share. Since December 12, 2015, a holder of a Partnership exchangeable unit may require Partnership to exchange all or any portion of such holder's Partnership exchangeable units for our common shares at a ratio of one common share for each Partnership exchangeable unit, subject to our right as the general partner of Partnership, in our sole discretion, to deliver a cash payment in lieu of our common shares. If we elect to make a cash payment in lieu of issuing common shares, the amount of the payment will be the weighted average trading price of the common shares on the New York Stock Exchange for the 20 consecutive trading days ending on the last business day prior to the exchange date.

During 2020, Partnership exchanged 10,393,861 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by repurchasing 6,757,692 Partnership exchangeable units for approximately $380 million in cash and exchanging 3,636,169 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2019, Partnership exchanged 42,016,392 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging 42,016,392 Partnership exchangeable units for the same number of newly issued RBI common shares. During 2018, Partnership exchanged 10,185,333 Partnership exchangeable units, pursuant to exchange notices received. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by repurchasing 10,000,000 Partnership exchangeable units for approximately $561 million in cash and exchanging 185,333 Partnership exchangeable units for the same number of newly issued RBI common shares. The exchanges represented increases in our ownership interest in Partnership and were accounted for as equity transactions, with no gain or loss recorded in the consolidated statements of operations. Pursuant to the terms of the partnership agreement, upon the exchange of Partnership exchangeable units, each such Partnership exchangeable unit was cancelled concurrently with the exchange.

Note 13. Share-based Compensation

Our Amended and Restated 2014 Omnibus Incentive Plan (the "Omnibus Plan") provides for the grant of awards to employees, directors, consultants and other persons who provide services to us and our affiliates. We also have some outstanding awards under legacy plans for BK and TH, that were assumed in connection with the merger and amalgamation of those entities within the RBI group. No new awards may be granted under these legacy BK plans or legacy TH plans.

We are currently issuing awards under the Omnibus Plan and the number of shares available for issuance under such plan as of December 31, 2020 was 11,591,247. The Omnibus Plan permits the grant of several types of awards with respect to our common shares, including stock options, time-vested RSUs, and performance-based RSUs, which may include Company and/or individual performance based-vesting conditions. Under the terms of the Omnibus Plan, RSUs are entitled to dividend equivalents, unless otherwise noted. Dividend equivalents are not distributed unless the related awards vest. Upon vesting, the amount of the dividend equivalent, which is distributed in additional RSUs, except in the case of RSUs awarded to non-management members of our board of directors, is equal to the equivalent of the aggregate dividends declared on common shares during the period from the date of grant of the award compounded until the date the shares underlying the award are delivered.

Stock option awards are granted with an exercise price or market value equal to the closing price of our common shares on the trading day preceding the date of grant. We satisfy stock option exercises through the issuance of authorized but previously unissued common shares. New stock option grants generally cliff vest 5 years from the original grant date, provided the employee is continuously employed by us or one of our affiliates, and the stock options expire 10 years following the grant date. Additionally, if we terminate the employment of a stock option holder without cause prior to the vesting date, or if the employee retires or becomes disabled, the employee will become vested in the number of stock options as if the stock options vested 20% on each anniversary of the grant date. If the employee dies, the employee will become vested in the number of stock options as if the stock options vested 20% on the first anniversary of the grant date, 40% on the second anniversary of the grant date and 100% on the third anniversary of the grant date. If an employee is terminated with cause or resigns before vesting, all stock options are forfeited. If there is an event such as a return of capital or dividend that is determined to be dilutive, the exercise price of the awards will be adjusted accordingly.

Share-based compensation expense consists of the following for the periods presented (in millions):

	2020	2019	2018
Stock options and RSUs (a)	$ 74	$ 68	$ 48
Total share-based compensation expense (b)	$ 74	$ 68	$ 48

(a) Includes $3 million, $4 million, and $2 million due to modification of awards in 2020, 2019 and 2018, respectively.
(b) Generally classified as selling, general and administrative expenses in the consolidated statements of operations.

As of December 31, 2020, total unrecognized compensation cost related to share-based compensation arrangements was $192 million and is expected to be recognized over a weighted-average period of approximately 3.3 years.

The following assumptions were used in the Black-Scholes option-pricing model to determine the fair value of stock option awards at the grant date:

	2020	2019	2018
Risk-free interest rate	1.29%	1.82%	2.13%
Expected term (in years)	5.88	6.19	6.39
Expected volatility	23.9%	25.5%	25.2%
Expected dividend yield	3.14%	3.09%	3.08%

The risk-free interest rate was based on the U.S. Treasury or Canadian Sovereign bond yield with a remaining term equal to the expected option life assumed at the date of grant. The expected term was calculated based on the analysis of a five-year vesting period coupled with our expectations of exercise activity. Expected volatility was based on the historical and implied equity volatility of the Company and a review of the equity volatilities of publicly-traded guideline companies. The expected dividend yield is based on the annual dividend yield at the time of grant.

The following is a summary of stock option activity under our plans for the year ended December 31, 2020:

	Total Number of Options (in 000's)	Weighted Average Exercise Price	Aggregate Intrinsic Value (a) (in 000's)	Weighted Average Remaining Contractual Term (Years)
Outstanding at January 1, 2020	9,758	$ 45.29		
Granted	1,626	$ 66.47		
Exercised	(2,448)	$ 33.57		
Forfeited	(734)	$ 58.60		
Outstanding at December 31, 2020	8,202	$ 51.86	$ 88,022	6.3
Exercisable at December 31, 2020	2,281	$ 39.71	$ 48,816	3.8
Vested or expected to vest at December 31, 2020	7,491	$ 51.22	$ 84,558	6.2

(a) The intrinsic value represents the amount by which the fair value of our stock exceeds the option exercise price at December 31, 2020.

The weighted-average grant date fair value per stock option granted was $10.38, $11.83, and $10.82 during 2020, 2019 and 2018, respectively. The total intrinsic value of stock options exercised was $55 million during 2020, $200 million during 2019, and $371 million during 2018.

The fair value of the time-vested RSUs and performance-based RSUs is based on the closing price of the Company's common shares on the trading day preceding the date of grant. New grants generally cliff vest five years from the original grant date. The Company has awarded a limited number of time-vested RSUs and performance-based RSUs that proportionally vest over a period shorter than five years. Time-vested RSUs are expensed over the vesting period. Performance-based RSUs are expensed over the vesting period, based upon the probability that the performance target will be met. We grant fully vested RSUs, with dividend equivalent rights that accrue in cash, to non-employee members of our board of directors in lieu of a cash retainer and committee fees. All such RSUs will settle and common shares of the Company will be issued upon termination of service by the board member.

The time-vested RSUs generally cliff vest five years from December 31st of the year preceding the grant date and performance-based RSUs generally cliff vest five years from the grant date (the starting date for the applicable five year vesting period is referred to as the "Anniversary Date"). If the employee is terminated for any reason within the first two years of the Anniversary Date, 100% of the time-vested RSUs granted will be forfeited. If we terminate the employment of a time-vested RSU holder without cause two years after the Anniversary Date, or if the employee retires, the employee will become vested in the number of time-vested RSUs as if the time-vested RSUs vested 20% for each year after the Anniversary Date. If the employee is terminated for any reason within the first three years of the Anniversary Date, 100% of the performance-based RSUs granted will be forfeited. If we terminate the employment of a performance-based RSU holder without cause between three and five years after the Anniversary Date, or if the employee retires, the employee will become vested in 50% of the performance-based RSUs. An alternate ratable vesting schedule applies to the extent the participant ends employment by reason of death or disability.

The following is a summary of time-vested RSUs and performance-based RSUs activity for the year ended December 31, 2020:

	Time-vested RSUs		Performance-based RSUs	
	Total Number of Shares (in 000's)	Weighted Average Grant Date Fair Value	Total Number of Shares (in 000's)	Weighted Average Grant Date Fair Value
Outstanding at January 1, 2020	1,752	$ 46.50	4,066	$ 53.78
Granted	337	$ 65.20	1,291	$ 62.69
Vested and settled	(217)	$ 40.42	(164)	$ 47.32
Dividend equivalents granted	56	$ —	182	$ —
Forfeited	(167)	$ 47.69	(506)	$ 32.91
Outstanding at December 31, 2020	1,761	$ 49.99	4,869	$ 56.96

The weighted-average grant date fair value of time-vested RSUs granted was $64.82 and $57.68 during 2019 and 2018, respectively. The weighted-average grant date fair value of performance-based RSUs granted was $65.54 and $58.49 during 2019 and 2018, respectively. The total fair value, determined as of the date of vesting, of RSUs vested and converted to common shares of the Company during 2020, 2019 and 2018 was $21 million, $8 million and $7 million, respectively.

Note 14. Revenue Recognition

Revenue from Contracts with Customers

We transitioned to ASC 606 on January 1, 2018 using the modified retrospective transition method. Our transition to ASC 606 represented a change in accounting principle. The $250 million cumulative effect of our transition to ASC 606 is reflected as an adjustment to January 1, 2018 Shareholders' equity, and relates primarily to changes in accounting for franchise fees, advertising funds, gift card breakage and related tax effects under ASC 606.

Contract Liabilities

Contract liabilities consist of deferred revenue resulting from initial and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the underlying agreement. We classify these contract liabilities as Other liabilities, net in our consolidated balance sheets. The following table reflects the change in contract liabilities by segment and on a consolidated basis between December 31, 2019 and December 31, 2020 (in millions):

Contract Liabilities	TH	BK	PLK	Consolidated

Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods.

Litigation settlements and reserves, net primarily reflects accruals and payments made and proceeds received in connection with litigation matters.

Net losses (gains) on foreign exchange is primarily related to revaluation of foreign denominated assets and liabilities.

Note 16. Commitments and Contingencies

Letters of Credit

As of December 31, 2020, we had $13 million in irrevocable standby letters of credit outstanding, which were issued primarily to certain insurance carriers to guarantee payments of deductibles for various insurance programs, such as health and commercial liability insurance. Of these letters of credit outstanding, $2 million are secured by the collateral under our Revolving Credit Facility and the remainder are secured by cash collateral. As of December 31, 2020, no amounts had been drawn on any of these irrevocable standby letters of credit.

Purchase Commitments

We have arrangements for information technology and telecommunication services with an aggregate contractual obligation of $43 million over the next three years, some of which have early termination fees. We also enter into commitments to purchase advertising. As of December 31, 2020, these commitments totaled $186 million and run through 2024.

Litigation

From time to time, we are involved in legal proceedings arising in the ordinary course of business relating to matters including, but not limited to, disputes with franchisees, suppliers, employees and customers, as well as disputes over our intellectual property.

On October 5, 2018, a class action complaint was filed against Burger King Worldwide, Inc. (“BKW”) and Burger King Corporation (“BKC”) in the U.S. District Court for the Southern District of Florida by Jarvis Arrington, individually and on behalf of all others similarly situated. On October 18, 2018, a second class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Monique Michel, individually and on behalf of all others similarly situated. On October 31, 2018, a third class action complaint was filed against BKC and BKW in the U.S. District Court for the Southern District of Florida by Geneva Blanchard and Tiffany Miller, individually and on behalf of all others similarly situated. On November 2, 2018, a fourth class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Sandra Muster, individually and on behalf of all others similarly situated. These complaints have been consolidated and allege that the defendants violated Section 1 of the Sherman Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King franchisees are required to sign. Each plaintiff seeks injunctive relief and damages for himself or herself and other members of the class. On March 24, 2020, the Court granted BKC’s motion to dismiss for failure to state a claim and on April 20, 2020 the plaintiffs filed a motion for leave to amend their complaint. On April 27, 2020, BKC filed a motion opposing the motion for leave to amend. The court denied the plaintiffs motion for leave to amend their complaint in August 2020 and the plaintiffs are appealing this ruling. While we currently believe these claims are without merit, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

In July 2019, a class action complaint was filed against The TDL Group Corp. ("TDL") in the Supreme Court of British Columbia by Samir Latifi, individually and on behalf of all others similarly situated. The complaint alleges that TDL violated the Canadian Competition Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Tim Hortons franchisees are required to sign. The plaintiff seeks damages and restitution, on behalf of himself and other members of the class. While we currently believe this claim is without merit, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

On June 30, 2020, a class action complaint was filed against Restaurant Brands International Inc., Restaurant Brands International Limited Partnership and The TDL Group Corp. in the Quebec Superior Court by Steve Holcman, individually and on behalf of all Quebec residents who downloaded the Tim Hortons mobile application. On July 2, 2020, a Notice of Action related to a second class action complaint was filed against Restaurant Brands International Inc., in the Ontario Superior Court by Ashley Sitko and Ashley Cadeau, individually and on behalf of all Canadian residents who downloaded the Tim Hortons mobile application. On August 31, 2020, a notice of claim was filed against Restaurant Brands International Inc. in the Supreme Court of British Columbia by Wai Lam Jacky Law on behalf of all persons in Canada who downloaded the Tim Hortons mobile application or the Burger King mobile application. On September 30, 2020, a notice of action was filed against Restaurant Brands International Inc., Restaurant Brands International Limited Partnership, The TDL Group Corp., Burger King Worldwide, Inc. and Popeyes Louisiana Kitchen, Inc. in the Ontario Superior Court of Justice by William Jung on behalf of a to be determined class. All of the complaints allege that the defendants violated the plaintiff's privacy rights, the Personal Information Protection and Electronic Documents Act, consumer protection and competition laws or app-based undertakings to users, in each case in connection with the collection of geolocation data through the Tim Hortons mobile application, and in certain cases, the Burger King and Popeyes mobile applications. Each plaintiff seeks injunctive relief and monetary damages for himself or herself and other members of the class. These cases are in preliminary stages and we intend to vigorously defend against these lawsuits, but we are unable to predict the ultimate outcome of any of these cases or estimate the range of possible loss, if any.

On October 26, 2020, City of Warwick Municipal Employees Pension Fund, a purported stockholder of Restaurant Brands International Inc., individually and putatively on behalf of all other stockholders similarly situated, filed a lawsuit in the Supreme Court of the State of New York County of New York naming the Company and certain of its officers, directors and shareholders as defendants alleging violations of Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, as amended, in connection with certain offerings of securities by an affiliate in August and September 2019. The complaint alleges that the shelf registration statement used in connection with such offering contained certain false and/or misleading statements or omissions. The complaint seeks, among other relief, class certification of the lawsuit, unspecified compensatory damages, rescission, pre-judgement and post-judgement interest, costs and expenses. On December 18, 2020 the plaintiffs filed an amended complaint and on February 16, 2021 the Company filed a motion to dismiss the complaint. The Company intends to vigorously defend. While we believe these claims are without merit, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

On February 5, 2021, Paul J. Graney, a purported shareholder of Restaurant Brands International, individually and putatively on behalf of all other stockholders similarly situated, filed a lawsuit in the U.S. District Court for the Southern District of Florida naming the Company and certain of its current or former officers as defendants. This lawsuit alleges violation of Sections 10 and 20(a) of the Securities Exchange Act of 1934, as amended, in connection with certain statements made beginning in April 2019. The complaint seeks, among other relief, class certification of the lawsuit, unspecified compensatory damages, costs, and expenses. The Company intends to vigorously defend. While we believe these claims are without merit, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

Note 17. Segment Reporting and Geographical Information

As stated in Note 1, *Description of Business and Organization*, we manage three brands. Under the *Tim Hortons* brand, we operate in the donut/coffee/tea category of the quick service segment of the restaurant industry. Under the *Burger King* brand, we operate in the fast food hamburger restaurant category of the quick service segment of the restaurant industry. Under the *Popeyes* brand, we operate in the chicken category of the quick service segment of the restaurant industry. Our business generates revenue from the following sources: (i) franchise revenues, consisting primarily of royalties based on a percentage of sales reported by franchise restaurants and franchise fees paid by franchisees; (ii) property revenues from properties we lease or sublease to franchisees; and (iii) sales at restaurants owned by us ("Company restaurants"). In addition, our TH business generates revenue from sales to franchisees related to our supply chain operations, including manufacturing, procurement, warehousing and distribution, as well as sales to retailers.

Our management structure and financial reporting is organized around our three brands, including the information regularly reviewed by our Chief Executive Officer, who is our Chief Operating Decision Maker. Therefore, we have three operating segments: (1) TH, which includes all operations of our *Tim Hortons* brand, (2) BK, which includes all operations of our *Burger King* brand, and (3) PLK, which includes all operations of our *Popeyes* brand. Our three operating segments represent our reportable segments.

As stated in Note 9, *Leases*, we transitioned to ASC 842 from the Previous Standard on January 1, 2019. Our Financial Statements reflect the application of ASC 842 guidance beginning in 2019, while our Financial Statements for prior periods were prepared under the guidance of the Previous Standard.

Item 9B. ***Other Items***

Item 5.02 Departure of Directors or Certain Officers; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e)

On December 8, 2020, the Compensation Committee of the Board of Directors (the "Compensation Committee") modified the 2020 Annual Bonus Swap Program that had been previously approved to change the vesting of all newly granted matching restricted stock units ("RSUs") from cliff vesting after five years to vesting ratably over four years. Pursuant to RBI's Bonus Swap Program, RBI provides eligible employees, including its named executive officers, or NEOs, the ability to invest 25% or 50% of their calculated net cash bonus for 2020 (after deducting an amount based on a theoretical tax rate of 40%) into RBI common shares ("Investment Shares"). Employees who elect to purchase Investment Shares receive matching RSUs. The number of matching RSUs that they receive depends on their Swap Election Percentage and their level within the organization. All of RBI's eligible NEOs elected to participate in the 2020 Bonus Swap Program at the 50% level. The matching RSUs will vest ratably on December 31, 2021, 2022, 2023 and 2024. All unvested matching RSUs will be forfeited if an NEO's service (including service on the Board of Directors of RBI) is terminated for any reason.

On December 8, 2020, the Compensation Committee approved the 2021 Bonus Swap Program on substantially the same terms as the 2020 Bonus Swap Program, except that the compensation committee increased the RSU match at each level.

On December 8, 2020, the Compensation Committee approved modifications to the performance criteria for performance share units ("PSUs") issued by RBI in 2019 and 2020. The PSUs issued in 2019 and some of the PSUs issued in 2020 originally would be earned based on meeting a specific compound annual growth rate for organic Adjusted EBITDA for the three-year period from 2019 through 2021, with a catch-up mechanism that allowed for a reduced payout based on a target for the four year period including 2022. Other PSUs issued in 2020 originally would be earned based on a two year compound annual growth rate of comparable sales for Tim Hortons in Canada for 2020 and 2021, with a catch-up mechanism that allowed for reduced payout based on a target for the three -year period including 2022. Given the effects of the COVID-19 pandemic on our business, the ability to meet these targets is greatly diminished, negatively affecting the retentive value. This situation is intensified by RBI's practice of granting larger amounts of PSUs on a periodic basis with several years of grants based on the same multi-year period, as opposed to a more regular annual grant practice, with rolling performance cycles, that many other companies utilize. Therefore, if a tranche of PSUs were to lose all value, the individuals holding that tranche may not have other tranches that cover different periods or goals.

In order to preserve the retention value of the PSUs described above, recognize the contributions from our employees to confront the challenges posed by the pandemic and incentivize continued performance for recovery and a move toward growth in 2021, the Compensation Committee approved a modification of the performance criteria for all of these awards based on a formula consisting of: 30% based on a comparable sales target, 20% based on a net restaurant growth ("NRG") target and 50% based on an organic Adjusted EBITDA target, in each case, the targets are one-year targets based on 2021 budget. Each of these targets could be earned between a threshold of 50% and a maximum of 200%, provided that the total payout for the awards is capped at 100% of target and subject to a threshold payout of 50%. The new performance criteria do not contain a catch-up provision and are subject to the same vesting as the original awards. A copy of the Amended Performance Award Agreement between RBI and each of the NEOs is filed herewith as Exhibit 10.36(c). This summary is qualified in its entirety to the full text of that award agreement.

Also on December 8, 2020, the Compensation Committee determined to rebalance the mix of base salary and annual incentive compensation for NEOs to be more competitive. These changes will be effective March 1, 2021. For Mr. Cil, his base salary will increase from $800,000 to $950,000 while his target annual incentive percentage will decrease from 300% to 230%. For Mr. Dunnigan, his base salary will increase from $550,000 to $600,000 while his target annual incentive compensation will decrease from 150% to 130%. For Mr. Kobza, his base salary will increase from $650,000 to $800,000 while his target annual incentive percentage will decrease from 250% to 185%. For Ms. Granat, her base salary will increase from $550,000 to $575,000 while her target annual incentive percentage will decrease from 150% to 140%.

On December 8, 2020, the Compensation Committee approved the 2021 Annual Bonus Program, which has been updated to decrease the amount of compensation tied to individual metrics and add components based on comparable sales and NRG. For 2021 annual incentive, each of the NEOs will have 25% of the target based on achievement of individual metrics which may be earned from a threshold of 0% up to 100%; 20% of the target based on comparable sales achievement which may be earned from a threshold of 50% to a maximum of 200%; 15% of the target based on NRG achievement which may be earned from a threshold of 50% to a maximum of 200%; and 40% of the target based on organic Adjusted EBITDA achievement which may be earned from a threshold of

50% to a maximum of 200%. Overall, any annual incentive payout will require (1) achievement of the threshold amount of Adjusted EBITDA, (2) that individual achievement must also be earned at no less than 50% and (3) that certain general and administrative expense targets must be met. Additionally, annual incentives will be subject to a 30% reduction if the minimum free cash flow target established for the applicable year is not achieved.

On January 19, 2021, the Compensation Committee approved discretionary awards to Messrs. Cil, Kobza, and Dunnigan and Ms. Granat, which consist of approximately 1/3 RSUs and 2/3 performance based RSUs at target. The grants were 49,500 RSUs and 100,500 PBRSUs for Mr. Cil, 41,250 RSUs and 83,750 PBRSUs for Mr. Kobza, 16,500 RSUs and 33,500 PBRSUs for Mr. Dunnigan and 9,900 RSUs and 20,100 PBRSUs for Ms. Granat. The RSUs vest ratably on December 31 of 2021, 2022 and 2023. The performance measure for purposes of determining the number of PBRSUs earned is the relative total shareholder return of RBI shares on the NYSE compared to the S&P 500 for the period from December 31, 2020 to December 31, 2023. The Compensation Committee established a target performance level at the 50th percentile, a performance threshold at or above which 50% of target is earned and below which no shares are earned at the 25th percentile, a performance level to earn 150% of the target at the 75th percentile and a maximum performance level at the 90th percentile at or above which 200% of the target is earned. Once earned, the PBRSUs will cliff vest on February 19, 2024. In addition, if an executive's service to RBI is terminated (other than due to death or disability) prior to February 19, 2023, he or she will forfeit the entire award. A copy of the form of Restricted Stock Unit Awards Agreement between RBI and each of the NEOs is filed herewith as Exhibit 10.36(d) and a copy of the Performance Award Agreement between RBI and each of the NEOs is filed herewith as Exhibit 10.36(e). This summary is qualified in its entirety to the full text of those award agreements.

Pursuant to Section 8 of the Plan, you have been granted Restricted Stock Units (the **"RSUs"**) on the following terms and subject to the provisions of the Plan, which is incorporated herein by reference. The RSUs are granted in connection with your purchase of Shares in the Restaurant Brands International, Inc. (the "**Company**") 2020 Bonus Swap Program (the "**Related Shares**"). In the event of a conflict between the provisions of the Plan and this Award Agreement, the provisions of the Plan will govern.

EXHIBIT A

TERMS AND CONDITIONS OF THE MATCHING RESTRICTED STOCK UNIT AWARD AGREEMENT

No Payment for Shares.

No payment is required for Shares that you receive under this Award.

Restricted Stock Units.

Each RSU represents a right to receive one Share subject to the terms and conditions of the Plan and this Award Agreement.

Vesting.

The RSUs will vest on the Vesting Dates as set forth in this Award Agreement, subject to your continued Service through each Vesting Date and to the section below entitled "Termination" and "Forfeiture of Unvested RSUs upon the Transfer of Related Shares" For the avoidance of doubt, Service during only a portion of the vesting period, but where your Service is terminated prior to a Vesting Date, does not entitle you to pro-rata vesting of any RSUs.

Adjustment for Certain Events.

If and to the extent that it would not cause a violation of Section 409A of the Code or other applicable law, if any Corporate Event described in Section 5(d) of the Plan shall occur, the Committee shall make an adjustment as described in such Section 5(d) in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights provided under this Award.

Termination.

Upon termination of your Service prior to any Vesting Date, you will forfeit all of your RSUs that are unvested at the time of termination without any consideration due to you. For the purposes of the Plan and this Award Agreement, your Service will not be deemed to be terminated in the event that you transfer employment from the Company to any Affiliate or from an Affiliate to the Company or another Affiliate, as the case may be.

Except in case of your death, your Service terminates on the day you receive written notice of termination or provide notice of resignation. For greater clarity, the date of termination of your Service will not be extended by any period of notice of termination of employment, payment in lieu of notice or severance mandated under local law, whether statutory, contractual or at common law (*e.g.*, active employment would not include a period of "garden leave" or similar period pursuant to local law) regardless of

the reason for such termination and whether or not later found to be invalid or in breach of laws in the jurisdiction where you are rendering Service or the terms of your employment agreement, if any. The Committee shall have the exclusive discretion to determine the date of termination of your Service for purposes of this Award (including whether you may still be considered to be providing services while on a leave of absence).

In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a termination of your Service on this Award and the terms of any employment agreement, the terms of your employment agreement will govern.

Subject to any terms and conditions that the Committee may impose in accordance with Section 13 of the Plan, in the event that a Change in Control occurs and, within twelve (12) months following the date of such Change in Control, your Service is terminated by your employer (the "**Employer**") Without Cause (as defined herein), this Award shall vest in full upon such termination. In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a Change in Control on this Award and the terms of any employment agreement, the terms of this Award Agreement will govern.

For purposes of this Award Agreement, the following terms shall have the following meanings:

"**Cause**" means (i) a material breach by you of any of your obligations under any written employment agreement with the Company or any of its Affiliates, (ii) a material violation by you of any of the policies, procedures, rules and regulations of the Company or any of its Affiliates applicable to employees or other service providers generally or to employees or other service providers at your payband; (iii) the failure by you to reasonably and substantially perform your duties to the Company or its Affiliates (other than as a result of physical or mental illness or injury); (iv) your willful misconduct or gross negligence that has caused or is reasonably expected to result in material injury to the business, reputation or prospects of the Company or any of its Affiliates; (v) your fraud or misappropriation of funds; or (vi) the commission by you of a felony or other serious crime involving moral turpitude; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "cause" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement.

If you are terminated Without Cause and, within the twelve (12) month period subsequent to such termination of your Service, the Company determines that your Service could have been terminated for Cause, subject to anything to the contrary that may be contained in your employment agreement at the time of termination of your Service, your Service will, at the election of the Company, be deemed to have been terminated for Cause, effective as of the date the events giving rise to Cause occurred.

"**Disability**" means (i) a physical or mental condition entitling you to benefits under the long-term disability policy of the company covering you or (ii) in the absence of any such policy, a physical or mental condition rendering you unable to perform your duties for the Company or any Affiliate for a period of six (6) consecutive months or longer; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "disability" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement.

"**Vesting Date**" means December 31 of each of ____, ____, ____and ____, or such earlier vesting date as may be provided in this Award Agreement.

"**Without Cause**" means a termination of your Service by you for "Good Reason," if you have an employment agreement that defines the term "Good Reason," or by the Employer other than any such termination by the Employer for Cause or due to your death or Disability; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "without cause" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement. Notwithstanding the foregoing, if you are a party to an employment agreement at the time of termination of your Service and such employment agreement provides that a termination of your Service by you for "Good Reason" constitutes termination of your Service "Without Cause," such termination for Good Reason shall not constitute termination Without Cause for purposes of the acceleration of your RSUs following a Change in Control.

Forfeiture of Unvested RSUs upon the Transfer of Related Shares.

If you Transfer (other than pursuant to the laws of descent and distribution) any of the Related Shares or any Shares received upon vesting under this Award Agreement, net of Shares withheld for Taxes ("Vested Shares") before any Vesting Date, you will immediately forfeit all unvested RSUs.

Settlement of RSUs.

The Company shall deliver to you (or your Beneficiary, if applicable) a number of Shares equal to the number of RSUs that vest in accordance with this Award Agreement as soon as practicable (but in no event more than 60 days) following the applicable Vesting Date. You will have no rights of a shareholder with respect to the RSUs until such Shares have been delivered to you.

Dividend Equivalents.

During the term of this Award Agreement, you shall be automatically granted additional RSUs with respect to a number of Shares (rounded to six decimal places)

having a Fair Market Value as of the applicable dividend payment date equal to the value of any dividends or other distributions that would have been distributed to you if each of the Shares to be delivered to you upon settlement of the RSUs instead was an issued and outstanding Share owned by you ("**Dividend Equivalents**"). The additional RSUs granted to you as Dividend Equivalents shall be subject to the same terms and conditions under this Award Agreement as the RSUs to which they relate, and shall vest and be settled (rounded down to the nearest whole number) in the same manner and at the same times as the RSUs to which they relate. Each Dividend Equivalent shall be treated as a separate payment for purposes of Section 409A of the Code.

Taxes.

Regardless of any action the Company or your Employer takes with respect to any or all income tax, social security or insurance, fringe benefits tax, payroll tax, payment on account or other tax-related withholding ("**Tax-Related Items**"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant, vesting or settlement of RSUs, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends or Dividend Equivalents; and (ii) do not commit to structure the terms of the grant or any aspect of this Award to reduce or eliminate your liability for Tax-Related Items.

Prior to the relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding and payment on account obligations of the Company and/or the Employer. In this regard, you authorize the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by you from your wages or other cash compensation payable to you by the Company and/or the Employer. Alternatively, or in addition, if permissible under local law, the Company may in its sole and absolute discretion (1) sell or arrange for the sale of Shares that you acquire to meet the withholding obligation for Tax-Related Items (on your behalf pursuant to this authorization without further consent), and/or (2) withhold the amount of Shares necessary to satisfy the Tax-Related Items.

The Company may withhold or account for Tax-Related Items by considering statutory withholding rates or other withholding rates, including maximum rates applicable in your jurisdiction. In the event of over-withholding, you may receive a refund of any over-withheld amount in cash and will have no entitlement to the equivalent in Shares, or if not refunded, you may seek a refund from the applicable tax authorities. In the event of under-withholding, you may be required to pay additional Tax-Related Items directly to the applicable tax authorities or to the Company and/or Employer. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to

the vested RSU, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, you will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to deliver the Shares if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

No Guarantee of Continued Service.

You acknowledge and agree that vesting of this Award on the applicable Vesting Dates is earned only by performing continuing Service (not through the act of being hired or being granted this Award). You further acknowledge and agree that this Award Agreement, the transactions contemplated hereunder and the Vesting Dates shall not be construed as giving you the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss you, free from any liability or any claim under the Plan, unless otherwise expressly provided in any other agreement binding you, the Company or the applicable Affiliate. The receipt of this Award is not intended to confer any rights on you except as set forth in this Award Agreement.

Termination for Cause; Restrictive Covenants.

In consideration for the grant of this Award and for other good and valuable consideration, the sufficiency of which is acknowledged by you, you agree as follows:

Upon (i) a termination of your Service for Cause, (ii) a retroactive termination of your Service for Cause as permitted herein or under your employment agreement, or (iii) a violation of any post-termination restrictive covenant (including, without limitation, non-disclosure, non-competition and/or non-solicitation) contained in your employment agreement, or any separation or termination or similar agreement you may enter into with the Company or one of its Affiliates in connection with termination of your Service, any Award you hold shall be immediately forfeited and the Company may require that you repay (with interest or appreciation (if any), as applicable, determined up to the date payment is made), and you shall promptly repay to the Company the Fair Market Value (in cash or in Shares) of any Shares received upon the settlement of RSUs during the period beginning on the date that is one year before the date of your termination and ending on the first anniversary of the date of your termination. The Fair Market Value of any such Shares shall be determined as of the date on which the RSUs were settled.

Company's Right of Offset.

If you become entitled to a distribution of benefits under this Award, and if at such time you have any outstanding debt, obligation, or other liability representing an amount owing to the Company or any of its Affiliates, then the Company or its Affiliates,

upon a determination by the Committee, and to the extent permitted by applicable law and not causing a violation of Section 409A of the Code, may offset such amount so owing against the amount of benefits otherwise distributable. Such determination shall be made by the Committee.

Acknowledgment of Nature of Award.

In accepting the grant of this Award, you acknowledge that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and may be modified, amended, suspended or terminated by the Company at any time, as provided in the Plan;

(b) the grant of this Award is voluntary, occasional and discretionary and does not create any contractual or other right to receive future awards of RSUs, or benefits in lieu of RSUs even if RSUs have been awarded in the past;

(c) all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(d) your participation in the Plan is voluntary;

(e) this Award and any Shares acquired under the Plan, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculation of any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(f) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(g) if you receive Shares, the value of such Shares acquired upon settlement may increase or decrease in value; and

(h) no claim or entitlement to compensation or damages arises from termination of this Award, and no claim or entitlement to compensation or damages shall arise from any diminution in value of the RSUs or Shares received upon settlement of the RSUs resulting from termination of your Service, and you irrevocably release the Company and the Employer from any such claim that may arise.

Securities Laws.

By accepting this Award, you acknowledge that Canadian or other applicable securities laws, including, without limitation, U.S. securities laws and/or the Company's policies regarding trading in its securities, may limit or restrict your right to buy or sell Shares, including, without limitation, sales of Shares acquired in connection with this Award. You agree to comply with all Canadian and any other applicable securities law

requirements, including, without limitation, any U.S. securities law requirements and Company policies, as such laws and policies are amended from time to time.

Data Privacy Notice and Consent.

You hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this Award Agreement by and among, as applicable, the Employer, the Company and its other Affiliates for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Company, the Employer and/or other Affiliates hold certain personal information about you, including, but not limited to, your name, home address, email address and telephone number, date of birth, social insurance or social security number, passport or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all RSUs or any other entitlement to Shares awarded, canceled, vested, unvested or outstanding in your favor ("Data"), for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that Data will be transferred to Solium Capital or such other third party assisting in the implementation, administration and management of the Plan, that these recipients may be located in Canada, the United States or elsewhere, and that the recipient's country may have different data privacy laws and protections than your country. You understand that, if you reside in the European Economic Area, you may request a list with the names and addresses of any potential recipients of Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan. You understand that, if you reside in the European Economic Area, you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand that refusal or withdrawal of consent may affect your ability to participate in the Plan. Further, you understand that you are providing the consents herein on a purely voluntary basis. If you do not consent, or if you later seek to revoke your consent, your employment status or Service with the Employer will not be affected; the only consequence of refusing or withdrawing your consent is that the Company would not be able to grant you RSUs or other awards or administer or maintain such awards. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Upon request of the Company or the Employer, you agree to provide a separate executed data privacy consent form (or any other agreements or consents that may be required by the Company and/or the Employer) that the Company and/or the Employer may deem necessary to obtain from you for the purpose of administering your participation in the Plan in compliance with the data privacy laws in your country, either now or in the future. You understand and agree that you will not be able to participate in the Plan if you fail to provide any such consent or agreement requested by the Company and/or the Employer.

Limits on Transferability; Beneficiaries.

This Award shall not be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability to any party, or Transferred, otherwise than by your will or the laws of descent and distribution or to a Beneficiary upon your death, except that this Award may be Transferred to one or more Beneficiaries or other Transferees during your lifetime with the consent of the Committee. A Beneficiary, Transferee, or other person claiming any rights under this Award Agreement shall be subject to all terms and conditions of the Plan and this Award Agreement, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

No Transfer to any executor or administrator of your estate or to any Beneficiary by will or the laws of descent and distribution of any rights in respect of this Award shall be effective to bind the Company unless the Committee shall have been furnished with (i) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the Transfer and (ii) the written agreement of the Transferee to comply with all the terms and conditions applicable to this Award and any Shares received upon settlement of RSUs that are or would have been applicable to you.

Section 409A Compliance.

Neither the Plan, nor this Award Agreement is intended to provide for a deferral of compensation that would subject the RSUs to taxation prior to the issuance of Shares as a result of Section 409A of the Code. Notwithstanding anything to the contrary in the Plan, or this Award Agreement, the Company reserves the right to revise this Award Agreement as it deems necessary or advisable, in its sole discretion and without your consent, to comply with Section 409A of the Code or to otherwise avoid imposition of any additional tax or income recognition under Section 409A of the Code prior to the actual payment of Shares pursuant to this Award.

Notwithstanding the foregoing, the Company does not make any representation to you that this Award is exempt from, or satisfies, the requirements of Section 409A, and the Company shall have no liability or other obligation to indemnify or hold harmless you or any Beneficiary for any tax, additional tax, interest or penalties that you or any Beneficiary may incur in the event that any provision of this Agreement, or any

amendment or modification thereof or any other action taken with respect thereto, is deemed to violate any of the requirements of Section 409A.

Entire Agreement; Governing Law; Jurisdiction; Waiver of Jury Trial.

The Plan, this Award Agreement and, to the extent applicable, your employment agreement or any separation agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings, representations and agreements (whether oral or written) of the Company and you with respect to the subject matter hereof. This Award Agreement may not be modified in a manner that adversely affects your rights heretofore granted under the Plan, except with your consent or to comply with applicable law or to the extent permitted under other provisions of the Plan. This Award Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to its principles of conflict of laws.

ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AWARD OR THE AWARD AGREEMENT MAY BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE PROVINCE OF ONTARIO, AND YOU IRREVOCABLY SUBMIT TO THE JURISDICTION OF SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. ANY ACTIONS OR PROCEEDINGS TO ENFORCE A JUDGMENT ISSUED BY ONE OF THE FOREGOING COURTS MAY BE ENFORCED IN ANY JURISDICTION.

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, YOU HEREBY WAIVE, AND COVENANT THAT YOU WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE, CLAIM OR PROCEEDING ARISING OUT OF THIS AWARD AGREEMENT OR THE SUBJECT MATTER HEREOF, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE.

By signing this Award Agreement, you acknowledge the receipt of a copy of the Plan and represent that you understand the terms and conditions of the Plan, and hereby accept this Award subject to all provisions in this Award Agreement and in the Plan. You hereby agree to accept as final, conclusive and binding all decisions or interpretations of the Committee upon any questions arising under the Plan or this Award Agreement.

In the event that any provision in this Award Agreement will be held invalid or unenforceable, such provision will be severable from, and such invalidity or unenforceability will not be construed to have any effect on, the remaining provisions of this Award Agreement.

Language.

You acknowledge that you are proficient in the English language, or have consulted with an advisor who is sufficiently proficient in the English language, so as to allow you to understand the content of this Award Agreement and other Plan-related materials. If you have received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

Insider Trading Restrictions/Market Abuse Laws.

the laws or regulations in applicable jurisdictions, including the U.S. and your country). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before possessing inside information. You are permitted to sell Shares acquired under the Plan through the designated broker, if any, provided the sale of the Shares acquired under the Plan takes place through the facilities of a stock exchange on which the Shares are listed (*i.e.*, the New York Stock Exchange or the Toronto Stock Exchange), subject to applicable laws and Company policies.

Foreign Asset/Account Reporting Information.

You must report annually on Form T1135 (Foreign Income Verification Statement) any foreign specified property you hold (including any Shares acquired under the Plan, if held outside Canada), if the total value of such foreign specified property exceeds C$100,000 at any time during the year. The unvested portion of this Award also must be reported (generally at nil cost) on Form 1135 if the C$100,000 threshold is exceeded due to other foreign specified property you hold. If Shares are acquired, the cost generally is their adjusted cost base (the "**ACB**"). The ACB would normally equal the Fair Market Value of the Shares at the time of acquisition, but if you own other Shares, the ACB may have to be averaged with the ACB of the other Shares. The form must be filed with your annual tax return by April 30 of the following year. You should consult with a personal advisor to ensure you comply with the applicable reporting obligation.

Vesting.

The Earned Performance Units will vest on the Vesting Date and will settle in accordance with the section below entitled, "Settlement of Earned Performance Units", subject to the Percentage Earned being not less than 50% and subject to your continued Service through the Vesting Date and to the Sections below entitled "Determination of Number of Earned Performance Units" and "Termination" below.

No Payment for Shares.

No payment is required for Performance Units or Shares that you receive under this Award.

Nature of Award.

This Award represents the opportunity to receive the number of Shares equal to the Earned Performance Units earned as provided for below under "Determination of Number of Earned Performance Units," subject to the section above entitled "Vesting" and to the sections below entitled "Settlement of Performance Units" and "Termination".

Determination of Number of Earned Performance Units.

The number of Performance Units earned at the end of the Performance Period (the "**Earned Performance Units**"), if any, will be based on the Percentage Earned, as set forth on Schedule 1.

Settlement of Earned Performance Units.

The Company shall deliver to you that number of Shares equal to the aggregate number of Earned Performance Units for the Performance Period, if any, as determined in accordance with the section entitled "Determination of Number of Earned Performance Units" above, on or as soon as practicable (but no later than 60 days) after the Vesting Date, subject to the section entitled "Termination" below. You will have no rights of a shareholder with respect to the Shares until such Shares have been delivered to you.

Adjustment for Certain Events.

If and to the extent that it would not cause a violation of Section 409A of the Code or other applicable law, if any Corporate Event described in Section 5(d)(ii) of the

Plan shall occur, the Committee shall make an adjustment as described in such Section 5(d)(ii) in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights provided under this Award.

Termination.

Upon termination of your Service (other than as set forth below) prior to the Vesting Date, you will forfeit all of your Performance Units (including your Earned Performance Units) without any consideration due to you. For the purposes of the Plan and this Amended Award Agreement, your Service will not be deemed to be terminated in the event that you transfer employment from the Company to any Affiliate or from an Affiliate to the Company or another Affiliate, as the case may be.

If your Service terminates on or after February 21, 2023/February 22, 2022 Without Cause or by reason of your Retirement, you shall be vested in the number of Earned Performance Units, as determined in accordance with the section entitled "Number of Earned Performance Units" above, as if the Earned Performance Units subject to this Award vested 50% on February 21, 2023/February 22, 2022 and 100% on February 21, 2025/February 22, 2024, and you shall be entitled to receive a number of Shares equal to the number of vested Earned Performance Units in accordance with the section entitled "Settlement of Performance Units". For example, if the number of Earned Performance Units (expressed as a percentage of Target Units) is 100%, and your Service terminates Without Cause or by reason of your Retirement on March 31, 2023/March 31, 2022, you would be entitled to receive 50% of the Target Units in settlement of your Earned Performance Units. For the avoidance of doubt, if your Service terminates prior to February 21, 2023/February 22, 2022 Without Cause or by reason of your Retirement, you will forfeit all of your Performance Units (including your Earned Performance Units) without any consideration due for you.

If your Service terminates prior to the Vesting Date by reason of Disability, you shall be vested in the number of Earned Performance Units, as determined in accordance with the section entitled "Determination of Number of Earned Performance", above, as if the Earned Performance Units subject to this Award vested 20% on each of February 21, 2021/ February 22, 2020, February 21, 2022/ February 22, 2021, February 21, 2023/ February 22, 2022, February 21, 2024/ February 22, 2023, and February 21, 2025 February 22, 2024, respectively, and you shall be entitled to receive a number of Shares equal to the number of vested Earned Performance Units in accordance with the section entitled "Settlement of Earned Performance Units". Notwithstanding the foregoing, if your Service terminates on or before the last day of the Performance Period by reason of your Disability, then for purposes of determining the number of Shares to be delivered to you by reason of your Disability, your Earned Performance Units shall be equal to the Target Units, multiplied by the applicable vesting percentage in the preceding sentence.

If your Service terminates prior to the Vesting Date by reason of your death, your Beneficiary shall be vested in the number of Earned Performance Units, as determined in

accordance with the section entitled "Determination of Number of Earned Performance Units", as if the Earned Performance Units subject to this Award vested 20% on February 21, 2021/ February 22, 2020, 40% on February 21, 2022/ February 22, 2021 and 100% on February 21, 2023/ February 22, 2022. In such event, your Beneficiary shall be entitled to receive a number of Shares equal to the number of Earned Performance Units vested on the date of your death in accordance with the section entitled "Settlement of Performance Units". Notwithstanding the foregoing, if your Service terminates on or before the last day of the Performance Period by reason of your death, then for purposes of determining the number of Shares to be delivered to your Beneficiary by reason of your death, your Earned Performance Units shall be equal to the Target Units, multiplied by the applicable vesting percentage in the preceding sentence.

In all other circumstances, your Service terminates on the day you receive written notice of termination or provide notice of resignation. For greater clarity, the date of termination of your Service will not be extended by any period of notice of termination of employment, payment in lieu of notice or severance mandated under local law, whether statutory, contractual or at common law (*e.g.*, active employment would not include a period of "garden leave" or similar period pursuant to local law) regardless of the reason for such termination and whether or not later found to be invalid or in breach of laws in the jurisdiction where you are rendering Service or the terms of your Employment Agreement, if any. The Committee shall have the exclusive discretion to determine the date of termination of your Service for purposes of this Award.

In the event that there is a conflict between the terms of this Amended Award Agreement regarding the effect of a termination of your Service on this Award and the terms of any Employment Agreement, the terms of your Employment Agreement will govern.

Subject to any terms and conditions that the Committee may impose in accordance with Section 13 of the Plan, in the event that a Change in Control occurs and, within twelve (12) months following the date of such Change in Control, your Service is terminated by the Company Without Cause, your Earned Performance Units shall vest in full upon such termination. In such event, the number of your Earned Performance Units, and thus the number of Shares that you would be entitled to receive, shall be calculated in accordance with the sections entitled "Determination of Number of Earned Performance Units", and "Settlement of Earned Performance Units"; provided, however, that if the Change in Control occurs prior to the expiration of the Performance Period, then for purposes of determining the number of Shares to be delivered to you by reason of your termination, your Earned Performance Units shall be equal to the Target Units. In the event that there is a conflict between the terms of this Amended Award Agreement regarding the effect of a Change in Control on this Award and the terms of any Employment Agreement, the terms of this Amended Award Agreement will govern.

In the event that any Earned Performance Units (or any Performance Units that are deemed to be Earned Performance Units) become vested pursuant to the foregoing

provisions upon termination of your Service by reason of your death, Disability, termination Without Cause or by reason of your Retirement, settlement of such Earned Performance Units or deemed Earned Performance Units shall be made on or as soon as practicable (but no later than 60 days) after the date of such termination of your Service; provided, however, that in the event of any such termination for a reason of your death, settlement shall be no later than 2 1/2 months after the last day of the year in which your death occurs. Notwithstanding the foregoing, if your Performance Units constitute "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) that is subject to the requirements of Section 409A of the Code, and you are a "specified employee' (as defined under Section 409A of the Code), then if and to the extent required to comply with Section 409A of the Code, settlement shall be delayed for the first 6 months following your separation from service (within the meaning of Section 409A), or if earlier the date of your death, and instead shall be made upon expiration of such delay period.

Taxes.

Regardless of any action the Company or your Employer takes with respect to any or all income tax, social security or insurance, government sponsored pension plan, unemployment insurance, fringe benefits tax, payroll tax, payment on account or other tax-related withholding ("**Tax-Related Items**"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant, vesting or settlement of Performance Units, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends or Dividend Equivalents; and (ii) do not commit to structure the terms of the grant or any aspect of this Award to reduce or eliminate your liability for Tax-Related Items.

If you are a U.S. taxpayer and you are or become eligible for Retirement prior to date on which your Award is settled, the value of your Award will be subject to FICA and Medicare taxes in the U.S. upon the earlier of (1) the last day of the Performance Period for which you have Earned Performance Units or (2) the date on which you first become eligible for Retirement, rather than when the Units are settled. The Company may elect, however, pursuant to a rule of administrative convenience, to delay the date on which the FICA and Medicare taxes for Participants eligible for Retirement are determined and withheld until any later date that is within the same calendar year.

Prior to the relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding and payment on account obligations of the Company and/or the Employer. In this regard, you authorize the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by you from your wages or other cash compensation payable to you by the Company and/or the Employer. Alternatively, or in addition, if permissible under local law, the Company may in its sole and absolute

discretion (1) sell or arrange for the sale of Shares that you acquire to meet the withholding obligation for Tax-Related Items (on your behalf pursuant to this authorization without further consent), and/or (2) withhold the amount of Shares necessary to satisfy the Tax-Related Items;.

The Company may withhold or account for Tax-Related Items by considering statutory withholding rates or other withholding rates, including maximum rates applicable in your jurisdiction, in which case you may receive a refund of any over-withheld amount in cash and will have no entitlement to the Shares equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the vested Performance Unit, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, you will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to deliver the Shares if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

Dividend Equivalents.

During the Performance Period, you shall be credited with additional Performance Units (based on the Target Units) with respect to the number of Shares having a Fair Market Value as of the applicable dividend payment date equal to the value of any dividends or other distributions that would have been distributed to you if each of the Shares to be delivered to you upon settlement of the Performance Units instead was an issued and outstanding Share owned by you ("**Dividend Equivalents**"). After the expiration of the Performance Period, the Target Units and the relevant accrued number of Dividend Equivalents shall be collectively adjusted based on the Percentage Earned and rounded to six decimal places. Thereafter, for the remainder of the term of this Amended Award Agreement, you shall be credited with Dividend Equivalents based on the number of Earned Performance Units. The additional Performance Units credited to you as Dividend Equivalents shall be subject to the same terms and conditions under this Amended Award Agreement as the Performance Units to which they relate, and shall vest and be earned and settled (rounded down to the nearest whole number) in the same manner and at the same times as Performance Units to which they relate. Each Dividend Equivalent shall be treated as a separate payment for purposes of Section 409A of the Code.

No Guarantee of Continued Service.

You acknowledge and agree that the vesting of this Award on the Vesting Date is earned only by performing continuing Service (not through the act of being hired or being granted this Award). You further acknowledge and agree that this Amended Award Agreement, the transactions contemplated hereunder and the Vesting Date shall not be

construed as giving you the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss you, free from any liability, or any claim under the Plan, unless otherwise expressly provided in any other agreement binding you, the Company or the applicable Affiliate. The receipt of this Award is not intended to confer any rights on you except as set forth in this Amended Award Agreement.

Termination for Cause; Restrictive Covenants.

In consideration for the grant of this Award and for other good and valuable consideration, the sufficiency of which is acknowledged by you, you agree as follows:

Upon (i) a termination of your Service for Cause, (ii) a retroactive termination of your Service for Cause as permitted herein or under your employment agreement, or (iii) a violation of any post-termination restrictive covenant (including, without limitation, non-disclosure, non-competition and/or non-solicitation) contained in your employment agreement, or any separation or termination or similar agreement you may enter into with the Company or one of its Affiliates in connection with termination of your Service, any Award you hold shall be immediately forfeited and the Company may require that you repay (with interest or appreciation (if any), as applicable, determined up to the date payment is made), and you shall promptly repay to the Company, the Fair Market Value (in cash or in Shares) of any Shares received upon the settlement of Performance Units during the period beginning on the date that is one year before the date of your termination and ending on the first anniversary of the date of your termination. The Fair Market Value of any such Shares shall be determined as of the date on which the Performance Units were settled.

Company's Right of Offset.

If you become entitled to a distribution of benefits under this Award, and if at such time you have any outstanding debt, obligation, or other liability representing an amount owing to the Company or any of its Affiliates, then the Company or its Affiliates, upon a determination by the Committee, and to the extent permitted by applicable law and not causing a violation of Section 409A of the Code, may offset such amount so owing against the amount of benefits otherwise distributable. Such determination shall be made by the Committee.

Acknowledgment of Nature of Award.

In accepting the grant of this Award, you acknowledge that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and may be modified, amended, suspended or terminated by the Company at any time, as provided in the Plan;

(b) the grant of this Award is voluntary, occasional and discretionary and does not create any contractual or other right to receive future awards of Performance Units, or benefits in lieu of Performance Units even if Performance Units have been awarded in the past, whether or not repeatedly;

(c) all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(d) your participation in the Plan is voluntary;

(e) this Award and any Shares acquired under the Plan, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculation of any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(f) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(g) if you receive Shares, the value of such Shares acquired upon settlement may increase or decrease in value; and

(h) no claim or entitlement to compensation or damages arises from termination of this Award, and no claim or entitlement to compensation or damages shall arise from any diminution in value of the Performance Units or Shares received upon settlement of Performance Units resulting from termination of your Service and you irrevocably release the Company, the Employer and their respective Affiliates from any such claim that may arise.

Securities Laws.

By accepting this Award, you acknowledge that Canadian or other applicable securities laws, including, without limitation, U.S. securities laws, and/or the Company's policies regarding trading in its securities may limit or restrict your right to buy or sell Shares, including, without limitation, sales of Shares acquired in connection with this Award. You agree to comply with all Canadian and any other applicable securities law requirements, including, without limitation, any U.S. securities law requirements, and Company policies, as such laws and policies are amended from time to time.

Data Privacy Notice and Consent.

You hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this Amended Award Agreement by and among, as applicable, the Employer, the Company and its other Affiliates for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Company, the Employer and/or other Affiliates may hold certain personal information about you, including, but not limited to, your name, home address, email address and telephone number, date of birth, social insurance or social security number, passport or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Performance Units or any other entitlement to Shares awarded, canceled, vested, unvested or outstanding in your favor ("Data"), for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that Data will be transferred to Solium Capital or such other third party assisting in the implementation, administration and management of the Plan, that these recipients may be located in Canada, the United States or elsewhere, and that the recipient's country may have different data privacy laws and protections than your country. You understand that, if you reside in the European Economic Area, you may request a list with the names and addresses of any potential recipients of Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan. You understand that, if you reside in the European Economic Area, you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand that refusal or withdrawal of consent may affect your ability to participate in the Plan. Further, you understand that you are providing the consents herein on a purely voluntary basis. If you do not consent, or if you later seek to revoke your consent, your employment status or Service with the Employer will not be affected; the only consequence of refusing or withdrawing your consent is that the Company would not be able to grant you Performance Units or other awards or administer or maintain such awards. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Upon request of the Company or the Employer, you agree to provide a separate executed data privacy consent form (or any other agreements or consents that may be required by the Company and/or the Employer) that the Company and/or the Employer may deem necessary to obtain from you for the purpose of administering your participation in the Plan in compliance with the data privacy laws in your country, either now or in the future. You understand and agree that you will not be able to participate in the Plan if you fail to provide any such consent or agreement requested by the Company and/or the Employer.

Limits on Transferability; Beneficiaries.

This Award shall not be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability to any party, or Transferred, otherwise than by your will or the laws of descent and distribution or to a Beneficiary upon your death, except that this Award may be Transferred to one or more Beneficiaries or other Transferees during your lifetime with the consent of the Committee. A Beneficiary, Transferee, or other person claiming any rights under this Amended Award Agreement shall be subject to all terms and conditions of the Plan and this Amended Award Agreement, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

No Transfer to any executor or administrator of your estate or to any Beneficiary by will or the laws of descent and distribution of any rights in respect of this Award shall be effective to bind the Company unless the Committee shall have been furnished with (i) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the Transfer and (ii) the written agreement of the Transferee to comply with all the terms and conditions applicable to this Award and any Shares received upon settlement of Performance Units that are or would have been applicable to you.

Section 409A Compliance.

Neither the Plan, nor this Amended Award Agreement is intended to provide for a deferral of compensation that would subject the Performance Units to taxation prior to the issuance of Shares as a result of Section 409A of the Code. Notwithstanding anything to the contrary in the Plan, or this Amended Award Agreement, the Company reserves the right to revise this Amended Award Agreement as it deems necessary or advisable, in its sole discretion and without your consent, to comply with Section 409A of the Code or to otherwise avoid imposition of any additional tax or income recognition under Section 409A of the Code prior to the actual payment of Shares pursuant to this Award.

Notwithstanding the foregoing, the Company does not make any representation to you that the Performance Units awarded pursuant to this Agreement are exempt from, or satisfy, the requirements of Section 409A, and the Company shall have no liability or other obligation to indemnify or hold harmless you or any Beneficiary for any tax, additional tax, interest or penalties that you or any Beneficiary may incur in the event that any provision of this Agreement, or any amendment or modification thereof or any other action taken with respect thereto, is deemed to violate any of the requirements of Section 409A.

Entire Agreement; Governing Law; Jurisdiction; Waiver of Jury Trial.

The Plan, this Amended Award Agreement and, to the extent applicable, your employment agreement or any separation agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all

prior undertakings, representations and agreements (whether oral or written) of the Company and you with respect to the subject matter hereof. This Amended Award Agreement may not be modified in a manner that adversely affects your rights heretofore granted under the Plan, except with your consent or to comply with applicable law or to the extent permitted under other provisions of the Plan. This Amended Award Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to its principles of conflict of laws.

ANY ACTIONS OR PROCEEDINGS TO ENFORCE A JUDGMENT ISSUED BY ONE OF THE FOREGOING COURTS MAY BE ENFORCED IN ANY JURISDICTION.

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, YOU HEREBY WAIVE, AND COVENANT THAT YOU WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE, CLAIM OR PROCEEDING ARISING OUT OF THIS AWARD AGREEMENT OR THE SUBJECT MATTER HEREOF, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE.

By signing this Amended Award Agreement, you acknowledge receipt of a copy of the Plan and represent that you understand the terms and conditions of the Plan, and hereby accept this Award subject to all provisions in this Amended Award Agreement and in the Plan. You hereby agree to accept as final, conclusive and binding all decisions or interpretations of the Committee upon any questions arising under the Plan or this Amended Award Agreement.

Exhibits B and C constitute part of this Amended Award Agreement.

Waiver.

You acknowledge that a waiver by the Company of breach of any provision of this Amended Award Agreement shall not operate or be construed as a waiver of any other provision of this Amended Award Agreement, or of any subsequent breach by you or any other Participant.

Schedule 1

The number of Performance Units that become Earned Units is determined based on the level of achievement during the Performance Period based on the following Performance Measures:

% of Award	**Performance Measure**	**Threshold (50% of Target)**	**Target (100% of Target)**	**Maximum (200% of Target)**
50%	Organic Adjusted EBITDA (millions)			
20%	NRG			
30%	Comparable Sales			

*****Amounts between Threshold and Target and Target and Maximum will be based on linear interpolation to determine the Percentage Earned. Organic Adjusted EBITDA shall exclude franchisor contributions to advertising funds.

The "Percentage Earned" equals the sum of: for each Performance Measure, the product of the percentage of Target earned for each Performance Measure multiplied by the percentage of Award that is applicable to such Performance Measure.

The number of Earned Units equals the Percentage Earned multiplied by the number of Performance Units (including any Dividend Equivalents); provided that (1) if the Percentage Earned is less than 50% then the number of Earned Units will be zero and (2) if the Percentage Earned is greater than 100% then the number of Earned Units will equal 100% of the Performance Units (including any Dividend Equivalents).

AMENDED AND RESTATED 2014 OMNIBUS INCENTIVE PLAN

ADDITIONAL TERMS AND CONDITIONS OF THE
PERFORMANCE AWARD AGREEMENT FOR PARTICIPANTS
OUTSIDE THE U.S.

Certain capitalized terms used but not defined in this Exhibit B have the meanings set forth in the Restaurant Brands International Inc. Amended and Restated 2014 Omnibus Incentive Plan (the "**Plan**") and/or the Performance Amended Award Agreement (the "**Amended Award Agreement**").

TERMS AND CONDITIONS

This Exhibit B includes additional terms and conditions that govern this Award granted to you under the Plan if you reside and/or work outside the U.S. and Canada and/or in one of the countries listed below. If you are a citizen or resident of a country other than the one in which you are currently residing and/or working, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the Committee shall, in its discretion, determine to what extent the terms and conditions contained herein shall apply to you.

NOTIFICATIONS

This Exhibit B also includes information regarding securities, exchange controls, tax and certain other issues of which you should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other laws in effect in the respective countries as of January 2020. Such laws are often complex and change frequently. As a result, the Company strongly recommends that you not rely on the information in this Exhibit B as the only source of information relating to the consequences of your participation in the Plan because the information may be out of date at the time you vest in this Award or sell Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to your particular situation, and the Company is not in a position to assure you of a particular result. Accordingly, you should seek appropriate professional advice as to how the relevant laws in your country may apply to your situation.

Finally, if you are a citizen or resident of a country other than the one in which you are currently residing and/or working, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the information contained herein may not be applicable to you.

GENERAL TERMS AND CONDITIONS FOR PARTICIPANTS OUTSIDE THE U.S.

The following terms and conditions apply if you reside and/or work outside of the U.S. and supplement the entire Amended Award Agreement generally:

Entire Agreement.

The following provisions replace the first sentence of the *Entire Agreement* section of Exhibit A:

The Plan and the Amended Award Agreement, including this Exhibit B, constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings, representations and agreements (whether oral or written) of the Company and you with respect to the subject matter hereof. In no event will any aspect of this Award be determined in accordance with your employment agreement (or other Service contract).

Retirement.

Notwithstanding the favorable treatment that is potentially available upon a termination due to Retirement (as set forth in the *Termination* section of the Amended Award Agreement), if the Company receives an opinion of counsel that there has been a legal judgment and/or legal development in your jurisdiction that would likely result in this favorable treatment upon termination due to Retirement being deemed unlawful and/or discriminatory, then the favorable Retirement treatment will not apply at the time your Service terminates and the Award will be forfeited if your Service ends before the Vesting Date for any reason other than as set forth in the *Termination* section of the Amended Award Agreement.

Taxes.

The following provisions supplement the *Taxes* section of Exhibit A:

You acknowledge that your liability for Tax-Related Items may exceed the amount withheld by the Company and/or the Employer, if any.

If you have become subject to tax in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Limits on Transferability; Beneficiaries.

The following provision supplements the *Limits on Transferability; Beneficiaries* section of Exhibit A:

This Award may not be Transferred to a designated Beneficiary and may only be Transferred upon your death to your legal heirs in accordance with applicable laws of descent and distribution. In no case may this Award be Transferred to another individual during your lifetime.

Acknowledgement of Nature of Award.

The following provisions supplement the *Acknowledgment of Nature of Award* section of Exhibit A:

You acknowledge the following with respect to this Award:

(a) The Award and any Shares acquired under the Plan, and the income from and value of same, are not intended to replace any pension rights or compensation;

(b) In no event should this Award or any Shares acquired under the Plan, and the income from and value of same, be considered as compensation for, or relating in any way to, past services for the Company, the Employer or any other Affiliate;

(c) Neither the Company, the Employer nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar or Canadian Dollar, as applicable, that may affect the value of this Award or of any amounts due to you pursuant to the settlement of this Award or the subsequent sale of any Shares acquired upon settlement;

(d) Unless otherwise agreed with the Company, this Award and any Shares acquired upon the settlement of this Award, and the income from and value of same, are not granted as consideration for, or in connection with, any service you may provide as a director of any Affiliate; and

(e) Unless otherwise provided in the Plan or by the Company in its discretion, this Award and the benefits under the Plan evidenced by the Amended Award Agreement do not create any entitlement to have this Award or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares.

No Advice Regarding Award.

The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan, or your

acquisition or sale of the underlying Shares. You should consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Insider Trading Restrictions/Market Abuse Laws.

You acknowledge that, depending on your country or the designated broker's country, or the countr(ies) in which the Shares are listed, you may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of the Shares, rights to Shares (*e.g.*, this Award) or rights linked to the value of Shares, during such times as you are considered to have "inside information" regarding the Company (as defined by the laws or regulations in applicable jurisdictions, including the U.S. and your country). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before possessing inside information. Furthermore, you may be prohibited from (i) disclosing insider information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them to otherwise buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you should speak to your personal advisor on this matter.

Foreign Asset/Account Reporting Requirements.

You acknowledge that there may be certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold the Shares acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on the Shares acquired under the Plan) in a brokerage or bank account outside your country. You may be required to report such accounts, assets or transactions to the tax or other authorities in your country. You also may be required to repatriate sale proceeds or other funds received as a result of participating in the Plan to your country through a designated bank or broker within a certain time after receipt. You acknowledge that it is your responsibility to be compliant with such regulations, and you should speak to your personal advisor on this matter.

Imposition of Other Requirements.

The Company reserves the right to impose other requirements on your participation in the Plan, on this Award and on any Shares acquired upon settlement of this Award, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

EXHIBIT A

TERMS AND CONDITIONS OF THE RESTRICTED STOCK UNIT AWARD AGREEMENT

No Payment for Shares.

No payment is required for Shares that you receive under this Award.

Restricted Stock Units.

Each RSU represents a right to receive one Share subject to the terms and conditions of the Plan and this Award Agreement.

Vesting.

The RSUs will vest on the Vesting Dates as set forth in this Award Agreement, subject to your continued Service through each Vesting Date and to the sections below entitled "Termination".

Adjustment for Certain Events.

If and to the extent that it would not cause a violation of Section 409A of the Code or other applicable law, if any Corporate Event described in Section 5(d) of the Plan shall occur, the Committee shall make an adjustment as described in such Section 5(d) in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights provided under this Award.

Termination.

Upon termination of your Service prior to any Vesting Date, you will forfeit all of your RSUs that are unvested at the time of termination without any consideration due to you. For the purposes of the Plan and this Award Agreement, your Service will not be deemed to be terminated in the event that you transfer employment from the Company to any Affiliate or from an Affiliate to the Company or another Affiliate, as the case may be.

Except in case of your death, your Service terminates on the day you receive written notice of termination or provide notice of resignation. For greater clarity, the date of termination of your Service will not be extended by any period of notice of termination of employment, payment in lieu of notice or severance mandated under local law, whether statutory, contractual or at common law (*e.g.*, active employment would not include a period of "garden leave" or similar period pursuant to local law) regardless of the reason for such termination and whether or not later found to be invalid or in breach of laws in the jurisdiction where you are rendering Service or the terms of your employment agreement, if any. The Committee shall have the exclusive discretion to

determine the date of termination of your Service for purposes of this Award (including whether you may still be considered to be providing services while on a leave of absence).

In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a termination of your Service on this Award and the terms of any employment agreement, the terms of your employment agreement will govern.

Subject to any terms and conditions that the Committee may impose in accordance with Section 13 of the Plan, in the event that a Change in Control occurs and, within twelve (12) months following the date of such Change in Control, your Service is terminated by your employer (the "**Employer**") Without Cause (as defined herein), this Award shall vest in full upon such termination. In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a Change in Control on this Award and the terms of any employment agreement, the terms of this Award Agreement will govern.

For purposes of this Award Agreement, the following terms shall have the following meanings:

"**Cause**" means (i) a material breach by you of any of your obligations under any written employment agreement with the Company or any of its Affiliates, (ii) a material violation by you of any of the policies, procedures, rules and regulations of the Company or any of its Affiliates applicable to employees or other service providers generally or to employees or other service providers at your payband; (iii) the failure by you to reasonably and substantially perform your duties to the Company or its Affiliates (other than as a result of physical or mental illness or injury); (iv) your willful misconduct or gross negligence that has caused or is reasonably expected to result in material injury to the business, reputation or prospects of the Company or any of its Affiliates; (v) your fraud or misappropriation of funds; or (vi) the commission by you of a felony or other serious crime involving moral turpitude; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "cause" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement.

If you are terminated Without Cause and, within the twelve (12) month period subsequent to such termination of your Service, the Company determines that your Service could have been terminated for Cause, subject to anything to the contrary that may be contained in your employment agreement at the time of termination of your Service, your Service will, at the election of the Company, be deemed to have been terminated for Cause, effective as of the date the events giving rise to Cause occurred.

"**Disability**" means (i) a physical or mental condition entitling you to benefits under the long-term disability policy of the company covering you or (ii) in the absence of any such policy, a physical or mental condition rendering you unable to perform your

duties for the Company or any Affiliate for a period of six (6) consecutive months or longer; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "disability" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement.

"**Vesting Date**" means December 31, ____, ____ and ____ or such earlier vesting date as may be provided in this Award Agreement.

"**Without Cause**" means a termination of your Service by you for "Good Reason," if you have an employment agreement that defines the term "Good Reason," or by the Employer other than any such termination by the Employer for Cause or due to your death or Disability; *provided* that if you are a party to an employment agreement at the time of termination of your Service and such employment agreement contains a different definition of "without cause" (or any derivation thereof), the definition in such employment agreement will control for purposes of this Award Agreement. Notwithstanding the foregoing, if you are a party to an employment agreement at the time of termination of your Service and such employment agreement provides that a termination of your Service by you for "Good Reason" constitutes termination of your Service "Without Cause," such termination for Good Reason shall not constitute termination Without Cause for purposes of the acceleration of your RSUs following a Change in Control.

Settlement of RSUs.

The Company shall deliver to you (or your Beneficiary, if applicable) a number of Shares equal to the number of RSUs that vest in accordance with this Award Agreement as soon as practicable (but in no event more than 60 days) following the applicable Vesting Date. You will have no rights of a shareholder with respect to the RSUs until such Shares have been delivered to you.

Dividend Equivalents.

During the term of this Award Agreement, you shall be automatically granted additional RSUs with respect to a number of Shares (rounded to six decimal places) having a Fair Market Value as of the applicable dividend payment date equal to the value of any dividends or other distributions that would have been distributed to you if each of the Shares to be delivered to you upon settlement of the RSUs instead was an issued and outstanding Share owned by you ("**Dividend Equivalents**"). The additional RSUs granted to you as Dividend Equivalents shall be subject to the same terms and conditions under this Award Agreement as the RSUs to which they relate, and shall vest and be settled (rounded down to the nearest whole number) in the same manner and at the same times as the RSUs to which they relate. Each Dividend Equivalent shall be treated as a separate payment for purposes of Section 409A of the Code.

Taxes.

Regardless of any action the Company or your Employer takes with respect to any or all income tax, social security or insurance, fringe benefits tax, payroll tax, payment on account or other tax-related withholding ("**Tax-Related Items**"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant, vesting or settlement of RSUs, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends or Dividend Equivalents; and (ii) do not commit to structure the terms of the grant or any aspect of this Award to reduce or eliminate your liability for Tax-Related Items.

Prior to the relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding and payment on account obligations of the Company and/or the Employer. In this regard, you authorize the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by you from your wages or other cash compensation payable to you by the Company and/or the Employer. Alternatively, or in addition, if permissible under local law, the Company may in its sole and absolute discretion (1) sell or arrange for the sale of Shares that you acquire to meet the withholding obligation for Tax-Related Items (on your behalf pursuant to this authorization without further consent), and/or (2) withhold the amount of Shares necessary to satisfy the Tax-Related Items.

The Company may withhold or account for Tax-Related Items by considering statutory withholding rates or other withholding rates, including maximum rates applicable in your jurisdiction. In the event of over-withholding, you may receive a refund of any over-withheld amount in cash and will have no entitlement to the equivalent in Shares, or if not refunded, you may seek a refund from the applicable tax authorities. In the event of under-withholding, you may be required to pay additional Tax-Related Items directly to the applicable tax authorities or to the Company and/or Employer. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the vested RSU, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, you will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to deliver the Shares if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

No Guarantee of Continued Service.

You acknowledge and agree that vesting of this Award on the applicable Vesting Dates is earned only by performing continuing Service (not through the act of being hired or being granted this Award). You further acknowledge and agree that this Award Agreement, the transactions contemplated hereunder and the Vesting Dates shall not be construed as giving you the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss you, free from any liability or any claim under the Plan, unless otherwise expressly provided in any other agreement binding you, the Company or the applicable Affiliate. The receipt of this Award is not intended to confer any rights on you except as set forth in this Award Agreement.

Termination for Cause; Restrictive Covenants.

In consideration for the grant of this Award and for other good and valuable consideration, the sufficiency of which is acknowledged by you, you agree as follows:

Upon (i) a termination of your Service for Cause, (ii) a retroactive termination of your Service for Cause as permitted herein or under your employment agreement, or (iii) a violation of any post-termination restrictive covenant (including, without limitation, non-disclosure, non-competition and/or non-solicitation) contained in your employment agreement, or any separation or termination or similar agreement you may enter into with the Company or one of its Affiliates in connection with termination of your Service, any Award you hold shall be immediately forfeited and the Company may require that you repay (with interest or appreciation (if any), as applicable, determined up to the date payment is made), and you shall promptly repay to the Company the Fair Market Value (in cash or in Shares) of any Shares received upon the settlement of RSUs during the period beginning on the date that is one year before the date of your termination and ending on the first anniversary of the date of your termination. The Fair Market Value of any such Shares shall be determined as of the date on which the RSUs were settled.

Company's Right of Offset.

If you become entitled to a distribution of benefits under this Award, and if at such time you have any outstanding debt, obligation, or other liability representing an amount owing to the Company or any of its Affiliates, then the Company or its Affiliates, upon a determination by the Committee, and to the extent permitted by applicable law and not causing a violation of Section 409A of the Code, may offset such amount so owing against the amount of benefits otherwise distributable. Such determination shall be made by the Committee.

Acknowledgment of Nature of Award.

In accepting the grant of this Award, you acknowledge that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and may be modified, amended, suspended or terminated by the Company at any time, as provided in the Plan;

(b) the grant of this Award is voluntary, occasional and discretionary and does not create any contractual or other right to receive future awards of RSUs, or benefits in lieu of RSUs even if RSUs have been awarded in the past;

(c) all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(d) your participation in the Plan is voluntary;

(e) this Award and any Shares acquired under the Plan, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculation of any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(f) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(g) if you receive Shares, the value of such Shares acquired upon settlement may increase or decrease in value; and

(h) no claim or entitlement to compensation or damages arises from termination of this Award, and no claim or entitlement to compensation or damages shall arise from any diminution in value of the RSUs or Shares received upon settlement of the RSUs resulting from termination of your Service, and you irrevocably release the Company and the Employer from any such claim that may arise.

Securities Laws.

By accepting this Award, you acknowledge that Canadian or other applicable securities laws, including, without limitation, U.S. securities laws and/or the Company's policies regarding trading in its securities, may limit or restrict your right to buy or sell Shares, including, without limitation, sales of Shares acquired in connection with this Award. You agree to comply with all Canadian and any other applicable securities law requirements, including, without limitation, any U.S. securities law requirements and Company policies, as such laws and policies are amended from time to time.

You hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this Award Agreement by and among, as applicable, the Employer, the Company and its other

Affiliates for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Company, the Employer and/or other Affiliates hold certain personal information about you, including, but not limited to, your name, home address, email address and telephone number, date of birth, social insurance or social security number, passport or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all RSUs or any other entitlement to Shares awarded, canceled, vested, unvested or outstanding in your favor ("Data"), for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that, if you reside in the European Economic Area, you may request a list with the names and addresses of any potential recipients of Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan. You understand that, if you reside in the European Economic Area, you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand that refusal or withdrawal of consent may affect your ability to participate in the Plan. Further, you understand that you are providing the consents herein on a purely voluntary basis. If you do not consent, or if you later seek to revoke your consent, your employment status or Service with the Employer will not be affected; the only consequence of refusing or withdrawing your consent is that the Company would not be able to grant you RSUs or other awards or administer or maintain such awards. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Upon request of the Company or the Employer, you agree to provide a separate executed data privacy consent form (or any other agreements or consents that may be required by the Company and/or the Employer) that the Company and/or the Employer may deem necessary to obtain from you for the purpose of administering your participation in the Plan in compliance with the data privacy laws in your country, either now or in the future. No payment is required for Performance Units or Shares that you receive under this Award.

Nature of Award.

This Award represents the opportunity to receive the number of Shares equal to the Earned Performance Units earned as provided for below under "Determination of Number of Earned Performance Units," subject to the section above entitled "Vesting" and to the sections below entitled "Settlement of Performance Units" and "Termination".

Determination of Number of Earned Performance Units.

The number of Performance Units earned at the end of the Performance Period (the "**Earned Performance Units**"), if any, will be based on the Percentage Earned, as set forth on Schedule 1.

Settlement of Earned Performance Units.

The Company shall deliver to you that number of Shares equal to the aggregate number of Earned Performance Units for the Performance Period, if any, as determined in accordance with the section entitled "Determination of Number of Earned Performance Units" above, on or as soon as practicable (but no later than 60 days) after the Vesting

Date, subject to the section entitled "Termination" below. You will have no rights of a shareholder with respect to the Shares until such Shares have been delivered to you.

Adjustment for Certain Events.

If and to the extent that it would not cause a violation of Section 409A of the Code or other applicable law, if any Corporate Event described in Section 5(d)(ii) of the Plan shall occur, the Committee shall make an adjustment as described in such Section 5(d)(ii) in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights provided under this Award.

Acquisition Event

In the event of an Acquisition Event, the Committee shall determine the Performance Level achieved in accordance with Schedule 1 except that the Performance Period shall be deemed to have ended on the last day prior to the Acquisition Event.

Termination.

Upon termination of your Service (other than as set forth below) prior to the Vesting Date, you will forfeit all of your Performance Units (including your Earned Performance Units) without any consideration due to you. For the purposes of the Plan and this Award Agreement, your Service will not be deemed to be terminated in the event that you transfer employment from the Company to any Affiliate or from an Affiliate to the Company or another Affiliate, as the case may be.

If your Service terminates on or after February 19, 2023 but prior to the Vesting Date Without Cause or by reason of your Retirement, you shall be vested on the Vesting Date in the number of Earned Performance Units, as determined in accordance with the section entitled "Number of Earned Performance Units" above, as if the Earned Performance Units subject to this Award vested 67% on February 21, 2023, and you shall be entitled to receive a number of Shares equal to the number of vested Earned Performance Units in accordance with the section entitled "Settlement of Performance Units". For example, if the number of Earned Performance Units (expressed as a percentage of Target Units) is 100%, and your Service terminates Without Cause or by reason of your Retirement on March 31, 2023, you would be entitled to receive 67% of the Target Units in settlement of your Earned Performance Units. For the avoidance of doubt, if your Service terminates prior to February 19, 2023 Without Cause or by reason of your Retirement, you will forfeit all of your Performance Units (including your Earned Performance Units) without any consideration due for you.

If your Service terminates prior to the Vesting Date by reason of death or Disability, you shall be vested in the number of Earned Performance Units, as if the Earned Performance Units subject to this Award vested 1/3 on each of February 21, 2022, February 21, 2023, and February 21, 2024, respectively, and you shall be entitled to

receive a number of Shares equal to the number of vested Earned Performance Units in accordance with the section entitled "Settlement of Earned Performance Units". Notwithstanding the foregoing, if your Service terminates on or before the last day of the Performance Period by reason of your death or Disability, then for purposes of determining the number of Shares to be delivered to your Beneficiary or you, your Earned Performance Units shall be equal to the Target Units, based on the applicable vesting percentage in the preceding sentence.

In all other circumstances, your Service terminates on the day you receive written notice of termination or provide notice of resignation. For greater clarity, the date of termination of your Service will not be extended by any period of notice of termination of employment, payment in lieu of notice or severance mandated under local law, whether statutory, contractual or at common law (*e.g.*, active employment would not include a period of "garden leave" or similar period pursuant to local law) regardless of the reason for such termination and whether or not later found to be invalid or in breach of laws in the jurisdiction where you are rendering Service or the terms of your Employment Agreement, if any. The Committee shall have the exclusive discretion to determine the date of termination of your Service for purposes of this Award.

In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a termination of your Service on this Award and the terms of any Employment Agreement, the terms of your Employment Agreement will govern.

Subject to any terms and conditions that the Committee may impose in accordance with Section 13 of the Plan, in the event that a Change in Control occurs and, within twelve (12) months following the date of such Change in Control, your Service is terminated by the Company Without Cause, your Earned Performance Units shall vest in full upon such termination. In such event, the number of your Earned Performance Units, and thus the number of Shares that you would be entitled to receive, shall be calculated in accordance with the sections entitled "Determination of Number of Earned Performance Units", and "Settlement of Earned Performance Units"; provided, however, that if the Change in Control occurs prior to the expiration of the Performance Period, then for purposes of determining the number of Shares to be delivered to you by reason of your termination, your Earned Performance Units shall be equal to the Target Units. In the event that there is a conflict between the terms of this Award Agreement regarding the effect of a Change in Control on this Award and the terms of any Employment Agreement, the terms of this Award Agreement will govern.

In the event that any Earned Performance Units (or any Performance Units that are deemed to be Earned Performance Units) become vested pursuant to the foregoing provisions upon termination of your Service by reason of your death or Disability, settlement of such Earned Performance Units or deemed Earned Performance Units shall be made on or as soon as practicable (but no later than 60 days) after the date of such termination of your Service; provided, however, that in the event of any such termination for a reason of your death, settlement shall be no later than 2 1/2 months after the last

day of the year in which your death occurs. Notwithstanding the foregoing, if your Performance Units constitute "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) that is subject to the requirements of Section 409A of the Code, and you are a "specified employee' (as defined under Section 409A of the Code), then if and to the extent required to comply with Section 409A of the Code, settlement shall be delayed for the first 6 months following your separation from service (within the meaning of Section 409A), or if earlier the date of your death, and instead shall be made upon expiration of such delay period.

Taxes.

Regardless of any action the Company or your Employer takes with respect to any or all income tax, social security or insurance, government sponsored pension plan, unemployment insurance, fringe benefits tax, payroll tax, payment on account or other tax-related withholding ("**Tax-Related Items**"), you acknowledge that the ultimate liability for all Tax-Related Items legally due by you is and remains your responsibility and that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant, vesting or settlement of Performance Units, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends or Dividend Equivalents; and (ii) do not commit to structure the terms of the grant or any aspect of this Award to reduce or eliminate your liability for Tax-Related Items.

If you are a U.S. taxpayer and you are or become eligible for Retirement prior to date on which your Award is settled, the value of your Award will be subject to FICA and Medicare taxes in the U.S. upon the earlier of (1) the last day of the Performance Period for which you have Earned Performance Units or (2) the date on which you first become eligible for Retirement, rather than when the Units are settled. The Company may elect, however, pursuant to a rule of administrative convenience, to delay the date on which the FICA and Medicare taxes for Participants eligible for Retirement are determined and withheld until any later date that is within the same calendar year.

Prior to the relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding and payment on account obligations of the Company and/or the Employer. In this regard, you authorize the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by you from your wages or other cash compensation payable to you by the Company and/or the Employer. Alternatively, or in addition, if permissible under local law, the Company may in its sole and absolute discretion (1) sell or arrange for the sale of Shares that you acquire to meet the withholding obligation for Tax-Related Items (on your behalf pursuant to this authorization without further consent), and/or (2) withhold the amount of Shares necessary to satisfy the Tax-Related Items;.

The Company may withhold or account for Tax-Related Items by considering statutory withholding rates or other withholding rates, including maximum rates

applicable in your jurisdiction, in which case you may receive a refund of any over-withheld amount in cash and will have no entitlement to the Shares equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the vested Performance Unit, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, you will pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to deliver the Shares if you fail to comply with your obligations in connection with the Tax-Related Items as described in this section.

Dividend Equivalents.

During the Performance Period, you shall be credited with additional Performance Units (based on the Target Units) with respect to the number of Shares having a Fair Market Value as of the applicable dividend payment date equal to the value of any dividends or other distributions that would have been distributed to you if each of the Shares to be delivered to you upon settlement of the Performance Units instead was an issued and outstanding Share owned by you ("**Dividend Equivalents**"). After the expiration of the Performance Period, the Target Units and the relevant accrued number of Dividend Equivalents shall be collectively adjusted based on the Percentage Earned and rounded to six decimal places. Thereafter, for the remainder of the term of this Award Agreement, you shall be credited with Dividend Equivalents based on the number of Earned Performance Units. The additional Performance Units credited to you as Dividend Equivalents shall be subject to the same terms and conditions under this Award Agreement as the Performance Units to which they relate, and shall vest and be earned and settled (rounded down to the nearest whole number) in the same manner and at the same times as Performance Units to which they relate. Each Dividend Equivalent shall be treated as a separate payment for purposes of Section 409A of the Code.

No Guarantee of Continued Service.

You acknowledge and agree that the vesting of this Award on the Vesting Date is earned only by performing continuing Service (not through the act of being hired or being granted this Award). You further acknowledge and agree that this Award Agreement, the transactions contemplated hereunder and the Vesting Date shall not be construed as giving you the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss you, free from any liability, or any claim under the Plan, unless otherwise expressly provided in any other agreement binding you, the Company or the applicable Affiliate. The receipt of this Award is not intended to confer any rights on you except as set forth in this Award Agreement.

Termination for Cause; Restrictive Covenants.

In consideration for the grant of this Award and for other good and valuable consideration, the sufficiency of which is acknowledged by you, you agree as follows:

Upon (i) a termination of your Service for Cause, (ii) a retroactive termination of your Service for Cause as permitted herein or under your employment agreement, or (iii) a violation of any post-termination restrictive covenant (including, without limitation, non-disclosure, non-competition and/or non-solicitation) contained in your employment agreement, or any separation or termination or similar agreement you may enter into with the Company or one of its Affiliates in connection with termination of your Service, any Award you hold shall be immediately forfeited and the Company may require that you repay (with interest or appreciation (if any), as applicable, determined up to the date payment is made), and you shall promptly repay to the Company, the Fair Market Value (in cash or in Shares) of any Shares received upon the settlement of Performance Units during the period beginning on the date that is one year before the date of your termination and ending on the first anniversary of the date of your termination. The Fair Market Value of any such Shares shall be determined as of the date on which the Performance Units were settled.

Company's Right of Offset.

If you become entitled to a distribution of benefits under this Award, and if at such time you have any outstanding debt, obligation, or other liability representing an amount owing to the Company or any of its Affiliates, then the Company or its Affiliates, upon a determination by the Committee, and to the extent permitted by applicable law and not causing a violation of Section 409A of the Code, may offset such amount so owing against the amount of benefits otherwise distributable. Such determination shall be made by the Committee.

Acknowledgment of Nature of Award.

In accepting the grant of this Award, you acknowledge that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and may be modified, amended, suspended or terminated by the Company at any time, as provided in the Plan;

(b) the grant of this Award is voluntary, occasional and discretionary and does not create any contractual or other right to receive future awards of Performance Units, or benefits in lieu of Performance Units even if Performance Units have been awarded in the past, whether or not repeatedly;

(c) all decisions with respect to future awards, if any, will be at the sole discretion of the Company;

(d) your participation in the Plan is voluntary;

(e) this Award and any Shares acquired under the Plan, and the income from and value of same, are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculation of any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(f) the future value of the underlying Shares is unknown and cannot be predicted with certainty;

(g) if you receive Shares, the value of such Shares acquired upon settlement may increase or decrease in value; and

(h) no claim or entitlement to compensation or damages arises from termination of this Award, and no claim or entitlement to compensation or damages shall arise from any diminution in value of the Performance Units or Shares received upon settlement of Performance Units resulting from termination of your Service and you irrevocably release the Company, the Employer and their respective Affiliates from any such claim that may arise.

Securities Laws.

By accepting this Award, you acknowledge that Canadian or other applicable securities laws, including, without limitation, U.S. securities laws, and/or the Company's policies regarding trading in its securities may limit or restrict your right to buy or sell Shares, including, without limitation, sales of Shares acquired in connection with this Award. You agree to comply with all Canadian and any other applicable securities law requirements, including, without limitation, any U.S. securities law requirements, and Company policies, as such laws and policies are amended from time to time.

Data Privacy Notice and Consent.

You hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of your personal data as described in this Award Agreement by and among, as applicable, the Employer, the Company and its other Affiliates for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Company, the Employer and/or other Affiliates may hold certain personal information about you, including, but not limited to, your name, home address, email address and telephone number, date of birth, social insurance or social security number, passport or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Performance Units or any other entitlement to Shares awarded, canceled, vested, unvested or outstanding in your favor ("Data"), for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that Data will be transferred to Solium Capital or such other third party assisting in the implementation, administration and management of the Plan, that these recipients may be located in Canada, the United States or elsewhere, and that the recipient's country may have different data privacy laws and protections than your country. You understand that, if you reside in the European Economic Area, you may request a list with the names and addresses of any potential recipients of Data by contacting your local human resources representative. You authorize the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan. You understand that Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan. You understand that, if you reside in the European Economic Area, you may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand that refusal or withdrawal of consent may affect your ability to participate in the Plan. Further, you understand that you are providing the consents herein on a purely voluntary basis. If you do not consent, or if you later seek to revoke your consent, your employment status or Service with the Employer will not be affected; the only consequence of refusing or withdrawing your consent is that the Company would not be able to grant you Performance Units or other awards or administer or maintain such awards. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Upon request of the Company or the Employer, you agree to provide a separate executed data privacy consent form (or any other agreements or consents that may be required by the Company and/or the Employer) that the Company and/or the Employer may deem necessary to obtain from you for the purpose of administering your participation in the Plan in compliance with the data privacy laws in your country, either now or in the future. You understand and agree that you will not be able to participate in the Plan if you fail to provide any such consent or agreement requested by the Company and/or the Employer.

Limits on Transferability; Beneficiaries.

This Award shall not be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability to any party, or Transferred, otherwise than by your will or the laws of descent and distribution or to a Beneficiary upon your death, except that this Award may be Transferred to one or more Beneficiaries or other Transferees during your lifetime with the consent of the Committee. A Beneficiary, Transferee, or other person claiming any rights under this Award Agreement shall be subject to all terms and conditions of the Plan and this Award Agreement, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

No Transfer to any executor or administrator of your estate or to any Beneficiary by will or the laws of descent and distribution of any rights in respect of this Award shall be effective to bind the Company unless the Committee shall have been furnished with (i) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the Transfer and (ii) the written agreement of the Transferee to comply with all the terms and conditions applicable to this Award and any Shares received upon settlement of Performance Units that are or would have been applicable to you.

Section 409A Compliance.

Neither the Plan, nor this Award Agreement is intended to provide for a deferral of compensation that would subject the Performance Units to taxation prior to the issuance of Shares as a result of Section 409A of the Code. Notwithstanding anything to the contrary in the Plan, or this Award Agreement, the Company reserves the right to revise this Award Agreement as it deems necessary or advisable, in its sole discretion and without your consent, to comply with Section 409A of the Code or to otherwise avoid imposition of any additional tax or income recognition under Section 409A of the Code prior to the actual payment of Shares pursuant to this Award.

Notwithstanding the foregoing, the Company does not make any representation to you that the Performance Units awarded pursuant to this Agreement are exempt from, or satisfy, the requirements of Section 409A, and the Company shall have no liability or other obligation to indemnify or hold harmless you or any Beneficiary for any tax, additional tax, interest or penalties that you or any Beneficiary may incur in the event that any provision of this Agreement, or any amendment or modification thereof or any other action taken with respect thereto, is deemed to violate any of the requirements of Section 409A.

Entire Agreement; Governing Law; Jurisdiction; Waiver of Jury Trial.

The Plan, this Award Agreement and, to the extent applicable, your employment agreement or any separation agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings, representations and agreements (whether oral or written) of the Company and you with respect to the subject matter hereof. This Award Agreement may not be modified in a manner that adversely affects your rights heretofore granted under the Plan, except with your consent or to comply with applicable law or to the extent permitted under other provisions of the Plan. This Award Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to its principles of conflict of laws.

ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AWARD OR THE AWARD AGREEMENT MAY BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE PROVINCE OF ONTARIO, AND YOU IRREVOCABLY SUBMIT TO THE JURISDICTION OF SUCH COURTS

IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. ANY ACTIONS OR PROCEEDINGS TO ENFORCE A JUDGMENT ISSUED BY ONE OF THE FOREGOING COURTS MAY BE ENFORCED IN ANY JURISDICTION.

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, YOU HEREBY WAIVE, AND COVENANT THAT YOU WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE, CLAIM OR PROCEEDING ARISING OUT OF THIS AWARD AGREEMENT OR THE SUBJECT MATTER HEREOF, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE.

By signing this Award Agreement, you acknowledge receipt of a copy of the Plan and represent that you understand the terms and conditions of the Plan, and hereby accept this Award subject to all provisions in this Award Agreement and in the Plan. You hereby agree to accept as final, conclusive and binding all decisions or interpretations of the Committee upon any questions arising under the Plan or this Award Agreement.

Electronic Delivery and Acceptance.

The Company may, in its sole discretion, decide to deliver any documents related to this Award or future awards that may be awarded under the Plan by electronic means or request your consent to participate in the Plan by electronic means. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

Agreement Severable.

In the event that any provision in this Award Agreement will be held invalid or unenforceable, such provision will be severable from, and such invalidity or unenforceability will not be construed to have any effect on, the remaining provisions of this Award Agreement.

Language.

You acknowledge that you are proficient in the English language or have consulted with an advisor who is sufficiently proficient in the English language, so as to allow you to understand the content of this Award Agreement and other Plan-related materials. If you have received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

Non-U.S. Terms and Conditions.

Notwithstanding any provision in this Award Agreement, if you work and/or reside outside the U.S., this Award shall be subject to the additional terms and conditions set forth in Exhibits B and C, as applicable. Moreover, if you relocate to one of the countries or between countries included in Exhibits B or C, the special terms and conditions for such country will apply to you, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Exhibits B and C constitute part of this Award Agreement.

Certain capitalized terms used but not defined in this Exhibit B have the meanings set forth in the Restaurant Brands International Inc. Amended and Restated 2014 Omnibus Incentive Plan (the "**Plan**") and/or the Performance Award Agreement (the "**Award Agreement**").

TERMS AND CONDITIONS

This Exhibit B includes additional terms and conditions that govern this Award granted to you under the Plan if you reside and/or work outside the U.S. and Canada and/or in one of the countries listed below. If you are a citizen or resident of a country other than the one in which you are currently residing and/or working, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the Committee shall, in its discretion, determine to what extent the terms and conditions contained herein shall apply to you.

NOTIFICATIONS

This Exhibit B also includes information regarding securities, exchange controls, tax and certain other issues of which you should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other laws in effect in the respective countries as of January 2020. Such laws are often complex and change frequently. As a result, the Company strongly recommends that you not rely on the information in this Exhibit B as the only source of information relating to the consequences of your participation in the Plan because the information may be out of date at the time you vest in this Award or sell Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to your particular situation, and the Company is not in a position to assure you of a particular result. Accordingly, you should seek appropriate professional advice as to how the relevant laws in your country may apply to your situation.

Finally, if you are a citizen or resident of a country other than the one in which you are currently residing and/or working, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the information contained herein may not be applicable to you.

GENERAL TERMS AND CONDITIONS FOR PARTICIPANTS OUTSIDE THE U.S.

The following terms and conditions apply if you reside and/or work outside of the U.S. and supplement the entire Award Agreement generally:

Entire Agreement.

The following provisions replace the first sentence of the *Entire Agreement* section of Exhibit A:

The Plan and the Award Agreement, including this Exhibit B, constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings, representations and agreements (whether oral or written) of the Company and you with respect to the subject matter hereof. In no event will any aspect of this Award be determined in accordance with your employment agreement (or other Service contract).

Retirement.

Notwithstanding the favorable treatment that is potentially available upon a termination due to Retirement (as set forth in the *Termination* section of the Award Agreement), if the Company receives an opinion of counsel that there has been a legal judgment and/or legal development in your jurisdiction that would likely result in this favorable treatment upon termination due to Retirement being deemed unlawful and/or discriminatory, then the favorable Retirement treatment will not apply at the time your Service terminates and the Award will be forfeited if your Service ends before the Vesting Date for any reason other than as set forth in the *Termination* section of the Award Agreement.

Taxes.

The following provisions supplement the *Taxes* section of Exhibit A:

You acknowledge that your liability for Tax-Related Items may exceed the amount withheld by the Company and/or the Employer, if any.

If you have become subject to tax in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Limits on Transferability; Beneficiaries.

The following provision supplements the *Limits on Transferability; Beneficiaries* section of Exhibit A:

This Award may not be Transferred to a designated Beneficiary and may only be Transferred upon your death to your legal heirs in accordance with applicable laws of descent and distribution. In no case may this Award be Transferred to another individual during your lifetime.

Acknowledgement of Nature of Award.

The following provisions supplement the *Acknowledgment of Nature of Award* section of Exhibit A:

You acknowledge the following with respect to this Award:

(a) The Award and any Shares acquired under the Plan, and the income from and value of same, are not intended to replace any pension rights or compensation;

(b) In no event should this Award or any Shares acquired under the Plan, and the income from and value of same, be considered as compensation for, or relating in any way to, past services for the Company, the Employer or any other Affiliate;

(c) Neither the Company, the Employer nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar or Canadian Dollar, as applicable, that may affect the value of this Award or of any amounts due to you pursuant to the settlement of this Award or the subsequent sale of any Shares acquired upon settlement;

(d) Unless otherwise agreed with the Company, this Award and any Shares acquired upon the settlement of this Award, and the income from and value of same, are not granted as consideration for, or in connection with, any service you may provide as a director of any Affiliate; and

(e) Unless otherwise provided in the Plan or by the Company in its discretion, this Award and the benefits under the Plan evidenced by the Award Agreement do not create any entitlement to have this Award or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares.

No Advice Regarding Award.

The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan, or your

acquisition or sale of the underlying Shares. You should consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Insider Trading Restrictions/Market Abuse Laws.

You acknowledge that, depending on your country or the designated broker's country, or the countr(ies) in which the Shares are listed, you may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of the Shares, rights to Shares (*e.g.*, this Award) or rights linked to the value of Shares, during such times as you are considered to have "inside information" regarding the Company (as defined by the laws or regulations in applicable jurisdictions, including the U.S. and your country). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before possessing inside information. Furthermore, you may be prohibited from (i) disclosing insider information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them to otherwise buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you should speak to your personal advisor on this matter.

Foreign Asset/Account Reporting Requirements.

You acknowledge that there may be certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold the Shares acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on the Shares acquired under the Plan) in a brokerage or bank account outside your country. You may be required to report such accounts, assets or transactions to the tax or other authorities in your country. You also may be required to repatriate sale proceeds or other funds received as a result of participating in the Plan to your country through a designated bank or broker within a certain time after receipt. You acknowledge that it is your responsibility to be compliant with such regulations, and you should speak to your personal advisor on this matter.

Imposition of Other Requirements.

The Company reserves the right to impose other requirements on your participation in the Plan, on this Award and on any Shares acquired upon settlement of this Award, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Certain capitalized terms used but not defined in this Exhibit C have the meanings set forth in the Restaurant Brands International Inc. Amended and Restated 2014 Omnibus Incentive Plan (the "**Plan**") and/or the Performance Award Agreement (the "**Award Agreement**").

TERMS AND CONDITIONS

This Exhibit C includes additional terms and conditions that govern this Award granted to you under the Plan if you reside and/or work in Canada. If you are a citizen or resident of a country other than Canada, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the Committee shall, in its discretion, determine to what extent the terms and conditions contained herein shall apply to you.

NOTIFICATIONS

This Exhibit C also includes information regarding securities, exchange controls, tax and certain other issues of which you should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other laws in effect in Canada as of January 2020. Such laws are often complex and change frequently. As a result, the Company strongly recommends that you not rely on the information in this Exhibit C as the only source of information relating to the consequences of your participation in the Plan because the information may be out of date at the time the Performance Units subject to this Award vest and settle or you sell Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to your particular situation, and the Company is not in a position to assure you of a particular result. Accordingly, you should seek appropriate professional advice as to how the relevant laws in Canada may apply to your situation.

Finally, if you are a citizen or resident of a country other than Canada, transfer employment and/or residency after this Award is granted or are considered a resident of another country for local law purposes, the information contained herein may not be applicable to you.

TERMS AND CONDITIONS

Termination.

The following provision supplements the *Termination* section of Exhibit A:

Notwithstanding the foregoing, if applicable employment standards legislation explicitly requires continued vesting during a statutory notice period, your right to vest in the Award under the Plan, if any, will terminate effective as of the last day of your minimum statutory notice period.

The following provisions replace the third paragraph under the *Taxes* section of Exhibit A:

Prior to the relevant taxable or tax withholding event, as applicable, you will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all withholding and payment on account obligations of the Company and/or the Employer. In this regard, you authorize the Company and/or the Employer to withhold all applicable Tax-Related Items legally payable by you from your wages or other cash compensation payable to you by the Company and/or the Employer. Alternatively, or in addition, if permissible under local law, the Company may in its sole and absolute discretion (1) sell or arrange for the sale of Shares that you acquire to meet the withholding obligation for Tax-Related Items (on your behalf pursuant to this authorization without further consent), and/or (2) withhold the amount of Shares necessary to satisfy the Tax-Withholding Items.

The following provisions regarding language consent and data privacy will apply if you are a resident of Quebec:

You must report annually on Form T1135 (Foreign Income Verification Statement) any foreign specified property you hold (including any Shares acquired under the Plan, if held outside Canada), if the total value of such foreign specified property exceeds C$100,000 at any time during the year. The unvested portion of this Award also must be reported (generally at nil cost) on Form 1135 if the C$100,000 threshold is exceeded due to other foreign specified property you hold. If Shares are acquired, the cost generally is their adjusted cost base (the "**ACB**"). The ACB would normally equal the Fair Market Value of the Shares at the time of acquisition, but if you own other Shares, the ACB may have to be averaged with the ACB of the other Shares. The form must be filed with your annual tax return by April 30 of the following year. You should consult with a personal advisor to ensure you comply with the applicable reporting obligation.

EXHIBIT 10.32

FORM OF
NON-COMPETE, NON-SOLICITATION AND CONFIDENTIALITY AGREEMENT

This NON-COMPETE, NON-SOLICITATION AND CONFIDENTIALITY AGREEMENT (this "Agreement") is entered into as of [insert date] by and between [insert name of employer], a [insert state of incorporation] (together with any Successor thereto, the "Company"), and [insert name] ("Executive").

WITNESSETH:

WHEREAS, Executive commenced employment with the Company on [insert date];

WHEREAS, during the term of Executive's employment with the Company, Executive has received and will continue to receive access to competitively sensitive, confidential, proprietary and trade secret information relating to the current and planned business of the Company;

WHEREAS, the Company and Executive desire to make certain arrangements to protect the value of such information to the Company during Executive's employment and following the termination of Executive's employment with the Company; and

WHEREAS, Executive currently is a party to an employment agreement with the Company dated as of [insert date], as such agreement may have been amended from time to time, that governs the terms and conditions of Executive's employment (as so amended, the "Original Agreement") and Executive and the Company desire to have the Original Agreement superseded by the terms of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and promises contained herein and for other good and valuable consideration, the Company and Executive hereby agree as follows:

1. Employment; Amendment and Restatement of Original Agreement. Executive acknowledges and agrees that nothing herein shall be construed as a guarantee of continued employment for a specific period or under particular terms or otherwise as having altered Executive's employment-at-will status with the Company. Additionally, Executive acknowledges and agrees that this Agreement shall serve as a complete amendment and restatement of the Original Agreement. All terms of the Original Agreement shall be superseded by the terms of this Agreement and, upon execution of this Agreement, the Original Agreement shall be of no further force and effect.

2. Restrictive Covenants. Each of the Company and Executive agrees that the Executive will have a prominent role in the management of the business, and the development of the goodwill of the Company and its Affiliates, and will establish and develop relations and contacts with the franchisees, customers and suppliers of the Company and its Affiliates throughout the world, all of which constitute valuable goodwill of, and could be used by Executive to compete unfairly with, the Company and its Affiliates. In addition, Executive recognizes that he/she will have access to and become familiar with or be exposed to Confidential Information (as such term is defined below), in particular, trade secrets, proprietary information, customer lists, recipes and formulations, and other valuable business information of the Company and its Affiliates pertaining or related to the quick service restaurant business. Executive agrees that Executive could cause grave harm to the Company and its Affiliates if he/she, among other things, worked for the Company's competitors, solicited the Company's employees or those of its Affiliates away from the Company or its Affiliates or solicited the Company's franchisees or those of its

Affiliates upon the termination of Executive's employment with the Company or misappropriated or divulged Confidential Information, and that as such, the Company has legitimate business interests in protecting its goodwill and Confidential Information, and these legitimate business interests therefore justify the following restrictive covenants:

(a) Confidentiality. Executive agrees that during his/her employment with the Company and thereafter, Executive will not, directly or indirectly (A) disclose any Confidential Information to any Person (other than, only with respect to the period that Executive is employed by the Company, to an employee or outside advisor of the Company who requires such information to perform his or her duties for the Company), or (B) use any Confidential Information for Executive's own benefit or the benefit of any third party. "Confidential Information" means confidential, proprietary or commercially sensitive information relating to (Y) the Company or its Affiliates, or members of their respective management or boards or (Z) any third parties who do business with the Company or its Affiliates, including franchisees and suppliers. Confidential Information includes, without limitation, marketing plans, business plans, financial information and records, operation methods, recipes and formulations, personnel information, drawings, designs, information regarding product development, other commercial or business information and any other information not available to the public generally. The foregoing obligation shall not apply to any Confidential Information that has been previously disclosed to the public or is in the public domain (other than by reason of a breach of Executive's obligations to hold such Confidential Information confidential). If Executive is required or requested by a court or governmental agency to disclose Confidential Information, Executive must notify the General Counsel of the Company of such disclosure obligation or request no later than three (3) business days after Executive learns of such obligation or request, and permit the Company to take all lawful steps it deems appropriate to prevent or limit the required disclosure.

(b) Non-Competition. Executive agrees that during his/her employment with the Company (the "Employment Period"), Executive shall devote all of his/her skill, knowledge, commercial efforts and business time to the conscientious and good faith performance of his/her duties and responsibilities to the Company to the best of his/her ability and Executive shall not, directly or indirectly, be employed by, render services for, engage in business with or serve as an agent or consultant to any Person other than the Company. Executive further agrees that during the Employment Period and for the one (1) year period following Executive's termination of employment with the Company (irrespective of the cause or manner of termination), Executive shall not directly or indirectly engage in any activities that are competitive with the quick service restaurant business conducted by the Company or any of its Affiliates, and Executive shall not, directly or indirectly, become employed by, render services for, engage in business with, serve as an agent or consultant to, or become a partner, member, principal, stockholder or other owner of, any Person or entity that engages in the quick serve restaurant business anywhere in the world, including any franchisee of the Company or any if its Affiliates, provided that Executive shall be permitted to hold a one percent (1%) or less interest in the equity or debt securities of any publicly traded company. Executive's duties and responsibilities involve, and/or will affect, the operation and management of the Company on a worldwide basis. Executive will obtain Confidential Information that will affect the Company's operations and that of its Affiliates throughout the world. Accordingly, Executive acknowledges that the Company has legitimate business interests in requiring a worldwide geographic scope and application of this non-compete provision, and agrees that this non-compete provision applies on a worldwide basis.

(c) Non-Solicitation. During Employment Period and for the one (1) year period following Executive's termination of employment with the Company (irrespective of the cause or manner of termination), Executive shall not, directly or indirectly, by him/herself or through any third party, whether on Executive's own behalf or on behalf of any other Person or entity, (i) solicit or induce or endeavor to solicit or induce, divert, employ or retain, (ii) interfere with the relationship of the Company or any of its

Affiliates with, or (iii) attempt to establish a business relationship of a nature that is competitive with the business of the Company or any of its Affiliates with any Person that is or was (during the last twelve (12) months of Executive's employment with the Company): (A) an employee of the Company or any of its Affiliates, (B) engaged to provide services to the Company or any of its Affiliates, including vendors who provide or have provided advertising, marketing or other services to the Company or any of its Affiliates, or (C) a franchisee of the Company or any of its Affiliates.

(d) Franchisee Activities. In addition to, and not by way of limitation of, any of the covenants set forth elsewhere herein, Executive agrees that, during his/her employment with the Company and for an indefinite period following the termination of his/her employment (irrespective of the cause or manner of termination), Executive will not, whether on Executive's own behalf or in conjunction with or on behalf of any other Person, directly or indirectly, solicit, or assist in soliciting, offer, or entice, consult, provide advice to, or otherwise be involved with, a franchisee of (or an operator under an operating/license agreement with) the Company or any of its Affiliates to engage in any act or activity, whether individually or collectively with other franchisees, operators, or persons, that is adverse or contrary to the direct or indirect interests of the Company or its Affiliate's business, financial, or general relationship with such franchisees and operators. Such prohibited activities include but are not limited to the organization or facilitation of, or provision of management services to, an association or organization of franchisees/operators with respect to the business or any other relationship that such franchisees/operators have with the Company or any of its Affiliates, including but not limited to any such organization or association that would act as an additional layer of negotiations between the Company or its Affiliates and its franchisees/operators.

3. Work Product. Executive agrees that all of Executive's work product (created solely or jointly with others, and including any intellectual property or moral rights in such work product), given, disclosed, created, developed or prepared in connection with Executive's employment with the Company, whether ensuing during or after the Employment Period ("Work Product") shall exclusively vest in and be the sole and exclusive property of the Company and shall constitute "work made for hire" (as that term is defined under Section 101 of the U.S. Copyright Act, 17 U.S.C. § 101) with the Company being the person for whom the work was prepared. In the event that any such Work Product is deemed not to be a "work made for hire" or does not vest by operation of law in the Company, Executive hereby irrevocably assigns, transfers and conveys to the Company, exclusively and perpetually, all right, title and interest which Executive may have or acquire in and to such Work Product throughout the world, including without limitation any copyrights and patents, and the right to secure registrations, renewals, reissues, and extensions thereof. The Company and its Affiliates or their designees shall have the exclusive right to make full and complete use of, and make changes to all Work Product without restrictions or liabilities of any kind, and Executive shall not have the right to use any such materials, other than within the legitimate scope and purpose of Executive's employment with the Company. Executive shall promptly disclose to the Company the creation or existence of any Work Product and shall take whatever additional lawful action may be necessary, and sign whatever documents the Company may require, in order to secure and vest in the Company or its designee all right, title and interest in and to all Work Product and any intellectual property rights therein (including full cooperation in support of any Company applications for patents and copyright or trademark registrations). Additionally, Executive agrees that Executive will not share with or disclose to any third party the underlying technology or code used to develop the Work Product, if any. Further, Executive agrees that Executive will not use in any of the Work Product any pre-existing development tools, routines, subroutines or other programs, data or materials that Executive may have created or learned prior to the commencement of your provision of services to the Company.

4. Compliance With Company Policies. During the Employment Period, Executive shall be governed by and be subject to, and Executive hereby agrees to comply with, all Company policies, procedures, rules and regulations applicable to employees generally or to employees at Executive's grade

level, including without limitation, the Restaurant Brands International Inc. Code of Business Ethics and Conduct, in each case, as they may be amended from time to time in the Company's sole discretion (collectively, the "Policies").

5. Data Protection & Privacy.

(a) Executive acknowledges that the Company, directly or through its Affiliates, collects and processes data (including personal sensitive data and information retained in email) relating to Executive. Executive hereby agrees to such collection and processing and further agrees to execute the Company's Employee Consent to Collection and Processing of Personal Information, a copy of which is attached to this Agreement as Attachment 1.

(b) To ensure regulatory compliance and for the protection of its workers, customers, suppliers and business, the Company reserves the right to monitor, intercept, review and access telephone logs, internet usage, voicemail, email and other communication facilities provided by the Company which Executive may use during his/her employment with the Company. Executive hereby acknowledges that all communications and activities on Company equipment or premises cannot be presumed to be private.

6. Injunctive Relief with Respect to Covenants; Forum, Venue and Jurisdiction. Executive acknowledges and agrees that a breach by Executive of any of Section 2, 3, 4 or 5 is a material breach of this Agreement and that remedies at law may be inadequate to protect the Company and its Affiliates in the event of such breach, and, without prejudice to any other rights and remedies otherwise available to the Company, Executive agrees to the granting of injunctive relief in the Company's favor in connection with any such breach or violation without proof of irreparable harm, plus attorneys' fees and costs to enforce these provisions. Executive further agrees that the foregoing is appropriate for any such breach inasmuch as actual damages cannot be readily calculated, the amount is fair and reasonable under the circumstances, and the Company would suffer irreparable harm if any of these Sections were breached. All disputes not relating to any request or application for injunctive relief in accordance with this Section 6 shall be resolved by arbitration in accordance with Section 9(b).

7. Entire Agreement. This Agreement constitutes the entire agreement among the parties hereto with respect to the subject matter hereof. All prior correspondence and proposals (including but not limited to summaries of proposed terms) and all prior promises, representations, understandings, arrangements and agreements relating to such subject matter (including but not limited to those made to or with Executive by any other Person and those contained in any prior employment, consulting or similar agreement, including the Original Agreement, entered into by Executive and the Company or any predecessor thereto or Affiliate thereof) are merged herein and superseded hereby. For the avoidance of doubt, this Agreement shall not merge with, supersede or otherwise impact any agreements currently in place between any Affiliates of the Company and Executive with respect to the grant of options to purchase common stock of Restaurant Brands International Inc.

8. Survival. The following Sections shall survive the termination of Executive's employment with the Company and of this Agreement: 2, 3, 5, 6, 7, 8 and 9.

9. Miscellaneous.

(a) Binding Effect; Assignment. This Agreement shall be binding on and inure to the benefit of the Company and its Successors and permitted assigns. This Agreement shall also be binding on and inure to the benefit of Executive and his/her heirs, executors, administrators and legal representatives. This Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto, provided, however, that the Company may effect such an assignment without prior written

approval of Executive upon the transfer of all or substantially all of its business and/or assets (by whatever means).

(b) Arbitration. The Company and Executive agree that any dispute or controversy arising under or in connection with this Agreement shall be resolved by final and binding arbitration before the American Arbitration Association ("AAA"). The arbitration shall be conducted in accordance with AAA's National Rules for the Resolution of Employment Disputes then in effect at the time of the arbitration. The arbitration shall be held in Miami, Florida. The dispute shall be heard and determined by one arbitrator selected from a list of arbitrators who are members of AAA's Regional Employment Dispute Resolution roster. If the parties cannot agree upon a mutually acceptable arbitrator from the list, each party shall number the names in order of preference and return the list to AAA within ten (10) days from the date of the list. A party may strike a name from the list only for good cause. The arbitrator receiving the highest ranking by the parties shall be selected. Depositions, if permitted by the arbitrator, shall be limited to a maximum of two (2) per party and to a maximum of four (4) hours in duration. The arbitration shall not impair either party's right to request injunctive or other equitable relief in accordance with Section 6 of this Agreement.

(c) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida without reference to principles of conflicts of laws.

(d) Amendments. No provision of this Agreement may be modified, waived or discharged unless such modification, waiver or discharge is approved in writing by the Board or a Person authorized thereby and is agreed to in writing by Executive. No waiver by any party hereto at any time of any breach by any other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No waiver of any provision of this Agreement shall be implied from any course of dealing between or among the parties hereto or from any failure by any party hereto to assert its rights hereunder on any occasion or series of occasions.

(e) Severability. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby. In the event that one or more terms or provisions of this Agreement are deemed invalid or unenforceable by the laws of Florida or any other state or jurisdiction in which it is to be enforced, by reason of being vague or unreasonable as to duration or geographic scope of activities restricted, or for any other reason, the provision in question shall be immediately amended or reformed to the extent necessary to make it valid and enforceable by the court of such jurisdiction charged with interpreting and/or enforcing such provision. Executive agrees and acknowledges that the provision in question, as so amended or reformed, shall be valid and enforceable as though the invalid or unenforceable portion had never been included herein.

(f) Notices. Any notice or other communication required or permitted to be delivered under this Agreement shall be (i) in writing, (ii) delivered personally, by courier service or by certified or registered mail, first-class postage prepaid and return receipt requested, (iii) deemed to have been received on the date of delivery or, if mailed, on the third business day after the mailing thereof, and (iv) addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

(g) Voluntary Agreement; No Conflicts. Executive represents that he/she is entering into this Agreement voluntarily and that Executive's employment hereunder and compliance with the terms and conditions of this Agreement will not conflict with or result in the breach by Executive of any agreement to which he/she is a party or by which he/she or his/her properties or assets may be bound.

(h) Counterparts/Facsimile. This Agreement may be executed in counterparts (including by facsimile), each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

(i) Headings. The section and other headings contained in this Agreement are for the convenience of the parties only and are not intended to be a part hereof or to affect the meaning or interpretation hereof.

(j) Employment Agreement. For the avoidance of doubt, this Agreement will constitute an "employment agreement" as such term may be defined in any equity award agreement issued in connection with the common stock of Restaurant Brands International Inc. or any of its Affiliates.

b. *Offering Memorandum, Amendments or Supplements.* Before finalizing the Offering Memorandum or making or distributing any amendment or supplement to any of the Time of Sale Information or the Offering Memorandum or filing with the Commission any document that will be incorporated by reference therein, the Issuers will furnish to the Representative and counsel for the Initial Purchasers a copy of the proposed Offering Memorandum or such amendment or supplement or document to be incorporated by reference therein for review, and will not distribute any such proposed Offering Memorandum, amendment or supplement or file any such document with the Commission to which the Representative reasonably objects.

c. *Additional Written Communications.* Before using, authorizing, approving or referring to any Issuer Written Communication (other than those listed on Annex A), the Issuers will furnish to the Representative and counsel for the Initial Purchasers a copy of such written communication for review and will not use, authorize, approve or refer to any such written communication to which the Representative reasonably objects.

d. *Notice to the Representative.* The Issuers will advise the Representative promptly, and confirm such advice in writing, (i) of the issuance by any governmental or regulatory authority of any order preventing or suspending the use of any of the Time of Sale Information, any Issuer Written Communication or the Offering Memorandum or the initiation or threatening of any proceeding for that purpose; (ii) of the occurrence of any event at any time prior to the completion of the initial offering of the Securities by the Initial Purchasers as a result of which any of the Time of Sale Information, any Issuer Written Communication or the Offering Memorandum as then amended or supplemented would include any Misrepresentation when such Time of Sale Information, Issuer Written Communication or the Offering Memorandum is delivered to a purchaser; and (iii) of the receipt by any Issuer of any notice with respect to any suspension of the qualification of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and each of the Issuers will use its reasonable best efforts to prevent the issuance of any such order preventing or suspending the use of any of the Time of Sale Information, any Issuer Written Communication or the Offering Memorandum or suspending any such qualification of the Securities and, if any such order is issued, will use reasonable best efforts to obtain as soon as possible the withdrawal thereof.

e. *Time of Sale Information.* If at any time prior to the Closing Date (i) any event shall occur or condition shall exist as a result of which any of the Time of Sale Information as then amended or supplemented would include any Misrepresentation or (ii) it is necessary to amend or supplement any of the Time of Sale Information to comply with law, the Issuers will promptly notify the Initial Purchasers thereof and forthwith prepare and, subject to paragraph (b) above, furnish to the Initial Purchasers such amendments or supplements to any of the Time of Sale Information (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in any of the Time of Sale Information as so amended or supplemented (including such documents to be incorporated by reference therein) will not contain any Misrepresentation or so that any of the Time of Sale Information will comply with law.

f. *Ongoing Compliance of the Offering Memorandum.* If at any time prior to the completion of the initial offering of the Securities (i) any event shall occur or condition shall exist as a result of which the Offering Memorandum as then amended or supplemented would include any Misrepresentation when the Offering Memorandum is delivered to a purchaser or (ii) it is necessary to amend or supplement the Offering Memorandum to comply with law, the Issuers will promptly notify the Initial Purchasers thereof and forthwith prepare and, subject to paragraph (b) above, furnish to the Initial Purchasers such amendments or supplements to the Offering Memorandum as may be necessary so that the statements in the Offering Memorandum (or any document to be filed with the Commission and incorporated by reference therein) as so amended or supplemented (including such document to be incorporated by reference therein) will not contain any Misrepresentation when the Offering Memorandum is delivered to a purchaser or so that the Offering Memorandum will comply with law.

g. *Blue Sky Compliance.* The Issuers will qualify the Securities for offer and sale under the securities or "blue sky" laws of such jurisdictions as the Representative shall reasonably request (or, in the case of any offer and sale of the Securities in the Offering Provinces, rely on applicable exemptions from the prospectus requirements of applicable Canadian Securities Laws for purposes of the Canadian Private Placement) and will continue such qualifications in effect so long as required for the offering and resale to Subsequent Purchasers of the Securities; provided that none of the Issuers or any of the Guarantors shall be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction, (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject or (iv) file, or obtain a receipt for, a prospectus with and from any Canadian securities regulator to qualify such offer, sale or delivery of the Securities under any Canadian Securities Laws.

h. *Clear Market.* During the period from the date hereof through and including the date that is 60 days after the Closing Date, each Issuer and each of the Guarantors will not, without the prior written consent of the Representative, offer, sell, contract to sell, pledge or otherwise dispose of any debt securities issued or guaranteed by either Issuer or any of the Guarantors and having a term of more than one year (other than the Securities).

i. *Use of Proceeds.* The Issuers will apply the net proceeds from the sale of the Securities in the manner described in each of the Time of Sale Information and the Offering Memorandum under the heading "Use of proceeds."

j. *Supplying Information.* While the Securities remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, each Issuer and each of the Guarantors will, during any period in which the Issuers are not subject to and in compliance with Section 13 or 15(d) of the Exchange Act, furnish to holders of the Securities and prospective purchasers of the Securities designated by such holders, upon the request of such holders or such prospective purchasers, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

k. *DTC.* The Issuers will assist the Initial Purchasers in arranging for the Securities to be eligible for clearance and settlement through DTC.

l. *No Resales by the Issuers, Parent and the Partnership.* Until the first anniversary of the Closing Date, each of the Issuers will not, and will not permit Parent, the Partnership or any of the Issuers' respective controlled affiliates (as defined in Rule 144 under the

Securities Act) to, resell any of the Securities that have been acquired by any of them, except for Securities purchased by an Issuer or any of their respective affiliates and (i) resold in a transaction registered under the Securities Act or (ii) resold in a transaction exempt from registration under the Securities Act, provided that any Securities transferred under this clause (ii) must bear the restrictive legend set forth in the Offering Memorandum for at least one year following such resale.

m. *No Integration.* None of the Issuers nor any of their respective affiliates (as defined in Rule 501(b) of Regulation D) will, directly or through any agent, sell, offer for sale, solicit offers to buy or otherwise negotiate in respect of, any security (as defined in the Securities Act), that is or will be integrated with the sale of the Securities in a manner that would require registration of the Securities under the Securities Act.

n. *No General Solicitation or Directed Selling Efforts.* None of the Issuers nor any of their respective affiliates or any other person acting on its or their behalf (other than the Initial Purchasers, as to which no covenant is given) will (i) solicit offers for, or offer or sell, the Securities by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act or (ii) engage in any directed selling efforts within the meaning of Regulation S, and all such persons will comply with the offering restrictions requirement of Regulation S.

o. *No Stabilization.* None of the Issuers nor any of the Guarantors will take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Securities.

p. *Perfection of Security Interests*. The Issuers and each Guarantor (i) shall complete on or prior to the Closing Date all filings and other similar actions required in connection with the perfection of first-priority security interests in the Collateral as and to the extent contemplated by the Indenture and the Collateral Documents and (ii) shall take all actions necessary to maintain such security interests and to perfect security interests in any Collateral acquired after the Closing Date, in each case as and to the extent contemplated by the Indenture and the Collateral Documents; provided that the Issuers and the Guarantors may deliver, furnish and/or cause to be furnished all of the obligations set forth on Schedule 3 hereto within the time periods set forth therein.

5. Certain Agreements of the Initial Purchasers. Each Initial Purchaser hereby severally and not jointly represents and agrees that it has not and will not use, authorize use of, refer to, or participate in the planning for use of, any written communication that constitutes an offer to sell or the solicitation of an offer to buy the Securities other than (i) the Preliminary Offering Memorandum and the Offering Memorandum, (ii) a written communication that contains either (a) no "issuer information" (as defined in Rule 433(h)(2) under the Securities Act) or (b) "issuer information" that was included (including through incorporation by reference) in the Time of Sale Information or the Offering Memorandum, (iii) any written communication listed on Annex A or prepared by the Issuers pursuant to Section 4(c) above (including any electronic road show), (iv) any written communication prepared by such Initial Purchaser and approved by the Issuers in advance in writing or (v) any written communication that only contains the terms of the Securities and/or other information that was included (including through incorporation by reference) or will be included in the Time of Sale Information or the Offering Memorandum.

6. Conditions of Initial Purchasers' Obligations. The obligation of each Initial Purchaser to purchase Securities on the Closing Date as provided herein is subject to the performance by each Issuer and each of the Guarantors of their respective covenants and other obligations hereunder and to the following additional conditions:

    a. *Representations and Warranties.* The representations and warranties of the Issuers and the Guarantors contained herein shall be true and correct on the date hereof and on and as of the Closing Date; and the statements of the Issuers, the Guarantors and their respective officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date.

    b. *No Downgrade.* Subsequent to the earlier of (A) the Time of Sale and (B) the execution and delivery of this Agreement, (i) no downgrading shall have occurred in the rating accorded the Securities or any other debt securities or preferred stock issued or guaranteed by any Issuer, Parent, the Partnership or any of their respective subsidiaries by any "nationally recognized statistical rating organization," as such term is defined by the Commission for purposes of Section 3(a)(62) of the Exchange Act; and (ii) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or of any other debt securities or preferred stock issued or guaranteed by any Issuer, Parent, the Partnership or any of their respective subsidiaries (other than an announcement with positive implications of a possible upgrading).

    c. *No Material Adverse Change.* No event or condition described in Section 3(e) hereof shall have occurred or shall exist, which event or condition is not described in each of the Time of Sale Information (excluding any amendment or supplement thereto) and the Offering Memorandum (excluding any amendment or supplement thereto) and the effect of which in the judgment of the Representative makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Offering Memorandum.

    d. *Officer's Certificate.* The Representative shall have received on and as of the Closing Date a certificate of an executive officer of the Company and of each Guarantor who has specific knowledge of the Company's or such Guarantor's financial matters and is satisfactory to the Representative (i) confirming that such officer has carefully reviewed the Time of Sale Information and the Offering Memorandum and, to the knowledge of such officer, the representations set forth in Sections 3(a), 3(b) and 3(d) hereof are true and correct, (ii) confirming that the other representations and warranties of the Issuers and the Guarantors in this Agreement are true and correct and that the Issuers and the Guarantors have complied in all material respects with all agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Date and (iii) to the effect set forth in paragraphs (b) and (c) above.

    e. *Comfort Letters.* On the date of this Agreement and on the Closing Date, KPMG shall have furnished to the Representative, at the request of Parent and the Partnership, letters, dated the respective dates of delivery thereof and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Representative, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in each of the Time of Sale Information and the

Offering Memorandum; provided that the letter delivered on the Closing Date shall use a "cut-off" date no more than three business days prior to the Closing Date.

f. *Opinion and 10b-5 Statement of Counsel for the Issuers and the Guarantors.* (i) Kirkland & Ellis LLP, U.S. counsel for the Issuers and the Guarantors, shall have furnished to the Representative, at the request of the Issuers, its written opinions and 10b-5 statement, dated the Closing Date and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Initial Purchasers, (ii) Stikeman Elliott LLP, Canadian counsel for the Issuers and the Guarantors, shall have furnished to the Representative, at the request of the Issuers, its written opinions, dated the Closing Date and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Initial Purchasers and (iii) Greenberg Traurig, P.A., Florida and Minnesota counsel for the Guarantors, shall have furnished to the Representative, at the request of the Issuers, its written opinion, dated the Closing Date and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Initial Purchasers.

g. *Opinion and 10b-5 Statement of Counsel for the Initial Purchasers.* The Representative shall have received on and as of the Closing Date (x) an opinion and 10b-5 statement of Cahill Gordon & Reindel llp, counsel for the Initial Purchasers, and (y) an opinion of Blake, Cassels & Graydon LLP, Canadian counsel for the Initial Purchasers, in each case with respect to such matters as the Representative may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

h. *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, provincial, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Securities or the issuance of the Guarantees; and no injunction or order of any federal, provincial, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Securities or the issuance of the Guarantees.

i. *Good Standing*. The Representative shall have received on and as of the Closing Date satisfactory evidence of the existence or good standing of each Issuer and each of the Guarantors in their respective jurisdictions of organization and their good standing in such other jurisdictions as the Representative may reasonably request, in each case in writing or any standard form of telecommunication, from the appropriate governmental authorities of such jurisdictions.

j. *Indenture and Securities*. The Indenture shall have been duly executed and delivered by a duly authorized officer of each of the Issuers, each of the Guarantors, the Trustee and the Collateral Agent, and the Securities shall have been duly executed and delivered by a duly authorized officer of each Issuer and duly authenticated by the Trustee.

k. *DTC.* The Securities shall be eligible for clearance and settlement through DTC.

l. *Collateral Documents.* On the Closing Date (or as otherwise permitted by Schedule 3 hereto), the Initial Purchasers shall have received a counterpart of each Collateral Document (other than the Mortgages and the First Lien Intercreditor Agreement), including the First Lien-Second Lien Intercreditor Agreement Joinder No. 10, the First Lien Intercreditor Agreement Joinder No. 4 and the THI Notes Intercreditor Agreement,

that shall have been executed and delivered by the applicable parties thereto and each of such documents shall be in full force and effect in accordance with their terms.

m. *Security Filings*. On the Closing Date, except as otherwise contemplated by the Collateral Documents (other than the Mortgages and as otherwise permitted by Schedule 3 hereto), each document (including any Uniform Commercial Code financing statement or equivalent filing in the provinces of British Columbia, Ontario and Quebec) required by the Collateral Documents (other than the Mortgages), or under law or reasonably requested by the Representative, in each case, to be filed, registered or recorded, or delivered for filing on or prior to the Closing Date, including filings in the U.S. Patent and Trademark Office and the U.S. Copyright Office in order to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a perfected first-priority lien and security interest (subject to Permitted Liens) in the Collateral that can be perfected by the making of such filings, registrations or recordations, prior and superior to the right of any other person (other than Permitted Liens), shall be executed and in proper form for filing, registration or recordation. All Canadian intellectual property security agreements required to be filed pursuant to the Canadian Security Agreement shall be executed and in proper form for filing, registration or recordation and the Initial Purchasers shall have received counterparts thereof on the Closing Date.

n. *Chief Financial Officer's Certificate*. On the date hereof and the Closing Date, the Initial Purchasers shall have received a certificate of Parent's Chief Financial Officer or similar officer in form and substance satisfactory to the Initial Purchasers relating to certain financial information included in the Time of Sale Information and the Offering Memorandum under the heading "Summary—Recent Developments—Preliminary Estimated Financial Information."

o. *Refinancing*. The Issuers (or their direct or indirect parent) have delivered notice of partial redemption to the existing noteholders of the 2024 First Lien Notes in accordance with the terms of the indenture governing the 2024 First Lien Notes.

p. *Additional Documents.* On or prior to the Closing Date, the Issuers and the Guarantors shall have furnished to the Representative such further certificates and documents as the Representative may reasonably request.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Initial Purchasers.

7. Indemnification and Contribution. (a) *Indemnification of the Initial Purchasers.* Each of the Issuers and each of the Guarantors jointly and severally agrees to indemnify and hold harmless each Initial Purchaser, its affiliates, directors and officers and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any Misrepresentation or alleged Misrepresentation contained in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto) or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were

made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, a Misrepresentation or alleged Misrepresentation made in reliance upon and in conformity with any information relating to any Initial Purchaser furnished to the Issuers in writing by such Initial Purchaser through the Representative expressly for use therein.

(b) *Indemnification of the Issuers and the Guarantors.* Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless each Issuer, each of the Guarantors, their respective directors and officers and each person who controls each Issuer or any of the Guarantors within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Initial Purchaser furnished to the Issuers in writing by such Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the following: the fourth paragraph, the third and fourth sentences of the seventh paragraph, and the ninth paragraph, in each case, found under the heading "Plan of distribution."

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the reasonable fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and the Indemnified Person shall have reasonably concluded that representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Initial Purchaser, its affiliates, directors and officers and any control persons of such Initial Purchaser shall be designated in writing by J.P. Morgan Securities LLC and any such separate firm for the Issuers, the Guarantors, their respective directors and officers and any control persons of the Issuers and the Guarantors shall be designated in

writing by the Issuers. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuers and the Guarantors on the one hand and the Initial Purchasers on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Issuers and the Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Issuers and the Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Issuers from the sale of the Securities and the total discounts and commissions received by the Initial Purchasers in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Securities. The relative fault of the Issuers and the Guarantors on the one hand and the Initial Purchasers on the other shall be determined by reference to, among other things, whether the Misrepresentation or alleged Misrepresentation relates to information supplied by any Issuer or any Guarantor or by the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. For the avoidance of doubt, until the Issuers, the Guarantors or their respective directors, officers and control persons are entitled to indemnification from the Initial Purchasers under Section 7(b) above, they are not entitled to contribution under this Section 7(d).

(e) *Limitation on Liability.* The Issuers, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Initial Purchaser be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Initial Purchaser with respect to the offering of the Securities exceeds the amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial

Purchasers' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

8. Termination. This Agreement may be terminated in the absolute discretion of the Representative, by notice to the Issuers, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange or the over-the-counter market; (ii) trading of any securities issued or guaranteed by Parent, the Partnership, any Issuer or any of the Guarantors shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representative is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery, of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Offering Memorandum.

9. Defaulting Initial Purchaser. (a) If, on the Closing Date, any Initial Purchaser defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the non-defaulting Initial Purchasers may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Issuers on the terms contained in this Agreement. If, within 36 hours after any such default by any Initial Purchaser, the non-defaulting Initial Purchasers do not arrange for the purchase of such Securities, then the Issuers shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Initial Purchasers to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Initial Purchaser, either the non-defaulting Initial Purchasers or the Issuers may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Issuers or counsel for the Initial Purchasers may be necessary in the Time of Sale Information, the Offering Memorandum or in any other document or arrangement, and the Issuers agree to promptly prepare any amendment or supplement to the Time of Sale Information or the Offering Memorandum that effects any such changes. As used in this Agreement, the term "Initial Purchaser" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 9, purchases Securities that a defaulting Initial Purchaser agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Issuers as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Issuers shall have the right to require each non-defaulting Initial Purchaser to purchase the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder plus such Initial Purchaser's pro rata share (based on the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder) of the Securities of such defaulting Initial Purchaser or Initial Purchasers for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Issuers as

provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Issuers shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Initial Purchasers. Any termination of this Agreement pursuant to this Section 9 shall be without liability on the part of the Issuers or the Guarantors, except that each Issuer and each of the Guarantors will continue to be jointly and severally liable for the payment of expenses as set forth in Section 10 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Initial Purchaser of any liability it may have to the Issuers, the Guarantors or any non-defaulting Initial Purchaser for damages caused by its default.

10. Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, each Issuer and each of the Guarantors jointly and severally agrees to pay or cause to be paid all costs and expenses incident to the performance of their respective obligations hereunder (including any goods and services, harmonized sales, sales, transfer, stamp, excise and other similar taxes payable in connection therewith), including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities; (ii) the costs incident to the preparation and printing of the Preliminary Offering Memorandum, any other Time of Sale Information, any Issuer Written Communication and the Offering Memorandum (including any amendment or supplement thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Issuers' and the Guarantors' counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representative may designate and the preparation, printing and distribution of a "blue sky" memorandum (including the related fees and expenses of counsel for the Initial Purchasers); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee, the Collateral Agent and any paying agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and fees incurred in connection with the approval of the Securities for book-entry transfer by DTC; (ix) all expenses incurred by the Issuers in connection with any "road show" presentation to potential investors; and (x) the fees and expenses incurred in connection with creating, documenting and perfecting the security interests in the Collateral as contemplated by the Collateral Documents (including the reasonable related fees and expenses of counsel for the Initial Purchasers for all periods prior to and after the Closing Date).

(b) If (i) this Agreement is terminated pursuant to Section 8, (ii) the Issuers for any reason fail to tender the Securities for delivery to the Initial Purchasers or (iii) the Initial Purchasers decline to purchase the Securities for any reason permitted under this Agreement, each Issuer and each of the Guarantors jointly and severally agrees to reimburse the Initial Purchasers for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Initial Purchasers in connection with this Agreement and the offering contemplated hereby.

11. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and any controlling persons referred to herein, and the affiliates, officers and directors of each Initial Purchaser referred to in Section 7 hereof. (g) *Judgment Currency*. Each of the Issuers and each Guarantor jointly and severally agrees to indemnify each Initial Purchaser, its directors, officers, affiliates and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any loss incurred by such Initial Purchaser as a result of any judgment or order being given or made for any amount due hereunder and such judgment or order being expressed and paid in a currency (the "judgment currency") other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the judgment currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such indemnified person is able to purchase U.S. dollars with the amount of the judgment currency actually received by the indemnified person. Schedule 3

Post-Closing Collateral Requirements

Within 90 days following the Closing Date, the Collateral Agent shall have received each of the following, in each case, in form and substance as shall be reasonably satisfactory to the Collateral Agent and its counsel:

(i) with respect to each Mortgaged Property, a Mortgage granted by the registered and beneficial (if not the same) owner of the applicable Mortgaged Property in favor of the Collateral Agent for its benefit and for the benefit of the Secured Parties encumbering each such party's fee interest in such Mortgaged Property, duly executed and acknowledged by such party in form for registration or recording in the appropriate recording or Land Registry office of the political subdivision where such Mortgaged Property is situated, together with such certificates, affidavits, questionnaires or returns as shall be required in connection with the registration, recording or filing thereof and such financing statements and other similar statements in respect of each such Mortgage, and any other instruments necessary to grant the interests purported to be granted by each such Mortgage (and to register or record such Mortgage in the appropriate recording or Land Registry offices) under the laws of any applicable jurisdiction, which Mortgage, financing statements and other instruments shall be in form and substance substantially similar to the mortgages, financing statements and other instruments delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities and effective to create a valid and enforceable first-priority lien on such Mortgaged Property in favor of the Collateral Agent for the benefit of the Secured Parties, subject to no liens other than Permitted Liens, Permitted Exceptions, and the Enforceability Exceptions;

(ii) with respect to each Mortgage encumbering any Mortgaged Property, a policy of title insurance (or irrevocable commitment to issue such a policy) insuring (or irrevocably committing to insure) the lien of such Mortgage as a valid and enforceable first-priority mortgage or mortgage deed lien, as applicable, on the real property and fixtures described therein, in favor of the Collateral Agent for the benefit of the Secured Parties, securing the obligations of the Issuers and the Guarantors under the Indenture, the Securities and the Collateral Documents, in an amount equal to the proportionate amount allocated to such Mortgaged Property in connection with the mortgagee's policy of title insurance covering the mortgage lien securing the obligations under the Senior Secured Credit Facilities and which policy (or irrevocable commitment) shall (a) be issued by a title insurance company reasonably acceptable to the Collateral Agent (the "Title Company"), (b) be in form and substance substantially similar to the applicable mortgaged policy delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities and (d) contain no defects, liens or encumbrances other than Permitted Liens, Permitted Exceptions, and the Enforceability Exceptions (individually, a "Mortgaged Policy," and, collectively, "Mortgaged Policies");
(iii) with respect to each Mortgaged Property, (a) a survey of the Mortgaged Property certified by the surveyor (in a manner reasonably acceptable to the Collateral Agent) to the Collateral Agent and the Title Company or (b) an existing survey with an "affidavit of no change" satisfactory to the Title Company in order to obtain survey coverage under the applicable Mortgaged Policy, in each case, in form and substance substantially similar to the applicable survey delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities;
(iv) policies or certificates of insurance covering the Mortgaged Properties, and any other assets of the Issuers and the Guarantors as required by the Indenture and the Collateral Documents, which policies or certificates name the Collateral Agent, for the benefit of the Secured Parties, as additional insured and loss payee and mortgagee, as applicable and appropriate, and shall otherwise be in form and substance substantially similar to the policies or certificates of insurance delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities;
(v) such affidavits, certificates and instruments of indemnification and other items (including a so-called "gap" indemnification) as shall be reasonably required to induce the Title Company

to issue the Mortgaged Policies with respect to each Mortgaged Property, provided that such affidavits, certificates and instruments of indemnification and other items shall be in form and substance substantially similar to those delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities;

(vi) checks or wire transfers to the Title Company in respect of amounts in payment of required recording cost and taxes due in respect of the execution, delivery or recording of the Mortgages, fixture filings and related documents, together with a check or wire transfer for the Title Company in payment of its premium, search and examination charges, applicable survey costs and any other amounts then due in connection with the issuance of the Mortgaged Policies;

(vii) with respect to each Mortgaged Property, opinions, addressed to the Collateral Agent and the Trustee regarding the due execution and delivery and enforceability of each such Mortgage, the corporate formation, existence and good standing of the applicable mortgagor, and such other matters as may be reasonably requested by the Collateral Agent, each in form and substance reasonably satisfactory to the Collateral Agent, provided that such opinions shall be in form and substance substantially similar to the opinions delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities;

(viii) such further information, certificates and documents evidencing or relating to the Collateral or required to effect the foregoing as the Collateral Agent may reasonably request including, without limitation, such information, certificates and documents substantially similar in form and substance to those delivered to the Credit Facilities Agent under the Senior Secured Credit Facilities.

Notwithstanding anything herein to the contrary, it is understood that, to the extent any security interest in any Collateral is not or cannot be provided and/or perfected on the Closing Date including, without limitation, as a result of the occurrence of the COVID-19 pandemic (including without limitation, as a result of any notary services being unavailable in the Province of Quebec) after your use of commercially reasonable efforts to do so or without undue burden or expense or risk to human health (other than the pledge and perfection of the security interest in the equity interests of the Issuers and each of its direct wholly owned domestic restricted subsidiaries and other assets pursuant to which a lien may be perfected by the filing of a financing statement (or equivalent instrument) under the Uniform Commercial Code, the *Personal Property Security Act* (Ontario) or the equivalent legislation in any other jurisdiction of Canada (including under the Civil Code of Quebec) in which the Collateral is situated (other than for the inability to file any such financing statement or equivalent as a result of the occurrence of the COVID-19 pandemic, including as a result of any applicable registration system or related service not being available)), then the provision and/or perfection of a security interest in such Collateral shall be required to be delivered as soon as is reasonably practicable after the Closing Date.

Restrictions on Offers and Sales Outside the United States

In connection with offers and sales of Securities outside the United States:

(a) Each Initial Purchaser acknowledges that the Securities have not been registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in transactions not subject to, the registration requirements of the Securities Act. Each Initial Purchaser acknowledges that the distribution of the Securities is being made in the Offering Provinces on a private placement basis, exempt from the prospectus requirements of applicable Canadian Securities Laws, and that the Securities have not been and will not be qualified for distribution (or distribution to the public, as applicable) by prospectus under applicable Canadian Securities Laws.

(b) Each Initial Purchaser, severally and not jointly, represents, warrants and agrees that:

(i) Such Initial Purchaser has offered and sold the Securities, and will offer and sell the Securities, (A) as part of their distribution at any time and (B) otherwise until 40 days after the later of the commencement of the offering of the Securities and the Closing Date, only in accordance with

Regulation S or Rule 144A or any other available exemption from registration under the Securities Act.

(ii) None of such Initial Purchaser or any of its affiliates or any other person acting on its or their behalf has engaged or will engage in any directed selling efforts with respect to the Securities, and all such persons have complied and will comply with the offering restrictions requirement of Regulation S.

(iii) At or prior to the confirmation of sale of any Securities sold in reliance on Regulation S, such Initial Purchaser will have sent to each distributor, dealer or other person receiving a selling concession, fee or other remuneration that purchases Securities from it during the distribution compliance period a confirmation or notice to substantially the following effect:

> "The Securities covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the Securities and the date of original issuance of the Securities, except in accordance with Regulation S or Rule 144A or any other available exemption from registration under the Securities Act. Terms used above have the meanings given to them by Regulation S."

(iv) Such Initial Purchaser has not and will not enter into any contractual arrangement with any distributor with respect to the distribution of the Securities, except with its affiliates or with the prior written consent of the Issuers.

Terms used in paragraph (a) and this paragraph (b) and not otherwise defined in this Agreement have the meanings given to them by Regulation S.

(c) Each Initial Purchaser acknowledges that no action has been or will be taken by the Issuers that would permit a public offering of the Securities, or possession or distribution of any of the Time of Sale Information, the Offering Memorandum, any Issuer Written Communication or any other

offering or publicity material relating to the Securities, in any country or jurisdiction where action for that purpose is required.

(d) Each Initial Purchaser and its respective affiliates severally agrees that it will offer and sell the Securities to Subsequent Purchasers in Canada in compliance with the requirements of applicable Canadian Securities Laws and only make offers and sales of the Securities in Canada in the Offering Provinces and in such a manner that the sale of the Securities will be exempt from the prospectus requirements of applicable Canadian Securities Laws. For greater certainty, each Initial Purchaser severally agrees that it has not made and will not make an offer of the Securities to any person or company in Canada other than a person or company that is both:

(i) an "accredited investor" within the meaning of NI 45-106 or, in Ontario, as defined in Section 73.3(1) of the *Securities Act* (Ontario) (except, in each case, for the criteria set out in paragraph (j), (k) or (l) of such definition in NI 45-106) that is either purchasing the Securities as principal for its own account, or is deemed to be purchasing the Securities as principal for its own account in accordance with Canadian Securities Laws, and that is entitled under Canadian Securities Laws to purchase such Securities without the benefit of a prospectus qualified under such laws; and

(ii) a "permitted client" as defined in section 1.1 of NI 31-103.

(e) Each Initial Purchaser, severally and not jointly, covenants and agrees that it will provide to the Issuers forthwith upon request all such information regarding each purchaser of Securities from it in Canada, including the paragraph number in the definition of "accredited investor" in Section 1.1 of NI 45-106 that applies to each purchaser, as the Issuers may reasonably request in good faith for the purpose of preparing and filing Schedule 1 to a report of exempt distribution on Form 45-106F1 ("Form 45-106F1") and filed with all applicable Canadian securities regulators in connection with the issuance and sale of the Securities, provided it is acknowledged and agreed that the Initial Purchasers need not provide any information to the Issuers regarding whether any Canadian purchaser is an insider of the Issuers.

(f) Each Initial Purchaser, severally and not jointly, represents, warrants and agrees that:

(i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the United Kingdom Financial Services and Markets Act 2000 (the "FSMA")) received by it in connection with the issue or sale of any Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Issuers or the Guarantors; and

(ii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Securities in, from or otherwise involving the United Kingdom.

(g) Each Initial Purchaser severally agrees that it has not offered, sold or otherwise made available to and will not offer, sell or otherwise make available the Securities to any retail investor in the European Economic Area or the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); (ii) a customer within the meaning of EU Directive 2016/97 (as amended or superseded, the "Insurance Distribution Directive"), where that customer would not qualify as a

professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended or superseded, the "Prospectus Regulation").
